

## NEW WEBSITE AND VIDEO PRESENTATION

Talon Petroleum Limited (ASX:TPD) ("Talon" or "Company") is pleased to advise that a video presentation featuring Talon's Managing Director, Matt Worner and incoming Non-Executive Director, Graham Dorè is now available on the Company's website [www.talonpetroleum.com.au](http://www.talonpetroleum.com.au)

The video provides an overview of Talon's UK North Sea strategy and plans for growth in the area, as well as discussing the Company's portfolio of three high-impact exploration and appraisal opportunities at Rocket, Skymoos and Curlew-A.

*Talon's Managing Director, Matt Worner said "UK North Sea investment continues to expand, timed alongside Talon's entry to this prolific oil and gas province. We continue to progress work for the farm-out of both the Rocket and Skymoos prospects and planning is continuing for the drilling of an appraisal well at Curlew-A later this year. Talon is also actively positioning itself for new project acquisitions through current and upcoming licensing rounds."*
