How to vote

Shareholders can vote by either:

- attending the Meeting and voting in person or by attorney or, in the case of corporate Shareholders, by appointing a corporate representative to attend and vote; or
- appointing a proxy to attend and vote on their behalf using the Proxy Form accompanying this Notice of Meeting and by submitting their proxy appointment and voting instructions in person, by post, email or by facsimile.

Voting in person (or by attorney)

Shareholders, or their attorneys, who plan to attend the Meeting are asked to arrive at the venue 15 minutes prior to the time designated for the Meeting, if possible, so that their holding may be checked against the Company's share register and their attendance recorded. To be effective a certified copy of the power of attorney, or the properly executed original power of attorney, under which an attorney has been authorised to attend and vote at the meeting, must be received by the Company in the same manner, and by the same time as outlined for proxy forms below. If facsimile or email transmission is used the power of attorney must be certified.

Voting by a Corporation

A Shareholder that is a corporation may appoint an individual to act as its representative and vote in person at the Meeting. The appointment must comply with the requirements of section 250D of the Corporations Act. The representative should bring to the Meeting evidence of his or her appointment, including any authority under which it is signed.

Voting by proxy

- A Shareholder entitled to attend and vote is entitled to appoint a proxy. A Shareholder who is entitled to cast two or more votes at the Meeting may appoint two proxies. Each proxy will have the right to vote on a poll and also to speak at the Meeting.
- The appointment of the proxy may specify the proportion or the number of votes that the proxy may exercise. Where more than one proxy is appointed and the appointment does not specify the proportion or number of the Shareholder's votes each proxy may exercise, the votes will be divided equally among the proxies (i.e. where there are two proxies, each proxy may exercise half of the votes).
- A proxy need not be a Shareholder.
- The proxy can be either an individual or a body corporate.
- If a proxy is not directed how to vote on an item of business, the proxy may generally vote, or abstain from voting, as they think fit.
- Should any resolution, other than those specified in this Notice, be proposed at the Meeting, a proxy may vote on that resolution as they think fit.
- If a proxy is instructed to abstain from voting on an item of business, they are directed not to vote on the Shareholder's behalf on the poll and the Shares that are the subject of the proxy

appointment will not be counted in calculating the required majority.

- Shareholders who return their Proxy Forms with a direction how to vote, but who do not nominate the identity of their proxy, will be taken to have appointed the Chair of the Meeting as their proxy to vote on their behalf. If a Proxy Form is returned but the nominated proxy does not attend the Meeting, the Chair of the Meeting will act in place of the nominated proxy and vote in accordance with any instructions. Proxy appointments in favour of the Chair of the Meeting, the secretary or any Director that do not contain a direction how to vote will be used, where possible, to support each of the Resolutions proposed in this Notice, provided they are entitled to cast votes as a proxy under the voting exclusion rules which apply to some of the proposed Resolutions.
- To be effective, proxies must be received by 10:00am (AWST time) on 27 March 2019. Proxies received after this time will be invalid.

EXPLANATORY MEMORANDUM

This Explanatory Memorandum is intended to provide Shareholders with sufficient information to assess the merits of the Resolutions contained in the accompanying Notice of General Meeting of the Company.

Certain abbreviations and other defined terms are used throughout this Explanatory Memorandum. Defined terms are generally identifiable by the use of an upper case first letter. Details of the definitions and abbreviations are set out in the Glossary to the Explanatory Memorandum.

RESOLUTION 1 – RATIFICATION OF ISSUES OF SHARES TO PROFESSIONAL AND SOPHISTICATED INVESTORS

Listing Rule 7.4 permits the ratification of previous issues of securities made without prior Shareholder approval, provided the issue did not breach the 15% threshold set by Listing Rule 7.1. The effect of the ratification is to restore the Company's maximum discretionary power to issue further Shares up to 15% of the issued capital of the Company without requiring Shareholder approval.

Resolution 1 seeks ratification under Listing Rule 7.4 of the issue of 3,333,332 Shares on 22 January 2019 in order to restore the ability of the Company to issue further Shares within the 15% limit during the next 12 months.

The following information in relation to the Shares is provided to Shareholders for the purposes of Listing Rule 7.5:

- (a) 3,333,332 Shares were issued;
- (b) the Shares were issued at an issue price of A\$0.15 each;
- (c) the Shares issued were fully paid ordinary Shares in the capital of the Company and rank equally in all respects with the existing fully paid ordinary Shares on issue;
- (d) the Shares were issued to professional and sophisticated investors, all of whom are unrelated parties of the Company; and
- (e) funds raised from the issue are being used for exploration at the DeGrussa North Copper Project, Bell Chambers Gold Project and general working capital purposes.

RESOLUTION 2 – POTENTIAL ISSUE OF SHARES TO VENDORS

On 28 May 2018, the Company announced that it had entered into an option agreement to purchase all of the issued shares in Oz Youanmi Gold Pty Ltd (**OYZ**) from its shareholders (**the Vendors**) (**Option Agreement**). OYZ is a special purpose vehicle that owns mining leases (**OYZ Tenements**) which are surrounded by tenements owned by the Company and on which the Company is exploring for gold. Other assets of OYZ are the infrastructure representing the Youanmi Gold Mine and workers' village, plant and equipment, and related mining information.

The option may be exercised on or before 30 June 2019.

As announced on 31 December 2018, the Company completed its due diligence and evaluation of the Youanmi Gold Mine and was assessing several different strategies / proposals for the potential settlement of the transaction by 30 June 2019.

The Company previously obtained approval to issue Shares to the Vendors in July 2018. That approval expired on 31 December 2018. As a result the Company is seeking fresh Shareholder

approval to issue the Shares to the Vendors, should the Company elect to exercise the option. As consideration for exercise of the option, the Company must pay \$5,000,000 to the Vendors by way of cash or by way of cash and Shares. If the Company chooses to pay by way of cash and Shares, the Company will pay approximately \$1,800,000 in cash (being \$2,000,000 less: (i) an option fee of \$100,000; and (ii) any amounts paid by the Company in relation to the reimbursement of rent paid in respect of the OYZ Tenements up to an aggregate amount of \$100,000) and \$3,000,000 in Shares.

The Company emphasises that no final decision has yet been reached that the option will be exercised. The Company further emphasises that no final decision has yet been reached that, even if the option were exercised, the Company will issue Shares as consideration. Accordingly, Resolution 2 seeks Shareholder approval in the event that:

- (a) on or before 30 June 2019, the Company chooses to exercise the option; and
- (b) the Company decides to pay the Vendors by way of cash and Shares as described above and does not decide to pay the Vendors by way of cash only.

Resolution 2 seeks Shareholder approval for the purpose of Listing Rule 7.1 and for all other purposes for the issue of up to \$3,000,000 in Shares, being from 15,000,000 Shares up to a maximum of 20,000,000 Shares, at an issue price of not less than \$0.15 per Share and not more than \$0.20 per Share. If the volume weighted average market price of the closing sale price of the Company's Shares on the ASX on the ten days on which sales of the Shares are recorded immediately preceding the date of issue is between \$0.15 and \$0.20, then the Shares will be issued at that price.

The table below summarises the effect of the issue of Shares under the Option Agreement (on an undiluted basis) on the capital structure of the Company in 3 scenarios:

Shares	Scenario 1	Scenario 2	Scenario 3
Shares currently on issue	90,514,691	90,514,691	90,514,691
Shares to be issued under the Option Agreement	20,000,000 at an issue price of \$0.15 per Share	17,142,857 at an issue price of \$0.175 per Share	15,000,000 at an issue price of \$0.20 per Share
Dilution	18.10%	15.92%	14.22%
Total Shares upon completion	110,514,691	107,657,548	105,514,691

Shareholders should note that:

- (a) the Company has not yet decided whether to exercise the option under the Option Agreement;
- (b) the Company has not yet decided whether, if it were to exercise the option under the Option Agreement, it will issue Shares as consideration for exercising the option, or whether consideration will be by way of cash only;
- (c) any changes to the capital structure of the Company pursuant to the Option Agreement will only occur if the Company chooses to issue Shares as consideration for exercising the option;
- (d) the effect of the issue of Shares on the capital structure of the Company summarised above does not take into account any Shares issued to raise funds for the cash component of the consideration for exercising the option, should the Company choose to exercise the option;
- (e) if Shares are to be issued under this Shareholder approval, they will be issued on a date no

later than three months after the date of the Meeting; and

- (f) in the event that the Shares issued would give the Vendors a combined voting power of 20% or more, the Company will not issue the Shares without complying with the requirements of Chapter 6 of the Corporations Act.

There will be no changes to the number of Options on issue.

As noted above, Listing Rule 7.1 requires Shareholder approval for the proposed issue of securities in the Company. Listing Rule 7.1 broadly provides, subject to certain exceptions, that Shareholder approval is required for any issue of securities by a listed company, where the securities proposed to be issued represent more than 15% of the Company's securities then on issue.

The following information in relation to the Shares to be issued is provided to Shareholders for the purposes of Listing Rule 7.3:

- (a) the maximum number of Shares that can be issued is 20,000,000;
- (b) the Company will issue the Shares no later than three months after the date of the Meeting;
- (c) the \$3,000,000 in Shares will be issued at a price not less than \$0.15 per Share and not more than \$0.20 per Share, and if the volume weighted average market price of the closing sale price of Shares on the ASX, calculated over the last ten days on which sales are recorded immediately preceding the date of issue is between \$0.15 and \$0.20, then the Shares will be issued at that price;
- (d) the Shares will be issued to the Vendors;
- (e) the Shares will be fully paid ordinary Shares in the capital of the Company and rank equally in all respects with the existing fully paid ordinary Shares on issue;
- (f) no funds will be raised by the issue; and
- (g) the Shares will be issued on one date.
