SRG Global secures \$41.6m transport infrastructure project in JV with WBHO

Highlights:

- SRG Global has entered into a 50/50 joint venture ('JV') with WBHO Infrastructure Pty Ltd to deliver the Wanneroo Road and Ocean Reef Road Interchange project
- The 18 month, \$41.6 million contract was awarded by Main Roads Western Australia
- Project scope includes:
 - Specialist engineering and construction of substantial bridge structures over the existing intersection,
 - Construction of off and on ramps,
 - Service relocations,
 - Drainage enhancements, and
 - Upgrades to all related path and pedestrian crossings

SRG Global Ltd (ASX: SRG) is pleased to announce that it has been awarded the large-scale Wanneroo Road and Ocean Reef Road Interchange project. SRG Global will enter into a joint venture on an equal basis with WBHO Infrastructure Pty Ltd ('WBHO') to deliver the \$41.6 million contract (SRG Global share: \$20.8 million).

The Wanneroo Road and Ocean Reef Road Interchange project is funded by the Commonwealth and State Government as part of a \$2.3 billion investment in road and rail infrastructure. This project will alleviate congestion at one of the busiest intersections in Perth's North Metropolitan area, improving journey times and safety for road users and pedestrians.

Specialist engineering and project planning works are expected to commence in early 2019 with a total project duration of approximately 18 months.

SRG Global Managing Director, David Macgeorge said, "We are extremely pleased SRG Global has been awarded this critical transport infrastructure project. Along with WBHO, we look forward to working closely with Main Roads to deliver the works.

The award of this project converts a 'preferred status' contract, improving SRG Global's total work in hand. Further, it underscores the confidence the infrastructure sector places in SRG Global's ability to deliver on substantial projects."

About SRG Global

SRG Global is an engineering-led specialist construction, maintenance and mining services group operating across the entire asset lifecycle.

In March 2018 SRG Limited ("SRG") acquired TBS Group ('TBS'), a specialist industrial contractor in asset and infrastructure maintenance services. Six months later, SRG and Global Construction Services Ltd ('GCS') merged to form SRG Global.
