COMPLETION OF LOAN TO BULLSEYE MINING LIMITED

The Board of Resource Development Group Limited (RDG or Company) refers to its announcement dated 6 November 2018 in relation to the granting of a \$1.5m Loan Facility to unlisted public company Bullseye Mining Limited (BML). The Board of RDG advises that the funds have now been provided to BML.

Shareholders will recall that RDG will subscribe for a 30% interest in a new company to be incorporated (BML NewCo), which it will jointly own with BML. BML NewCo will hold 100% interest in 36km² of mining leases (BML NewCo Project) currently owned by BML, as part of the North Laverton Gold Project.

Given the strong, ongoing relationship between RDG and BML, the Board believe it is prudent to provide RDG shareholders with a link to a BML shareholder update dated 7 November 2018.

The link is as follows:
