

BrainChip Company Update Webinar

San Francisco – 24 December 2018: BrainChip Holdings Ltd. (“BrainChip” or the “Company”) (ASX: BRN), the leading neuromorphic computing company, is pleased to announce that it will provide a company update to investors via a webinar on Thursday, January 3rd, at 9:00 AM (AEDT).

Interested investors can register for the webinar on the company’s website at <https://www.brainchipinc.com/news-media/events> and may submit questions in advance to brainchipupdate@brainchipinc.com.

About BrainChip Holdings Ltd (ASX:BRN)

BrainChip Holdings Ltd. is the leading provider of neuromorphic computing solutions, a type of artificial intelligence that is inspired by the biology of the human neuron. The Company’s revolutionary new spiking neural network technology can learn autonomously, evolve and associate information just like the human brain. The proprietary technology is fast, completely digital and consumes very low power. The Company provides software and hardware solutions that address the high-performance requirements in civil surveillance, gaming, financial technology, cybersecurity, ADAS, autonomous vehicles, and other advanced vision systems. www.brainchip.com
