2. CHAIR'S LETTER

Dear Shareholder

On behalf of Parazero Ltd, I am pleased to invite you to participate in the recently announced 1 for 3 non-renounceable entitlement offer for new Parazero ordinary shares (**New Shares**) to raise approximately \$2,927,694 via the issue of approximately 29,276,948 New Shares at an offer price of \$0.10 per New Share (**Entitlement Offer**).

Since listing on the ASX in June 2018, the Company has been executing its business plan outlined in its Prospectus dated 30 April 2018 and has been focusing its expenditure on growing its sales and marketing, as well as research and development, as set out in that Prospectus.

The result of this work, together with the Company's strategic decision to pursue the consumer drone market, in addition to the commercial drone market, has seen increased costs and the need to expend further capital in the way of inventory acquisition and additional research and development expenditure. The Directors are confident that these increased expenditures will lead to greater growth opportunities for Shareholders.

The use of funds is set out in Section 3.2 below.

The Offer is partially underwritten by Baillieu Ltd (**Underwriter**).

If you take up your Entitlement in full, you can also apply for Additional New Shares under the Shortfall Offer (refer to Section 4.5 for more information).

The Offer Price represents a discount of 26.6% to the 30-day volume-weighted average price of Shares for the period up to 20 December 2018 (being the last trading date before the announcement of the Entitlement Offer).

The Offer is non-renounceable, and Entitlements will not be tradeable on ASX or otherwise transferable. Shareholders who do not take up their Entitlement in full will not receive any value in respect of those Entitlements they do not take up. I encourage you to consider this Offer carefully.

Yours Sincerely

Eden Attias
Executive Chair & CEO

3.1 The Offer

The Offer is being made as a non-renounceable entitlement offer of 1 New Share for every 3 Shares held by Eligible Shareholders registered at the Record Date at an issue price of \$0.10 per Share. Fractional entitlements will be rounded up to the nearest whole number.

All of the Shares offered under this Offer Document will rank equally with the Shares on issue at the date of this Offer Document.

The Directors may at any time decide to withdraw this Offer Document and the offer of Shares made under this Offer Document in which case the Company will return all Application monies (without interest) within 28 days of giving such notice of withdrawal.

3.2 Use of Funds

Completion of the Offer will result in an increase in cash in hand of up to approximately \$2,927,694 (before the payment of costs associated with the Offer) assuming that all funds are received under the Offer.

The Company intends to apply the funds raised under the Offer as follows:

Items of Expenditure	\$	%
Product Inventory	1,261,331	43.1%
Working capital ¹	1,504,978	51.4%
Expenses of the Offer	161,385	5.5%
Total	2,927,694	100%

Note:

1. Funds allocated to working capital will be used for administration expenses of the Company over the next 12 months, including administration fees (\$986,978), director remuneration of (\$385,000) and other administration and obligatory overheads (\$133,000).
2. Where less than the full subscription is received, the first \$800,000 received (which is the underwritten portion) will be allocated to meeting existing inventory expenses to enable the Company to continue to meet existing orders. Additional funds raised will then be allocated to those inventory costs up to \$1,261,331 and then allocated toward working capital to be used as set out in 1 above.

The above table is a statement of the Board's current intentions as at the date of this Offer Document. However, Shareholders should note that, as with any budget, the allocation of funds set out in the above table may change depending on a number of factors, including the outcome of operational and development activities, regulatory developments, market and general

economic conditions and environmental factors. In light of this, the Board reserves the right to alter the way the funds are applied.

The capital structure on a fully diluted basis as at the date of this Offer Document would be 184,526,948 Shares and on completion of the Offer (assuming all Entitlements are accepted and no Options are exercised prior to the Record Date) would be 117,107,339 Shares.

3.8 Dilution

Shareholders should note that if they do not participate in the Offer, their holdings are likely to be diluted by approximately 25% (as compared to their holdings and number of Shares on issue as at the date of this Offer Document).

Examples of how the dilution may impact Shareholders are set out in the table below:

Holder	Holding as at Record Date	% at Record Date	Entitlements under the Entitlement Offer	Holdings if Entitlement Offer not taken Up	% Post Entitlement Offer
Shareholder 1	10,000,000	11.39	3,333,334	10,000,000	8.54
Shareholder 2	5,000,000	5.69	1,666,667	5,000,000	4.27

Shareholder 5	50,000	0.06	16,667	50,000	0.04

Notes:

1. This is based on a share capital of 87,830,391 Shares at the date of this Offer Document.

3.9 Effect of the Offer on control and voting power in the Company

The Company's largest Shareholder, 010 Yazumut Ltd, is based in Israel and has advised the Company that it does not intend to take up its Entitlement. As such, there is no circumstance where an Eligible Shareholder could increase their present voting power in the Company by participating in the Offer. No issue of any Shortfall will be made to any applicant for the Shortfall if the effect of the issue of that Shortfall to that applicant would result in that applicant's voting power increasing from below 20% to 20% or above, or from a position greater

than 20%. Substantial holders and their Entitlement prior to the Offer are set out in the table below.

Shareholder	Shares	%	Offer Entitlement (Shares)
010 Yazumut Ltd	22,539,727	25.66	7,513,243
Ran Kraus	10,493,383	11.95	3,497,795
Meah Plus Maarchot Betichot Le'Rachfanum LP	7,000,460	7.97	2,333,487
Merchant Funds Management	5,744,273	6.54	1,914,758

The potential effect that the issue of the Shares under the Offer will have on the control of the Company is as follows:

- (a) if all eligible shareholders take up their entitlements under the Offer, the issue of Shares under the Offer will have no effect on the control of the Company and all shareholders will hold the same percentage interest in the Company, subject only to changes resulting from ineligible shareholders being unable to participate in the Offer;
- (b) in the more likely event that there is a shortfall, eligible shareholders who do not subscribe for their full entitlement of Shares under the Offer and ineligible shareholders unable to participate in the Offer will be diluted relative to those shareholders who subscribe for some or all of their entitlement as shown by the table in section 3.8; and
- (c) in respect of any shortfall, eligible shareholders will be entitled to top-up their shareholding, by subscribing for additional shares to be issued from the shortfall pool (**Shortfall Offer**). However, the Company will only issue such Shares pursuant to an application received where the Directors are satisfied, in their discretion, that the issue of the Shares will not increase the applicant's voting power above 19.90%.

3.10 Pro-forma statement of financial position

The unaudited statement of financial position as at 30 September 2018 and the unaudited pro-forma statement of financial position as at 30 September 2018 shown below have been prepared on the basis of the accounting policies normally adopted by the Company and reflect the changes to its financial position.

The pro-forma statement of financial position has been adjusted for:

- (a) the issue of 29,276,948 New Shares pursuant to the Offer to raise \$2,927,694; and
- (b) the estimated expenses of the Offer of \$161,385.

The pro-forma statement of financial position has been prepared to provide investors with information on the assets and liabilities of the Company and pro-forma assets and liabilities of the Company as noted below. The historical and pro-forma financial information is presented in an abbreviated form, insofar as it does not include all of the disclosures required by Australian Accounting Standards applicable to annual financial statements.

Investors who do not wish to participate through CHESS will be issuer sponsored by the Company. Your completed Entitlement and Acceptance Form and payment must reach the Registry no later than 5:00pm (WST) on the Closing Date.

The Offer is non-renounceable. Accordingly, a holder of Shares may not sell or transfer all or part of their Entitlement.

4.2 Implications of an acceptance

Returning a completed Entitlement and Acceptance Form or paying any Application monies by BPAY® will be taken to constitute a representation by you that:

- (a) you have received a copy of this Offer Document and the accompanying Entitlement and Acceptance Form, and read them both in their entirety; and
- (b) you acknowledge that once the Entitlement and Acceptance Form is returned, or a BPAY® payment instruction is given in relation to any

Application monies, the Application may not be varied or withdrawn except as required by law.

4.3 Payment by cheque/bank draft

All cheques must be drawn on an Australian bank or bank draft made payable in Australian currency to "Parazero Limited" and crossed "Not Negotiable".

Your completed Entitlement and Acceptance Form and cheque must reach the Company's share registry at the address set out on the Entitlement and Acceptance Form by no later than 5:00pm WST on the Closing Date.

4.4 Payment by BPAY®

For payment by BPAY®, please follow the instructions on the Entitlement and Acceptance Form. You can only make a payment via BPAY® if you are the holder of an account with an Australian financial institution that supports BPAY® transactions. Please note that should you choose to pay by BPAY®:

- (a) you do not need to submit the Entitlement and Acceptance Form but are taken to have made the declarations on that Entitlement and Acceptance Form; and
- (b) if you do not pay for your Entitlement in full, you are deemed to have taken up your Entitlement in respect of such whole number of Shares which is covered in full by your application monies.

It is your responsibility to ensure that your BPAY® payment is received by the share registry by no later than 2:00pm (WST) on the Closing Date. You should be aware that your financial institution may implement earlier cut-off times with regards to electronic payment and you should therefore take this into consideration when making payment.

4.5 Shortfall Offer

Any Entitlement not taken up pursuant to the Offer will form the Shortfall Offer.

You may, in addition to taking up your Entitlement in full, apply for additional Shares out of the Shortfall (**Shortfall Shares**) in excess of your Entitlement pursuant to a top-up facility (**Shortfall Offer**) by completing the relevant part of the Entitlement and Acceptance Form relevant to the Shortfall Offer which accompanies this Offer Document. Please read the instructions on the Entitlement and Acceptance Form carefully.

Payment for the total amount of your Entitlement amount and your application for additional Shortfall Shares can be made by way of cheque/bank draft or BPAY, as per sections 4.3 and 4.4 **Error! Reference source not found.** above, and outlined on the Entitlement and Acceptance Form. Completed Entitlement and Acceptance Forms together with payment as per sections 4.3 and 4.4 above must reach the Company's share registry at the address set out on the Entitlement and Acceptance Form by no later than 5:00pm AEST on the Closing Date.

If you do not wish to take up any part of your Entitlement you are not required to take any action. That part of your Entitlement not taken up will form part of the Shortfall.

Shortfall Shares will be issued at the issue price of \$0.10 per Shortfall Share. Eligible Shareholders who apply for Shortfall Shares may be allocated a lesser number of Shortfall Shares than applied for, or may be allocated no Shortfall Shares at all, in which case excess application monies will be refunded without interest.

The Shortfall Offer is a separate offer made pursuant to this Offer Document and will remain open for up to three months following the Closing Date. The issue price for each Share to be issued under the Shortfall Offer shall be \$0.10 being the price at which Shares have been offered under the Offer.

The Directors reserve the right to issue Shortfall Shares at their absolute discretion.
