

ASX Announcement

12 December 2018

LODGEMENT OF PROSPECTUS

Triton Minerals Limited (ASX: TON, **Triton** or **Company**) is pleased to advise that the attached Prospectus has today been lodged with the Australian Securities and Investments Commission (ASIC).

The Prospectus is for the issue to Eligible Optionholders of up to approximately 133,673,165 TONOD Options at an issue price of \$0.0054 per Option with each TONOD Option issued having an exercise price of \$0.10 and expiring on 30 September 2020, to raise up to approximately \$721,835 before expenses (**Offer**).

The Offer recognises the strong support that Triton has received from its Shareholders and Optionholders and allows Eligible Optionholders the opportunity to acquire TONOD options at the maximum permissible discount to recent trading prices.

The purpose of the Offer is to raise funds for:

- Development activities including permitting, engineering and financing; and
- Offer costs and working capital.

The TONOD Options will be issued pursuant to the Company's existing ASX Listing Rule 7.1 and 7.1A placement capacity. If the VWAP of the ASX traded price of the TONOD Options at the date on which the new TONOD Options to be issued pursuant to the offer exceeds \$0.007, then in order to ensure compliance with ASX Listing Rule 7.1A, the Offer shall be downsized such that the Offer is made pursuant to Triton's issuance capacity under ASX Listing Rule 7.1 only. This would result in an offer of approximately 98,734,302 TONOD Options at a price of \$0.0054 per TONOD Option to raise approximately \$533,165 before expenses.

Any Eligible Optionholders that do not receive the prospectus or have any queries in the relation to the Offer, should contact the Triton company secretary (+61 8 6381 9050).

Note: Given the timing of the Offer is during the holiday season, the Company requests that Optionholders make an election to receive communications electronically from the Company including the Offer documents. This can be done at www.investorcentre.com/au.
