15 February 2019

Dear Directors

### Auditor's Independence Declaration to Imdex Limited

In accordance with section 307C of the Corporations Act 2001, I am pleased to provide the following declaration of independence to the directors of Imdex Limited.

As lead audit partner for the review of the financial statements of Imdex Limited for the half year ended 31 December 2018, I declare that to the best of my knowledge and belief, there have been no contraventions of:

- (i) the auditor independence requirements of the Corporations Act 2001 in relation to the review; and
- (ii) any applicable code of professional conduct in relation to the review.

Yours sincerely

elaithe Touche Tohmatsu

### Independent Auditor's Review Report to the members of Imdex Limited

We have reviewed the accompanying half-year financial report of Imdex Limited, which comprises the condensed statement of financial position as at 31 December 2018 and the condensed statement of profit or loss and other comprehensive income, the condensed statement of cash flows and the condensed statement of changes in equity for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the director's declaration of the consolidated entity comprising the company and the entities it controlled at the end of the half-year or from time to time during the half-year.

### Directors' Responsibility for the Half-Year Financial Report

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Corporations Act 2001 and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the consolidated entity's financial position as at 31 December 2018 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of Imdex Limited ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### Auditor's Independence Declaration

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of Imdex Limited, would be in the same terms if given to the directors as at the time of this auditor's review report.

# Deloitte.

#### Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Imdex Limited is not in accordance with the *Corporations Act 2001*, including:

- (a) giving a true and fair view of the consolidated entity's financial position as at 31 December 2018 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

### IMDEX LIMITED and its controlled entities NOTES TO THE FINANCIAL REPORT

### 1. Summary of Significant Accounting Policies

### Statement of Compliance

The half year report is a general purpose financial report prepared in accordance with the Corporations Act 2001 and AASB 134 "Interim Financial Reporting". Compliance with AASB 134 ensures compliance with International Financial Reporting Standard IAS 34 "Interim Financial Reporting". The half year financial report does not include notes of the type normally included in an annual financial report and should be read in conjunction with the most recent annual financial report.

### **Basis of Preparation**

The half year condensed consolidated financial statements have been prepared using the same accounting policies as used in the annual financial statements for the year ended 30 June 2018, except for the change in accounting requirements set out below.

### New and revised Accounting Standards adopted from 1 July 2018

The Group has adopted all new and revised Standards and Interpretations issued by the Australian Accounting Standards Board (AASB) that are relevant to the Group and effective for annual reporting periods beginning on or after 1 July 2018. New and revised Standards and amendments thereof and Interpretations effective for the current year that are relevant to the Group include:

- AASB 9 Financial Instruments and related amending Standards; and
- AASB 15 *Revenue from Contracts with Customers* and related amending Standards.

The new standards have not had a significant impact on the measurement or disclosure requirements of the Group.

### **AASB 9: Financial Instruments**

The Group classifies its financial assets into the following categories: those to be measured subsequently at fair value (either through other comprehensive income ('FVOCI') or through the income statement ('FVTPL') and those to be held at amortised cost. The classification depends on the Group's business model for managing its financial assets and the contractual terms of the cash flows. As part of the implementation of AASB 9, management have considered the categorisation of financial assets and no reclassification between categories were deemed necessary.

All of the Group's financial assets are held to collect contractual cash flows and are therefore held at amortised cost. The Group currently does not hold any financial assets classified as FVOCI or FVTPL.

Borrowings and other financial liabilities (including trade payables) are recognised initially at fair value, net of transaction cost incurred, and are subsequently measured at amortised cost.

The Group applies the AASB 9 simplified approach to measure expected credit losses on its trade receivable portfolio, which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Expected Credit Loss ('ECL') model reviews include assumptions about the risk of default and expected loss rates.

The Group has elected to apply the limited exemption in AASB 9 relating to the classification, measurement and impairment requirements for financial assets and accordingly has not restated comparative periods.

### 1. Summary of Significant Accounting Policies (continued)

### AASB 15: Revenue from Contracts with Customers

The Group typically satisfies the obligation to provide drilling fluids and equipment at a point in time upon shipment or delivery when control is transferred to customers. The Group typically satisfies the obligation to provide rental products and services over time when (or as) the Group satisfies performance obligations by transferring the promised services to its customers. Revenue from contracts with customers is recognised at that point in time at an amount that reflects the consideration to which the Group expects to be entitled in exchange for those goods or services. Revenue is recognised net of allowances for returns and customer claims and any taxes collected from customers, which are subsequently remitted to government authorities. Contract assets and contract liabilities are not material to the Group's financial position.

Determining whether products and services are considered distinct performance obligations that should be accounted for separately versus together may require significant judgement. The Group provides products and services to its customers based on contracts that may contain several elements but for the vast majority of contracts, these elements represent only one single performance obligation for which revenue is recognised at the point in time when the customer obtains control over the products and services.

The Group may be entitled to variable consideration in several forms which are determined through its agreements with customers. The Group can offer prompt payment discounts, sales rebates or other incentive payments to customers. Sales rebates and other incentive payments are typically awarded upon achievement of certain performance metrics, including volume. The Group utilises forecasted sales data and rebate percentages specific to each customer agreement and updates its judgement of the amount to which the customer is entitled each period.

The Group has adopted the modified transition approach when implementing AASB 15 and has therefore not restated comparatives.

### Critical Accounting Judgements and Key Sources of Estimation Uncertainty

In the application of the Group's accounting policies, management is required to make judgements, estimates and assumptions about carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstance, the results of which form the basis of making the judgements. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

### 4. Segment Information

The sole focus of the Group is now on the minerals business as a result of the divestment of the Oil & Gas business during 2017. As a result, the primary means by which the Board and Management view the business and make key decisions is based on geographical lines. The Segment Information has been amended to align to this reporting structure.

The Group comprises the following reportable segments which are based on the Group's internal management reporting system:

- (i) AM Americas: This geographical segment covers North American and South American countries;
- (ii) APAC AsiaPac: This geographical segment covers Australia, Asian and Pacific Ocean countries; and
- (iii) EMEA Europe & Middle East/Africa: This geographical segment covers European, Middle Eastern and African countries.

(i) AsiaPac Segment Result includes product development costs for the Group.

### 4. Segment Information (continued)

 (ii) Central administration costs comprise net financing costs for the Group and the corporate portion of head office costs. Head office costs attributable to operations are allocated to reportable segments in proportion to the revenues earned from those segments.

Segment profit represents the profit earned by each segment without the allocation of the corporate portion of head office central administration costs, directors' salaries, net finance costs and income tax expense. This is the measure reported to the chief operating decision maker for the purposes of resource allocation and assessment of segment performance.

### 5. Contingent Liabilities and Contingent Assets

The Group is party to legal proceedings and claims which arise in the normal course of business. Any liabilities may be mitigated by legal defences, insurance, and third party indemnities. Unless recognised as a provision, management do not consider it to be probable that they will require settlement at the Group's expense.

As disclosed to the market previously, Australian Mud Company Pty Limited (AMC), Reflex Instruments Asia Pacific Pty Limited (REFLEX) and Imdex remain entitled to payment of legal costs by Coretell Pty Limited (Coretell) and also Globaltech Corporation Pty Ltd and Globaltech Pty Ltd (Globaltech). AMC and Imdex have taken steps to enforce payment of its costs and are creditors in the liquidation of Coretell. With respect to Globaltech, AMC and REFLEX are in the process of taking steps to recover costs.

### 6. Subsequent Events

As disclosed to the market on 12 February 2019, IMDEX agreed to enter the Secondary Option Period (March 2019 – December 2019) by payment of NZ\$3 million in IMDEX shares<sup>[i]</sup> to progress the COREVIBE<sup>™</sup> & MAGHAMMER<sup>™</sup> technologies towards commercialisation. The consideration for the Secondary Option Period was varied from NZ\$5.0 million (50% cash / 50% IMD shares) with the NZ\$2.0 million balance being applied to the additional investment required in product development. There are no other variations to the <u>Original Option Agreement</u> or <u>Extended Option Agreement</u>, as announced on 18 January 2018 and 14 September 2018 respectively.

Other than the Flexidrill Option Extension, there are no other matters or circumstances that have arisen since the end of the half-year which will significantly affect, or may significantly affect the state of affairs or operations of the reporting entity in future financial periods.
