

Sipa Resources Limited

Sipa Resources

African and Australian Update

February 2019

DISCLAIMER

This presentation has been prepared by Sipa Resources Limited (**Sipa**).

Summary of information: This presentation contains general and background information about Sipa's activities current as at the date of the presentation and should not be considered to be comprehensive or to comprise all the information that an investor should consider when making an investment decision. The information is provided in summary form, has not been independently verified, and should not be considered to be comprehensive or complete. It should be read solely in conjunction with the oral briefing provided by Sipa and all other documents provided to you by Sipa. Sipa is not responsible for providing updated information and assumes no responsibility to do so.

Not financial product advice: This presentation is not financial product, investment advice or a recommendation to acquire Sipa securities and has been prepared without taking into account the objectives, financial situation or needs of individuals. Before making an investment decision prospective investors should consider the appropriateness of the information having regard to their own objectives, financial situation and needs, and seek legal, taxation and financial advice appropriate to their jurisdiction and circumstances. Sipa is not licensed to provide financial product advice in respect of its securities or any other financial products. Cooling off rights do not apply to the acquisition of Sipa securities. Sipa assumes that the recipient is capable of making its own independent assessment, without reliance on this document, of the information and any potential investment and will conduct its own investigation.

Disclaimer: Sipa and its related bodies corporate and each of their respective directors, agents, officers, employees and advisers expressly disclaim, to the maximum extent permitted by law, all liabilities (however caused, including negligence) in respect of, make no representations regarding, and take no responsibility for, any part of this presentation and make no representation or warranty as to the currency, accuracy, reliability or completeness of any information, statements, opinions, conclusions or representations contained in this presentation. In particular, this presentation does not constitute, and shall not be relied upon as, a promise, representation, warranty or guarantee as to the past, present or the future performance of Sipa.

Future performance: This presentation contains certain forward-looking statements and opinion. The forward-looking statements, opinion and estimates provided in this presentation are based on assumptions and contingencies which are subject to change without notice, as are statements about market and industry trends, which are based on interpretations of current market conditions. Forward-looking statements, including projections, forecasts and estimates, are provided as a general guide only and should not be relied on as an indication or guarantee of future performance and involve known and unknown risks, uncertainties and other factors, many of which are outside the control of Sipa. Past performance is not necessarily a guide to future performance and no representation or warranty is made as to the likelihood of achievement or reasonableness of any forward looking statements or other forecast.

Risks: An investment in Sipa shares is subject to investment and other known and unknown risks, some of which are beyond the control of Sipa. You should have regard to the 'Key Risks' section of this presentation which outlines some of these risks.

Not an offer: This presentation is not, and should not be considered as, an offer or an invitation to acquire securities in Sipa or any other financial products and neither this document nor any of its contents will form the basis of any contract or commitment. This presentation is not a prospectus. Offers of securities in Sipa will only be made in places in which, or to persons to whom it would be lawful to make such offers. This presentation must not be disclosed to any other party and does not carry any right of publication. Neither this presentation nor any of its contents may be reproduced or used for any other purpose without the prior written consent of Sipa.

No Distribution in the US: This presentation is not an offer of securities for sale in the United States. Any securities to be issued by Sipa have not been and will not be registered under the US Securities Act of 1933, as amended (the "**US Securities Act**") and may not be offered or sold in the United States absent registration or an exemption from registration under the US Securities Act. No public offer of the securities is being made in the United States and the information contained herein does not constitute an offer of securities for sale in the United States. This presentation is not for distribution directly or indirectly in or into the United States or to US persons.

Monetary values: Unless otherwise stated, all dollar values are in Australian dollars (A\$). The information in this presentation remains subject to change without notice.

No distribution: Distribution of this presentation may be restricted by law. Persons who come into possession of this presentation should seek advice on and observe any such restrictions. Any failure to comply with such restrictions may constitute a violation of applicable securities laws.

JORC: The information in this report that relates to the exploration results previously reported in the ASX Announcements dated 1 December 2016, and 14 September 2018. The Company is not aware of any new information or data that materially affects the information included in those relevant market announcements.

OVERVIEW

- 1st mover and greenfields explorer in frontier mineral provinces in Africa and Australia
- High quality exploration projects
 - 1) Ugandan nickel copper sulphide discovery – JV with Rio
 - 2) Obelisk copper gold discovery at Paterson North W Australia
 - 3) Barbwire Terrace MVT Zinc project W Australia

Strike Drilling Paterson North 2018

OVERVIEW

Very high >83% of funds raised spent in the ground. Strong in-house technical direction.*

* Admin to exploration costs ratio over past six years

- In the past 3 years Sipa has leveraged additional funding via
 - WA Govt EIS grants \$ 456,000
 - Innovation connections –Federal govt funding \$150,000
 - R and D refunds \$203,000
 - Total = \$809,000 since 2016
 - New WA Govt co-funding application granted for \$150,000 received for 2019 field season

CORPORATE

Capital Structure

ASX Code	SRI
Shares (Ord.) (31/01/19)	1533m
Share Price (31/01/19)	0.9c
Market Cap (31/01/19)	\$13.8m
Cash (at 30/12/18)	\$4.4*m

*** Includes \$1.2m reserved for JV exploration**

Shareholders

Rodiv NSW P/L Pension Fund	6.8%
JM Financial	5.1%
Directors & Management	1.6%
Total in top 20	23.4%

Board

Tim Kennedy	Chairman
Lynda Burnett	Managing Director
Karen Field	Non Executive Director
Craig McGown	Non Executive Director

HIGHLY EXPERIENCED BOARD

Multi-disciplinary skill-sets with extensive mining and exploration experience

Tim Kennedy – Non-Executive Chairman

Geologist with successful thirty year career most recently as Exploration Manager Independence Group NL. Involved in the discoveries of Tropicana and Karlawinda Bore gold, Rosie Nickel and Triumph base metal deposit at Jaguar. Non Executive Director of Millennium Minerals Limited and Helix Resources

Lynda Burnett – Managing Director

Geologist and previously Exploration Director Newmont Asia Pacific, involving management of all Newmont's generative exploration projects, and business development. Lynda has also worked for a number of mining companies including Director of Summit Resources Ltd, and at the Telfer and Boddington mines over a thirty year career.

Craig McGown – Non-Executive Director

Investment Banker over four decades consulting to companies in Australia and internationally particularly in the natural resources sector. Executive Director of advisory business New Holland Capital. Chairman of Pioneer Resources Limited, Non Executive Director of Realm Resources Limited

Karen Field – Non-Executive Director

Over three decades of mining operational management in Australia and overseas. Has held Non-Executive Directorships of Aurizon Holdings Limited, Water Corporation, MACA Limited, Perilya Limited, Electricity Networks Corporation and the Centre for Sustainable Resource Processing and a number of NFP organisations such as WA Centenary Trust for Women and the Chair of the Perth College Foundation.

HIGHLY EXPERIENCED MANAGEMENT

Tara Robson – Company Secretary – CFO, Investor Relations

Over twenty years of experience managing listed entities including Anvil Mining and Brockman Resources. Fellow of Governance Institute.

Joshua Tuhumwire – Director Sipa Exploration Uganda Limited

Geologist ex Ugandan Department of Geological Survey and Mines (DGSM) 1980 to 2010. Commissioner of the DGSM from 2001 to 2010, initiated and implemented the US\$47.7 million Sustainable Management of Mineral Resources Project, included the flying of country airborne magnetic/radiometrics and regional geological mapping. Founder Director/CEO of Gondwana Geoscience Consulting Ltd, based in Entebbe, UG. Ugandan board Representative on the International Seabed Authority

Burkhard Eisenlohr – Ugandan Exploration Manager

Burkhard has more than 30 years exploration experience in gold and base metal exploration, mostly in Australia, Africa and southeast Asia. Burkhard has managed exploration programs both at early exploration and feasibility study stage, including the initial drill-out and feasibility study of the Tasiast gold deposit. He held senior positions with junior and mid-tier companies including Defiance Mining, Nova Energy, Cape Lambert Resources and OceanaGold. Burkhard obtained his PhD from the University of Western Australia with research in economic and structural geology.

HIGHLIGHTS 2018 - UGANDA

Landmark Farm-in and JV Agreement with Rio Tinto validates Sipa's exploration strategy

- **Staged Option to earn up to 75% by spending up to US\$57M Plus cash of up to US\$2M**
- **Sipa currently managing exploration for the initial period of 18 months**
- **1st phase Gravity surveying and initial drilling of 2700 metres in seven holes complete.**
- **3 holes at Akelikongo Assays Pending.**

KITGUM PADER Ni - Cu - UGANDA

*Belt scale project on
NE Congo craton
margin*

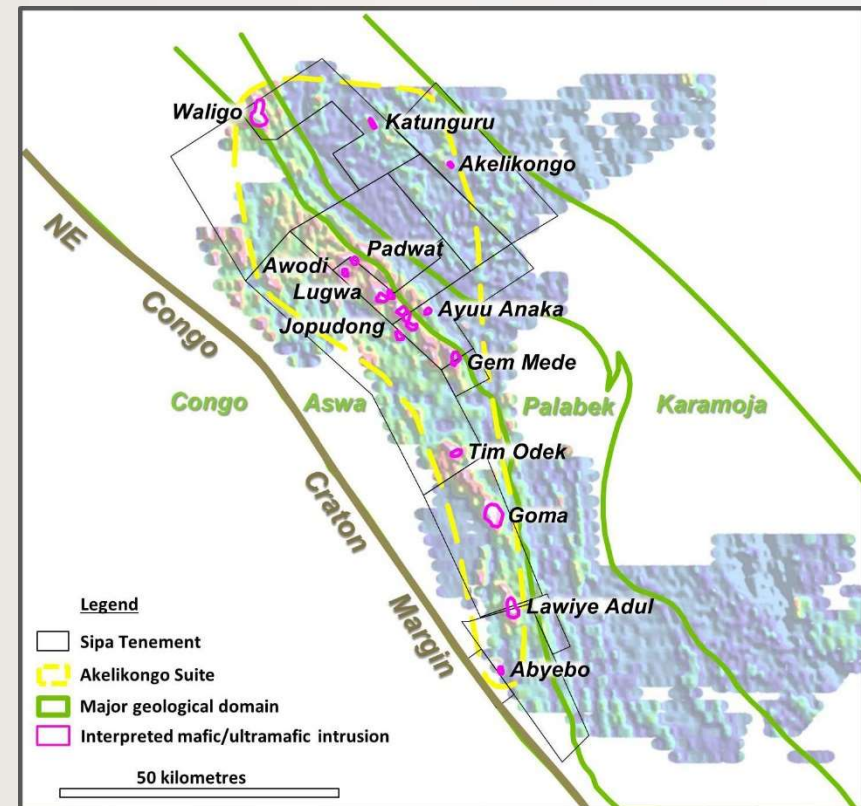

- Analogous geological setting to other intrusive hosted nickel and copper sulphide deposits such as Nova (Yilgarn Craton Margin)

KITGUM PADER -PROVINCE EXPOSURE

- 2500 sq km land holding
- 100 km long belt with 14+ nickel anomalous prospective intrusions

KITGUM PADER -AKELIKONGO

- Nickel Sulphide discovery at Akelikongo
- Thick (>100m) continuous widths of disseminated and massive Nickel and Copper sulphides

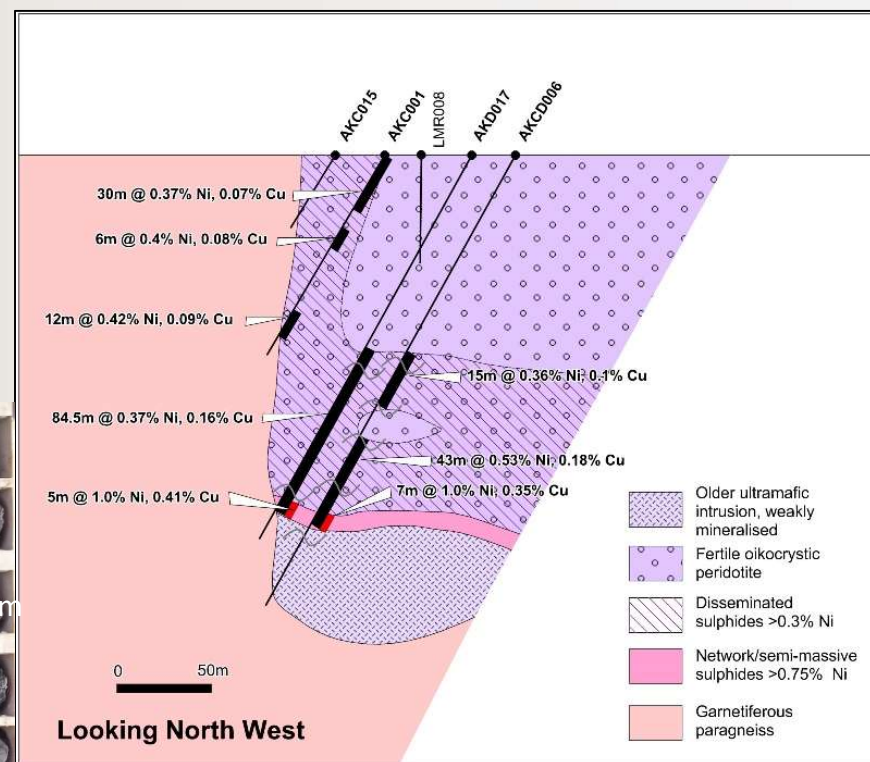

- Extends at least 400m from surface

Sipa Resources Limited

KITGUM PADER - AKD 017

84.5m @ 0.37% Ni 0.16% Cu

STRONG COMMUNITY PRESENCE

- Focussed on empowering girls to stay at school through “Days for Girls” feminine hygiene and education
- Distributed around 3000 kits to girls at over 31 schools in 3 years

Girls receiving their reusable sanitary hygiene kits

PATERSON NORTH Cu – Au WA

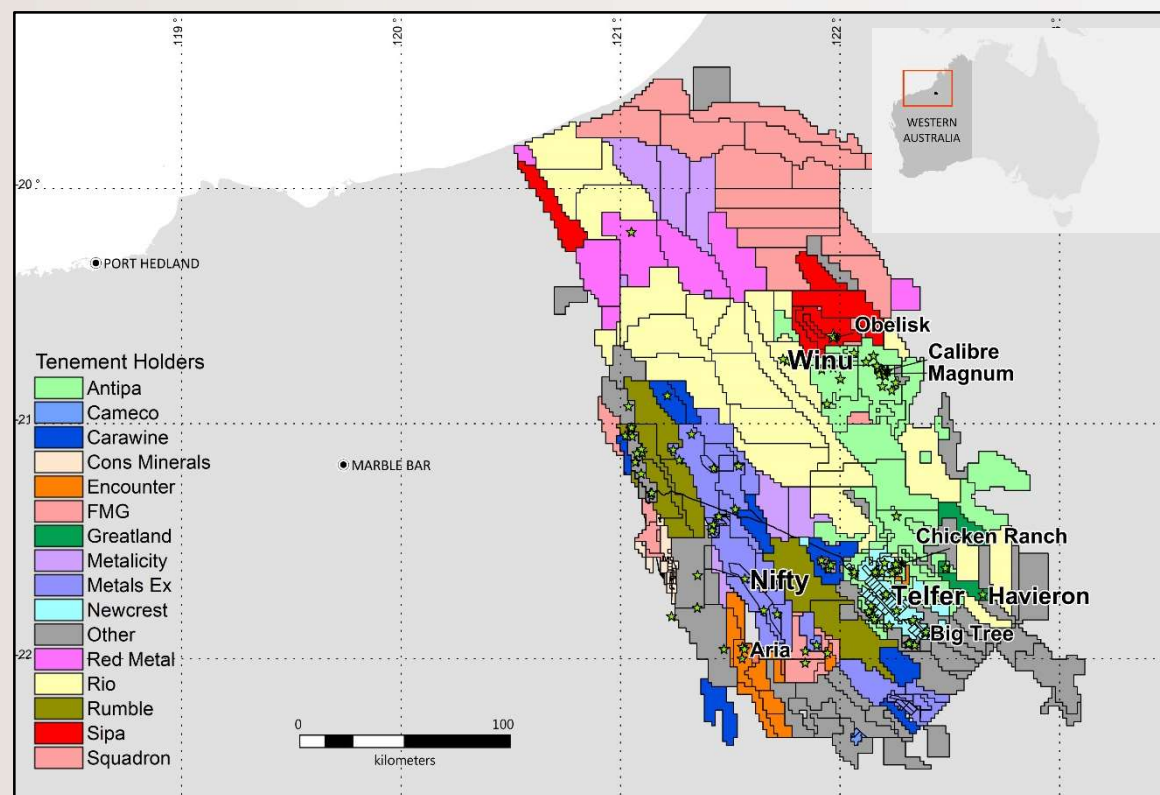

- **Large land position in an emerging and world class gold and copper mineralised belt (Telfer at 25Moz is world class)**
- **Explorable depths <100m amenable to airborne and ground geophysics and reconnaissance RC aircore drilling**

PATERSON NORTH LAND POSITION

- Sipa exploring here since 2016

“This is the hottest land position in the country, with strong activity in 2018 by Rio Tinto Antipa and Encounter”

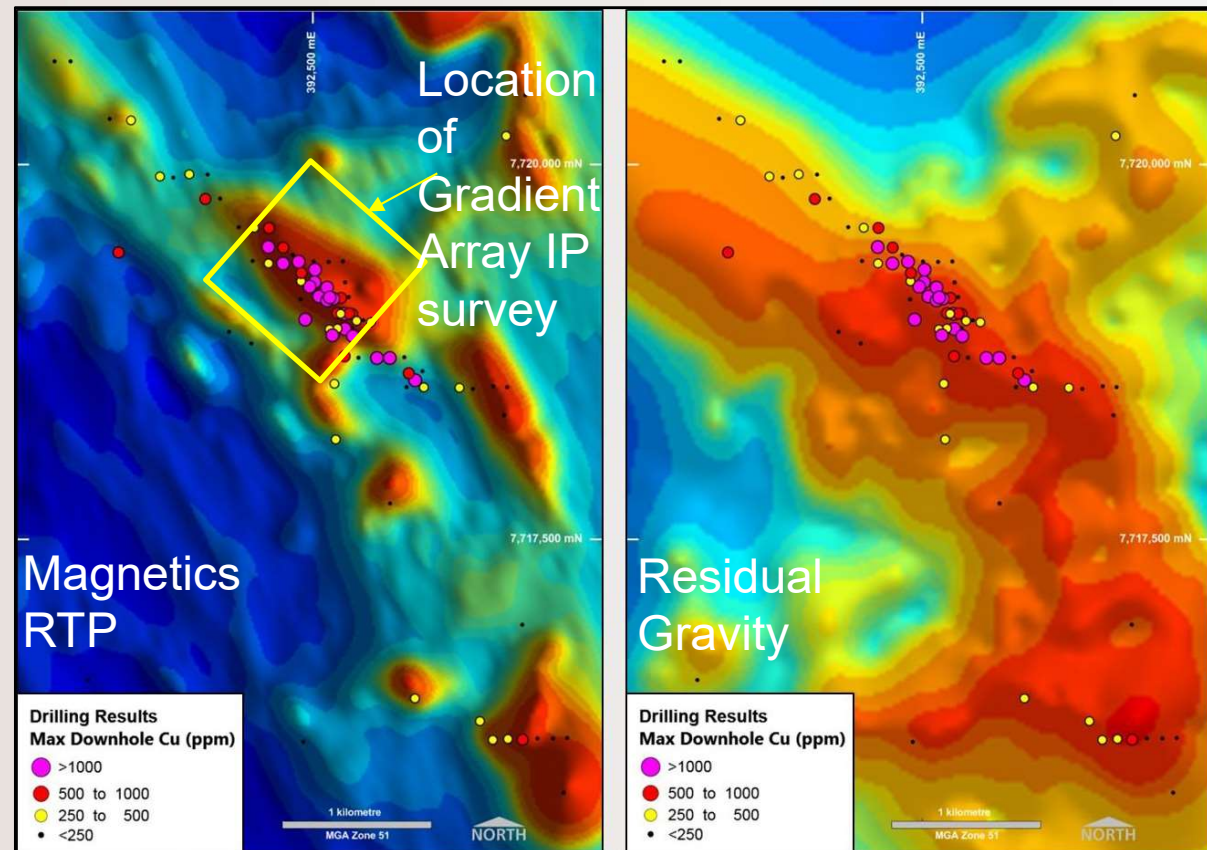

PATERSON NORTH – Sipa Tenements

- Explorable depths shown by magnetic detail
- Discovery is directed by geophysics
- Airborne EM
- Gravity
- Magnetics
- IP

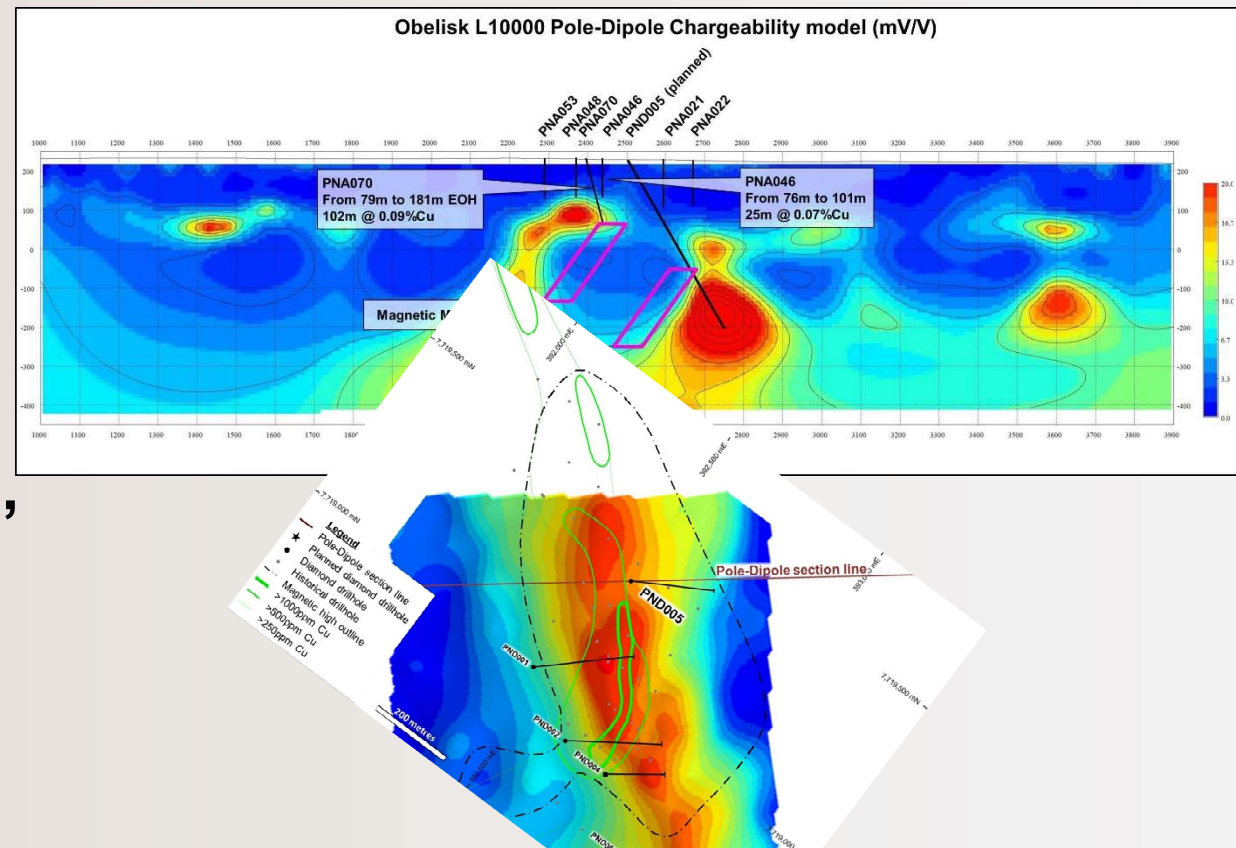

PATERSON NORTH – Obelisk

- Large copper footprint associated with complex gravity and magnetic anomalies

PATERSON NORTH – Obelisk IP

- Western IP detected in Gradient Array
- Geophysical characteristics similar with Magnum, Calibre, possibly with Winu?

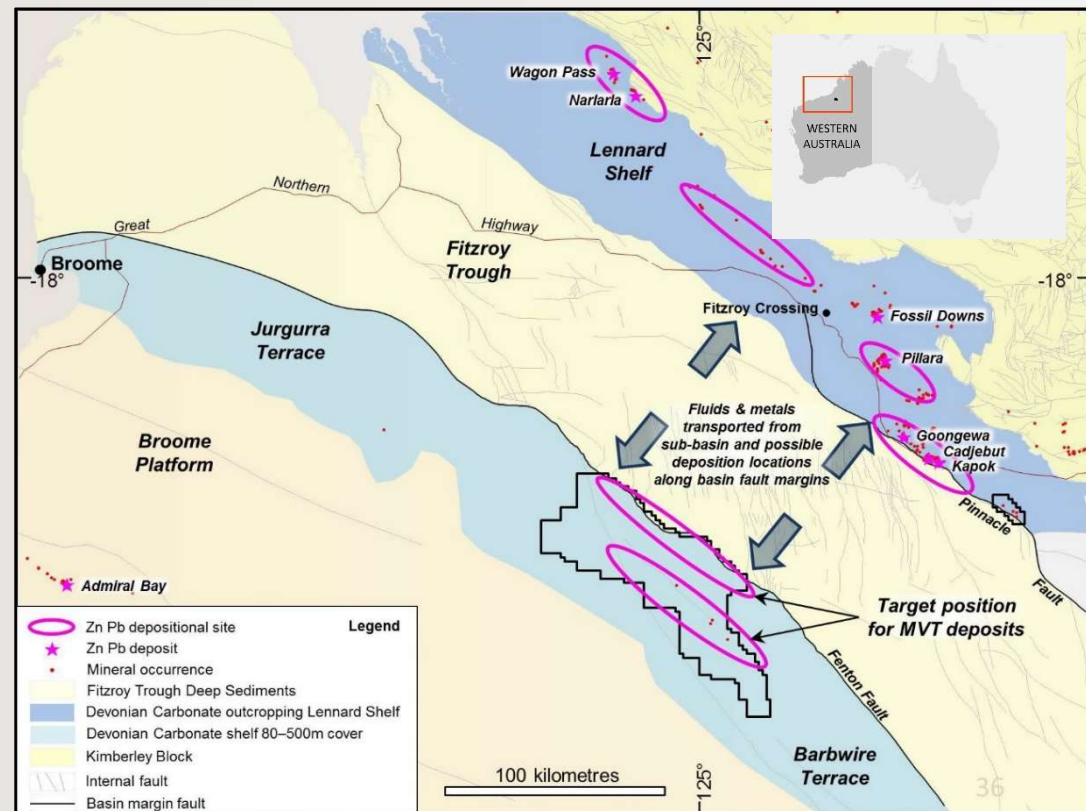

PATERSON NORTH – Obelisk

Barbwire Terrace Zn project

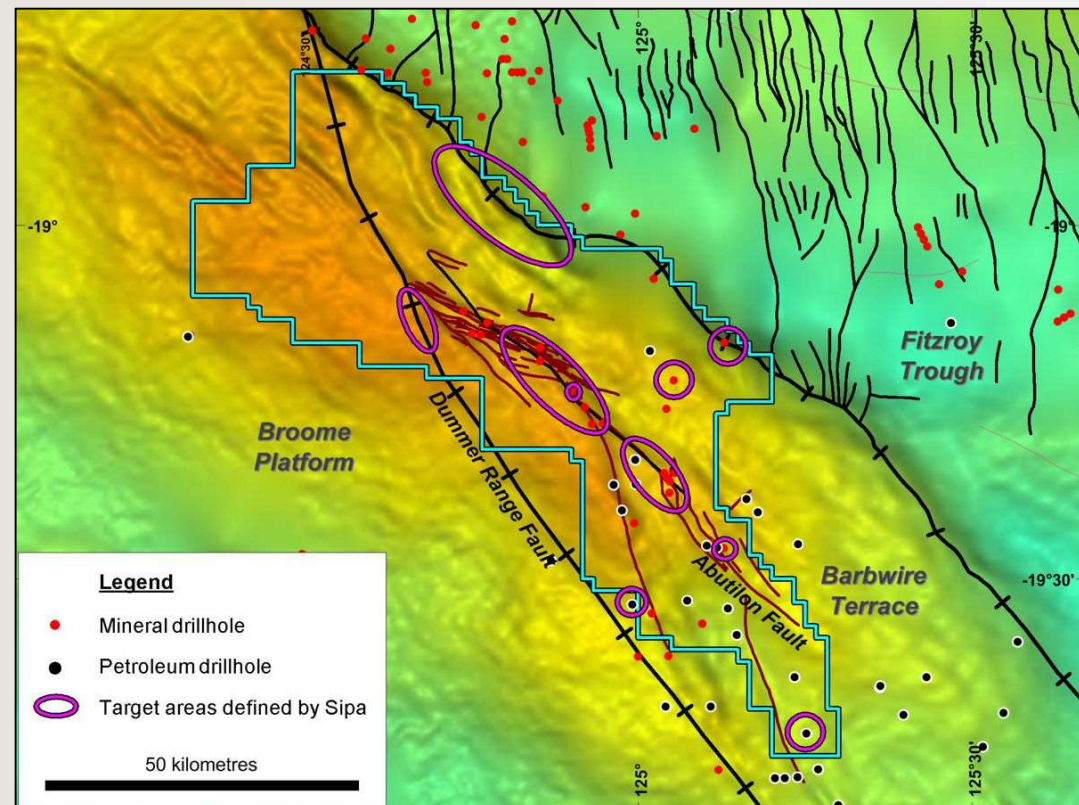

- Canning Basin host to MVT Devonian Zn mineralised CO₃ rocks
- Dewatering, metal transport and deposition occurred both sides of basin
- Leading edge fault position virtually untested

Barbwire Terrace Zn project

- Open file oil and mineral exploration holes
- Seismic lines to compile in 3d
- New Gravity shows fault geometry
- Targeting of depositional base metal sites in 3d

PLAN FORWARD

Uganda Ni Cu

Diamond drill testing of regional targets underway including Akelikongo with drilling ongoing through Q1 2019. Soil sampling continuing.

Paterson Cu Au

EM survey, targeting early 2019

Barbwire Terrace Zn

3D modelling and targeting. Information memorandum available for JV

ROYALTY PORTFOLIO

Portfolio a legacy of a successful discovery track record

- Sulphur Springs copper-zinc (Venturex *, DFS was completed October 2018, now sourcing funding options) \$3.7m from cash flow in current plan
- Panorama – Kangaroo Caves (Venturex**)
- Ashburton Gold Deposit mined 1999-2004 1.7 million ounces (Northern Star***)
- Enigma Copper (Sandfire, ****)

* \$2 each tonne of ore from the Sulphur Springs Tenements processed to produce zinc concentrate up to \$3.7M

** Panorama royalty, 40% holder of a uncapped royalty equivalent to \$2 per dry metric tonne of all ore mined and processed

*** 1.75% Gross Royalty on all gold production from the Tenements, excluding the first 250,000 ounces of gold produced, and the Merlin Tenements; 0.75% Gross Royalty on all gold production from the Merlin tenements, excluding the first 250,000 ounces of gold produced

**** 1.0% of the Net Smelter Return
