**BIRIMIAN RECEIVES SIGNED ENVIRONMENTAL PERMIT FOR THE
GOULAMINA LITHIUM PROJECT**

Birimian Limited (ASX:BGS, “Birimian” or “the Company”) is pleased to announce that it has received the signed Environmental Permit from the Minister for the Environment of Mali for the Goulamina Lithium Project (“the Project”).

The permit includes standard conditions to ensure the Company continues to maintain high levels of environmental awareness as we advance the project.

Birimian now looks forward to advancing the Goulamina Lithium Project to achieve the milestones required for the next stages of development.

Managing Director Chris Evans said “This is a significant milestone for the Goulamina Lithium Project and is the culmination of a great deal of hard work on the part of the project team. We are now a large step closer to becoming the first lithium mine in Mali.”
