

28 January 2019

INDIORE LIMITED (ASX: IOR) – EXTENSION OF VOLUNTARY SUSPENSION

IndiOre Limited (the Company) refers to its announcement of 11 December 2019, pursuant to which the Company requested an extension to its voluntary suspension pending the finalisation of a detailed review of the Company's strategy. The Company hereby requests a further extension of the voluntary suspension of the Company's shares (ASX code: IOR).

The Company provided a material update to the market on 7 January 2019 including the release of an update on the Company's progress and announcing its intention to shut down the plant in India and seek new projects. The Company has made significant progress in the process of the plant removal/ relocation, though requires further time to evaluate alternative projects and successfully complete negotiations with interested parties.

VOLUNTARY SUSPENSION

In accordance with ASX Listing Rule 17.2, the Company:

- a) requests that its securities remain suspended from trading pending completion of the detailed review of the Company's business strategy. Given the nature of the review and the need to undertake further work, the Company is not yet in a position to make any additional announcements regarding the potential outcome of the review. The Company considers it appropriate that it remains in voluntary suspension so that it can manage its continuous disclosure obligations and to avoid the market trading in IOR securities on a basis that is not reasonably informed;
- b) requests that the voluntary suspension remain in place until the earlier of the Company making an announcement to the market and the commencement of normal trading on 28 February 2019;
- c) is not aware of any reason why the voluntary suspension should not be extended; and
- d) is not aware of any other information necessary to inform the market about its suspension at this time.
