YOJEE ESTABLISHES EXPERIENCED ADVISORY BOARD

HIGHLIGHTS

- **Yojee establishes Advisory Board to provide the Company with guidance, advice and strategic industry assistance.**
- **Appointment of Peter J F McLean, Senior Vice President, Head of Asia Pacific (APAC), Kalmar.**
- **Appointment of Christopher Logan, an industry recognised specialist in Corporate, Transformation, Asset Light logistics & Technology, Sales and Marketing.**

Yojee Limited (Yojee or the Company) (ASX: YOJ), is pleased to have launched an Advisory Board through the appointment of Peter J F McLean and Christopher Logan. The Advisory Board, being a panel of suitably experienced people, is appointed to give considered advice and recommendations to the Company. This will be integral in assisting Yojee through its rapid growth phase and introduction of its technology in new market segments, industry and geographic areas.

Peter J F McLean

Peter is the Senior Vice President and Head of Asia Pacific (APAC) of Kalmar, part of Cargotec, a global port and supply chain leader with annual revenue of AUD \$5.5 billion dollars. Peter has over 30 years of global strategic operational experience in engineering and industrial equipment industry. He is well recognized in the automation field for his leadership in managing world class projects in Australia, and for driving sales growth across Asia with key strategies across the South East Asia, China and India Markets. He currently sits in the Kalmar Global Management Team and is a member of the Australian Institute of Company Directors (MAICD) as well as the Non-Executive Director in the European Australian Business Council (EABC). Peter holds a Master of Business Administration (MBA) from the University of Queensland.

Christopher Logan

Christopher Logan is a global business leader who has spent his career building and growing non-asset-based logistics businesses. He is a senior business advisor to logistics start-up companies and their investors, as well as established transportation companies seeking to respond to new market demands.

Most recently he was President USA of Livingston International, the largest customs broker in North America. Previously he was Chief Strategy and Marketing Officer for Agility, a global logistics leader focused on emerging markets, based in Hong Kong. Early in his career he spent 10 years at Oliver Wyman, a top tier consulting firm, as a partner in their Transportation Practice. He was named Young Global Leader by the World Economic Forum in 2009.

Commenting on the Advisory Board appointments, MD Ed Clarke said, "We are delighted to have Peter and Christopher join our new Advisory Board. Both Advisory Board members bring extensive industry and operational experience needed to help facilitate Yojee's growth and expansion plans. This is essential as Yojee continues its relentless pursuit for robust commercial agreements and partnerships with multinationals, national leaders, SME's and sole traders. The Advisory Board will be imperative in achieving these milestones and delivering value for our shareholders."

FORWARD LOOKING STATEMENTS

Certain statements contained in this asx release, including information as to the future financial or operating performance of the Company and its projects, are forward looking statements. Such forward looking statements:

(a) are necessarily based upon a number of estimates and assumptions that, while considered reasonable by the Company, are inherently subject to significant technical, business, economic, competitive, political and social uncertainties and contingencies;

(b) involve known and unknown risks and uncertainties that could cause actual events or results to differ materially from estimated or anticipated events or results reflected in such forward looking statements; and

(c) may include, among other things, statements regarding estimates and assumptions in respect of prices, costs, results and capital expenditure, and are or may be based on assumptions and estimates related to future technical, economic, market, political, social and other conditions. The Company disclaims any intent or obligation to publicly update any forward looking statements, whether as a result of new information, future events or results or otherwise.

The words "believe", "expect", "contracted", "anticipate", "indicate", "contemplate", "target", "plan", "intends", "continue", "budget", "estimate", "may", "will", "schedule", "planned" and similar expressions identify forward looking statements. All forward looking statements contained in this asx release are qualified by the foregoing cautionary statements. Recipients are cautioned that forward looking statements are not guarantees of future performance and accordingly recipients are cautioned not to put undue reliance on forward looking statements due to the inherent uncertainty therein.
