## **Profit Advice Year ended 31 December 2018**

United Overseas Australia Ltd (UOA) advises that the anticipated net profit after tax attributable to members of the company for financial year ending 31<sup>st</sup> December 2018 is estimated to be AUD 88 Million.

This is a decrease of AUD 18 Million or 17% when compared to the profit achieved for year ended 31<sup>st</sup> December 2017.

The decrease is in the main due to the flatness of the Malaysian market following the parliamentary elections (held earlier this year) as the new ruling party shapes the future economic path of the country.

Yours faithfully,

**ALAN C WINDUSS**

**Company Secretary**
