

Market Announcement

11 February 2019

Orinoco Gold Limited (ASX: OGX) – ASX Operational Error

Description

ASX wishes to advise the market of an ASX operational error on 11th February at 9:48am. A Trading Halt request made by the company was not executed in the correct manner, which resulted in trading occurring in the securities at market open. ASX took steps to cancel the trades and contacted the affected parties.

Orinoco Gold Limited remain in Trading Halt pending the release of an announcement. Unless ASX decides otherwise, the securities will resume at the earlier of the commencement of normal trading on Wednesday, 13 February 2019 or when an announcement is released to the market.
