ASX RELEASE

28 November 2018

Mobilise IT and Orcoda Agree to Team up

Orcoda Limited (ASX: ODA) ('Orcoda' or 'the Company'), the resources, healthcare, and transport logistics optimisation company, is pleased to announce that it has signed a teaming agreement with Mobilise IT Pty Ltd ("Mobilise IT"). Mobilise IT is the only true ICT company that offers a complete solution stack required to become a mobile enterprise.

The agreement has been structured to provide clear parameters for cooperation for customer offers and tenders. In the areas of healthcare logistics and emergency services sectors.

"We are extremely pleased to establish our teaming agreement with Mobilise IT. The new arrangement will greatly enhance our ability to provide managed and infrastructure services for a number of large upcoming tenders." Orcoda Finance Director, Geoff Jamieson said.

"Orcoda and Mobilise IT provide complementary ICT services. We are natural partners for large healthcare and emergency services logistics deals. Our respective managed service platforms integrate perfectly which means we can offer a true unified endpoint computing service to our customers." Said George Deligiannoudis, Mobilise IT CEO.

ABOUT ORCODA

Orcoda Limited (ASX:ODA) is a leading Australian logistics solution provider with expertise in business efficiency and optimisation of processes. We are operational efficiency specialists who supply best-in-class solutions combining software, management expertise and contracting services that makes our clients among the most productive and cost-effective organisations in their respective industries.

Our clients come from a diverse array of industry sectors and include some of Australia's largest companies operating in the resources and infrastructure, transport and logistics and healthcare sectors.

Orcoda's combined applications are focused on three key business sectors: healthcare, transportation and resources. We pride ourselves on enabling our clients to generate fast, accurate and reliable information, ensuring they are able to make the best business decisions the first time, every time and on time. www.orcoda.com

ABOUT MOBILISE IT

Founded in 2006 in Melbourne Australia, Mobilise IT is a world class managed service company delivering digital workspace solutions that are consumer easy, enterprise secure and optimised for the software defined enterprise of tomorrow. We back our solutions with 24x7 end user and infrastructure managed services taking care of the day to day, whilst our Prisma program management platform delivers the financial, asset and service monitoring, insights and controls customers need to monitor, improve and evolve their services.

Our solutions are driving digital transformation, with mobility as the catalyst, helping our clients navigate the consumerisation of IT and disruptive innovation noise so that they can unshackle themselves from the day to day and focus on innovation that drives their organisation forward. Evolving yesterday's business trends from individual and team productivity to true business process transformation that is reinventing entire businesses across all industries. www.mobiliseit.com
