SRG GLOBAL AWARDED ~\$14M FACADE DESIGN, ENGINEER, SUPPLY & INSTALLATION CONTRACT

Highlights:

- **SRG Global secures a ~\$14.0m curtain wall facade contract for the development of the University of Melbourne's Melbourne Connect Initiative**
- **Scope of works includes the design, engineer, supply and installation of over 12,000m² of curtain wall facade products**

SRG Global (ASX: GCS) is pleased to announce it has secured a ~\$14.0m contract as part of the University of Melbourne's Melbourne Connect development.

SRG Global's specialist facades division will design, engineer, prefabricate and transport the curtain wall facade to site and undertake on-site installation works. These works are 18 months in duration and will commence in early 2019.

David Macgeorge, SRG Global Managing Director said: "This project represents another important win for SRG Global and our facades division. SRG Global continues to set the industry standard for engineering-led facade solutions and we are pleased to deliver this iconic innovation precinct."
