**VALMEC' S INFRASTRUCURE DIVISON CONTINUES TO BUILD ORDER BOOK WITH ADDITIONAL \$15M OF NEW CONTRACTS**

---

Valmec Limited (ASX: VMX) is pleased to announce its Infrastructure and Service divisions have secured new contracts with long-term repeat clients, with a combined value of approximately \$15 million.

The new contracts include:

- Infrastructure services works for Water Corporation on their Perth Metro Main Renewals Program in Western Australia; and
- Infrastructure construction works for CBH Group at their Wickepin Site Upgrade Project in Western Australia.

The Service division has secured a contract for Compression equipment overhaul and maintenance services for Lochard Energy in Victoria.

Works on these new contracts, are expected to commence immediately.

The Group's Order-Book remains strong with a number of larger upstream energy and infrastructure projects expected to be committed.
