## **BUBS AUSTRALIA CLARIFIES TERM AND TERMINATION OF SUPPLY AGREEMENT WITH TATURA**

**Sydney 4 March 2019:** Bubs Australia Limited (**ASX: BUB**) clarifies that it has entered into a Supply Agreement with Tatura Milk Industries Limited (**Tatura**) to convert fresh goat milk directly from farm gate into Infant Formula nutritional base in one step for an initial term of 3 years, commencing from 1 January 2019. The parties can agree to extend the term by 2 years and there is an optional rollover of the supply agreement for a further 3 years.

Either party may terminate the Agreement if they have committed a breach of the Agreement, if performance of the Agreement is prevented by a Force Majeure, or if an Insolvency Event occurs. Tatura may terminate the Agreement if Bubs fails to meet its payment obligations or if there is a change of control of Bubs. Insolvency Event and Control have the same meaning as in the Corporations Act.
