**ASX ANNOUNCEMENT**

## Appointment of International Sales Manager

Ventnor Resources Limited (**Ventnor** or **Company**) (ASX: VRX) is pleased to announce that it has appointed Mr Yoonil Kim to the position of International Sales Manager.

Mr Kim was born in South Korea where he completed his education, including degrees in environmental management systems and international trade.

Mr Kim has had fifteen years experience marketing Silica Sand to glass manufacturers and foundries in Korea, Japan, Taiwan, Thailand, Philippines, Malaysia, Cambodia and China.

He has a demonstrated capacity to engage glass manufacturers, paint manufacturers and foundry clients in South East Asia.

Mr Kim will be based in Kuala Lumpur, Malaysia, from where he can easily service the Asian markets.

Ventnor views the appointment of Mr Kim as an important step in the Company's plans to become an exporter of high-quality Silica Sand to the Asia/Pacific region.

## About Ventnor

Ventnor Resources Ltd (**Ventnor**) (ASX: VRX) has significant silica sand projects being four granted exploration licences and one application pending over the Arrowsmith Silica Sand Project, located 270km north of Perth, Western Australia, and one granted exploration licence and one application pending over the Muchea Silica Sand Project, 50km north of Perth, which complements Arrowsmith with additional significant silica sand resources. Initial testwork has confirmed that the silica sand at both Projects can be upgraded to glassmaking quality. Further work is underway on both Projects to enable feasibility studies to be completed.

Ventnor also has granted tenements at its Biranup Project, adjacent to the Tropicana Gold Mine in Western Australia's Goldfields that are prospective for gold and base metals, which are currently under option for partial sale and farm-in joint venture.

Also, in Western Australia, 40km south of Newman, is Ventnor's Warrawanda Nickel Project, which is prospective for nickel sulphides.

## Proven Management

The Ventnor Board and management team have extensive experience in mineral exploration and mine development into production and in the management of publicly listed mining and exploration companies.
