REQUEST FOR VOLUNTARY SUSPENSION

Dear Jessica,

The Company requests a voluntary suspension on the trading of its securities effective from start of trading on Wednesday 12th December 2018.

The suspension is necessary for the Board to finalise a detailed review of the Company's resources base underpinning the P3 project as recent drilling activities, although still ongoing, have not met the Company's expectations. The Company will also be using the suspension as an opportunity to escalate due diligence and negotiations on several opportunities that the Company has recently been evaluating in India.

The Company requests that the voluntary suspension remain until an announcement to the market regarding the above is released which the Company anticipates will occur by 15 January 2019.

The Company is not aware of any reason why the suspension should not be granted.

The Company is not aware of any other information necessary to inform the market about the suspension.

Yours faithfully,

Sean Henbury
Company Secretary
