BY ORDER OF THE BOARD

Company Secretary
Dated: 16 April 2019

EXPLANATORY MEMORANDUM

This Explanatory Memorandum has been prepared for the information of Shareholders in connection with the business to be conducted at the annual general meeting to be held at 4.30pm (WST) on Monday, 20 May 2019 at Level 2, Australia Place, 15-17 William Street, Perth, Western Australia.

The purpose of this Explanatory Memorandum is to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

Annual Report

In accordance with section 317 of the Corporations Act, Shareholders will be offered the opportunity to discuss the Annual Report, including the Financial Report, Directors' Report and Auditor's Report for the six month period ended 31 December 2018. A copy of the Annual Report can be obtained on the Company's website at www.rml.com.au or by contacting the Company on telephone number: +61 8 9261 6100.

No resolution is required for this item. Shareholders will be offered the following opportunities:

- (a) to discuss the Annual Report;
- (b) to ask questions or make comment on the management of the Company; and
- (c) to ask the Company's auditor questions about the conduct of the audit and the preparation and content of the Auditor's Report.

In addition to taking questions at the Meeting, written questions to the Chairman about the management of the Company, or to the Company's auditor about:

- (a) the preparation and content of the Auditor's Report;
- (b) the conduct of the audit;
- (c) accounting policies adopted by the Company in relation to the preparation of the financial statements; and
- (d) the independence of the Company's auditor in relation to the conduct of the audit,

may be submitted no later than five business days before the Meeting to the Company Secretary at the Company's registered office.

Resolution 1 – Adoption of Remuneration Report

Consistent with section 250R(2) of the Corporations Act, the Company presents its Remuneration Report for the six month period ended 31 December 2018 to Shareholders for consideration and adoption, by way of an ordinary resolution.

The Remuneration Report is set out in the Company's 2018 (six months ended 31 December 2018) Financial Report on pages 11 to 24. The 2018 (six months ended 31 December 2018) Financial Report is available on the Company's website at www.rml.com.au. The Remuneration Report contains:

- (a) information about the Board's policy for determining the nature and amount of remuneration of Directors and senior executives of the Company;
- (b) details of the remuneration of, and equity held by, Directors and senior executives of the Company; and
- (c) a summary of the terms of any contract under which any Director or senior executive is engaged, including the period of notice required to terminate the contract and any termination payments provided for under the contract.

The Board continues to focus on refining and improving the Company's remuneration framework to best support the current strategic direction of the business and to determine how remuneration can best support the future needs of the Company.

A reasonable opportunity will be given to Shareholders at the meeting to ask questions about, or make comments on, the Remuneration Report.

The Corporations Act provides that Shareholders will have the opportunity to remove the whole Board (except the managing director) if the Remuneration Report receives a 'no' vote of 25% or more (**Strike**) at two consecutive annual general meetings.

Where a resolution on the Remuneration Report receives a Strike at two consecutive annual general meetings, the Company will be required to put to Shareholders at the second annual general meeting a resolution on whether another meeting should be held (within 90 days) at which all Directors (other than the managing director) who were in office at the date of approval of the applicable Directors' Report must stand for re-election.

The Company's Remuneration Report did not receive a Strike at the last annual general meeting. If the Remuneration Report receives a Strike at this Meeting, Shareholders should be aware that if a second Strike is received at next year's annual general meeting, this may result in the Board (other than the Managing Director) standing for re-election.

Chairman's intentions

Resolution 1 is an ordinary resolution. The Chairman intends to exercise all available proxies in favour of Resolution 1.

If the Chairman is appointed as your proxy and you have not specified the way the Chairman is to vote on Resolution 1, by signing and returning the Proxy Form, you are considered to have provided the Chairman with an express authorisation for the Chairman to vote the proxy in accordance with the Chairman's intention, even though Resolution 1 is connected directly or indirectly with the remuneration of a member of the Key Management Personnel.

Resolution 2 – Re-election of Mr Martin Botha as Director

Resolution 2 is an ordinary resolution.

Article 3.6 of the Constitution requires one third of all Directors, or if their number is not a multiple of three, then the number nearest one-third to retire at each annual general meeting. The Director(s) to retire under article 3.6 of the Constitution are those who have held office the longest since last being elected or appointed. Mr Botha was last re-elected as a Director on 29 November 2016 and has held office longest since last being elected or appointed.

Article 3.5(a) of the Constitution states that a Director who retires under article 3.6 is eligible for re-election.

Resolution 2 provides that Mr Botha retires by rotation and seeks re-election as a Director.

A brief resume of Mr Botha together with details of any other directorships held by Mr Botha and his length of service as a Director are contained in the Annual Report.

As at 19 March 2019, being the last practical date prior to finalisation of this Notice, the Board considers that Mr Botha is an independent Director.

The Chairman intends to exercise all available proxies in favour of Resolution 2.

Directors' recommendation

The Directors (excluding Mr Botha) recommend that Shareholders vote in favour of Resolution 2.

Resolution 3 – Re-election of Ms Yasmin Broughton as Director

Resolution 3 is an ordinary resolution.

Article 3.6 of the Constitution requires one third of all Directors, or if their number is not a multiple of three, then the number nearest one-third to retire at each annual general meeting. The Director(s) to retire under article 3.6 of the Constitution are those who have held office the longest since last being elected or appointed. Ms Yasmin Broughton and Mr Mark Potts were last re-elected as Directors on 28 November 2017 and have held office longest since last being elected or appointed. Ms Broughton has agreed to retire by rotation.

Article 3.5(a) of the Constitution states that a Director who retires under article 3.6 is eligible for re-election.

Resolution 3 provides that Ms Broughton retires by rotation and seeks re-election as a Director.

A brief resume of Ms Broughton together with details of any other directorships held by Ms Broughton and her length of service as a Director are contained in the Annual Report.

As at 19 March 2019, being the last practical date prior to finalisation of this Notice, the Board considers that Ms Broughton is an independent Director.

The Chairman intends to exercise all available proxies in favour of Resolution 3.

Directors' recommendation

The Directors (excluding Ms Broughton) recommend that Shareholders vote in favour of Resolution 3.

Resolution 4 – Approval of annual grant of Performance Rights to Mr John Welborn

Background

Resolution 4 is an ordinary resolution.

Resolution 4 seeks Shareholder approval for the issue of 698,690 Performance Rights to Mr John Welborn (and/or his nominee) under the 2017 Performance Rights Plan in accordance with the terms and conditions described in this Explanatory Memorandum.

The LTI forms a key component of Mr Welborn's total remuneration. A significant portion of his total remuneration is placed at-risk to better align his interests with those of Shareholders, to encourage the production of long-term sustainable growth and to assist with his retention.

Quantum

The quantum issued for the FY19 LTI grant covering the three year period ending 31 December 2021 has been determined with reference to current market practice (as at 31 December 2018). For FY19 (ending 31 December 2019), the dollar value of the LTI grant to Mr Welborn is equivalent to 100% of his fixed remuneration for the year ending 31 December 2019 which equals \$800,000.

Under the accounting standard AASB 2 Share based Payments, the Company will recognise an expense in the income statement based on the fair value of the Performance Rights over the period from the grant date to the vesting date. The total of the fair value of the Performance Rights on the grant date of 1 January 2019 subject to Shareholder approval is approximately \$558,952. If Shareholder approval is obtained, this valuation will be finalised based on the actual issue date of Mr Welborn's performance rights.

Allocation methodology

The number of Performance Rights granted has been calculated by reference to the LTI quantum (ie. \$800,000), which is divided by the face value (**FV**) of one Performance Right (equal to the Volume Weighted Average Price of a Resolute Share for the 10 days leading up to the grant date of 1 January 2019 which quantified the FV as \$1.145) as follows:

$$\frac{\text{LTI quantum (\$)}}{\text{FV of one Performance Right}} = \text{Number of Performance Rights granted}$$

Performance period

Performance is tested over a period of three years to ensure that sustainable Shareholder growth has been created.

Notwithstanding that a particular tranche may have passed the relative TSR and/or reserve growth hurdles, none of the relevant tranche of Performance Rights will vest unless Mr Welborn remains employed with the Company for the full three year period. It is only if the relevant performance hurdle is passed and the three year service condition is met that the relevant tranche of Performance Rights will vest and can be exercised and Shares awarded. If Mr Welborn ceases employment before the three year service condition is passed then he will forfeit his relevant tranche of Performance Rights, unless otherwise determined by the Board in its sole and absolute discretion.

Vesting conditions and performance hurdles

Performance Rights are allocated to participants, with vesting subject to meeting performance hurdles (measured over the performance period) and remaining employed with the Company.

Performance hurdle	Description	Weighting
Relative Total Shareholder Return (TSR)	<ul style="list-style-type: none"> • TSR is calculated by taking into account the growth in a company's Share price over the performance period (i.e. three years) as well as the dividends received during that period. • Resolute's TSR will be ranked against a peer group of companies (refer below for the current peer group). To measure performance and to determine the vesting outcome: <ul style="list-style-type: none"> • TSR of the companies in the peer group is calculated; • a percentile analysis is done to determine the percentile performance of the group in terms of median to 75th percentile performance; 	75%

Performance hurdle	Description	Weighting
	<ul style="list-style-type: none"> Resolute's TSR is calculated to determine what percentile in the peer group it relates to; and this percentile determines how many Performance Rights will vest. 	
Reserves	<ul style="list-style-type: none"> The Reserves Growth performance measures the change in Resolute's Reserves at the end of the performance period as compared to the commencement of the performance period, net of mining depletion. Resolute's overall change as at the end of the performance period will determine how many Performance Rights will vest. 	25%

For the FY19 LTI grant, relative TSR performance will be assessed against the performance of a custom peer group of the following 16 ASX or TSX listed gold production companies of a similar size to Resolute as follows:

- | | |
|----------------------------|-----------------------------|
| • Northern Star Resources | • Evolution Mining Ltd |
| • Endeavour Mining | • Centamin Plc |
| • Regis Resources | • St Barbara Ltd |
| • Saracen Mining Ltd | • Acacia Mining Ltd |
| • Semafo Inc | • Gold Road Resources Ltd |
| • Dacian Gold Limited | • Golden Star Resources Ltd |
| • Teranga Gold Corporation | • Perseus Mining Ltd |
| • Roxgold Inc. | • Ramelius Resources Ltd |

The vesting schedule for the portion of the LTI linked to the relative TSR performance is as follows:

Relative TSR performance	Performance Vesting Outcomes
Less than 60 th percentile	0% vesting
At the 60 th percentile	50% vesting
Between 60 th and 75 th percentile	Between 50% and 100% vesting, calculated on a linear basis.
At or above 75 th percentile	100% vesting

The vesting schedule for the portion of the LTI linked to the reserves growth performance is as follows:

Reserves Growth performance	Performance Vesting Outcomes
Reserves depleted	0% vesting
Reserves maintained	50% vesting
Reserves grown by up to 15%	Between 50% and 100% vesting, calculated on a linear basis.
Reserves grown by 15% or more	100% vesting

None of the relevant tranche of Performance Rights will vest unless Resolute's Reserves are maintained or grown as at the end of the relevant performance period.

There will be no retesting of performance. Any Performance Rights that fail to become exercisable due to a failure to satisfy the vesting conditions will lapse and be forfeited.

Chapter 2D of Corporations Act

In accordance with section 200B of the Corporations Act, subject to certain exceptions, the Company must not give a benefit in connection with a person's retirement from an office unless it obtains Shareholder approval.

The Performance Rights may, subject to the Board's discretion, vest upon termination of Mr Welborn's employment. The Board has formed the view should this occur, the affected Performance Rights may constitute a benefit in connection with Mr Welborn's retirement from office under section 200B.

Section 200B applies where the benefit is given to a person whose details were included in the Directors' Report for the previous financial year. Mr Welborn's details were included in the Directors' Report of the Company for the six month period ending on 31 December 2018. The Company is therefore seeking Shareholder approval under section 200E in connection with potential vesting of the Performance Rights being granted to Mr Welborn.

The value of the termination benefits connected to the Performance Rights cannot presently be ascertained but matters, events and circumstances that will, or likely to, affect the calculation of that value include:

- (a) the number of Performance Rights that vest;
- (b) the market price of Shares on ASX on the last ASX trading day before the date of calculation; and
- (c) the status of the vesting conditions attaching to the Performance Rights at the time Mr Welborn's employment ceases.

Chapter 2E of Corporations Act

In accordance with section 208 of the Corporations Act, to give a financial benefit to a related party, the Company must obtain Shareholder approval unless the giving of the financial benefit falls within an exception in sections 210 to 216 of the Corporations Act.

Mr Welborn, as a Director, is a related party of the Company.

The Board (excluding Mr Welborn) has formed the view that Shareholder approval under section 208 of the Corporations Act is not required for the proposed grant of Performance Rights as the grant constitutes reasonable remuneration for the purposes of section 211 of the Corporations Act.

Listing Rule 10.14

In accordance with Listing Rule 10.14, the Company must not issue or agree to issue equity securities to a Director unless it first obtains Shareholder approval.

As Shareholder approval is sought under Listing Rule 10.14, approval under Listing Rule 7.1 is not required.

Specific information required by Listing Rule 10.15 is provided as follows:

- (a) The Performance Rights will be granted to Mr Welborn (Chief Executive Officer and Managing Director) (and/or his nominee).
- (b) Subject to Shareholder approval being obtained, the number of Performance Rights to be granted to Mr Welborn has been determined by the allocation methodology formula outlined above (being 698,690 Performance Rights).
- (c) The Performance Rights will be granted within one month of the date of the Meeting.

- (d) Since the 2017 Performance Rights Plan was approved by Shareholders, Mr John Welborn, being the only person referred to in Listing Rule 10.14 who received securities under the 2017 Performance Rights Plan, received 865,059 Performance Rights at no acquisition price (of which none have lapsed or expired).
- (e) As at 19 March 2019, being the last practical date prior to finalisation of this Notice, Mr Welborn is the only person declared by the Board to be eligible to be granted Performance Rights under the 2017 Performance Rights Plan that is covered by Listing Rule 10.14 (i.e. a Director, an associate of the Director, or a person whose relationship with the Company, Director or associate of the Director is, in ASX's opinion, such that approval should be obtained).
- (f) No consideration is payable by Mr Welborn at the time of grant of the Performance Rights or upon the allocation of Shares to which Mr Welborn may become entitled to on the vesting of some or all of the Performance Rights. The grant of Performance Rights has vesting conditions attached to it as set out above.
- (g) A voting exclusion statement for this Resolution is included in the Notice.
- (h) There will be no funds raised by the Company as a result of the grant of the Performance Rights to Mr Welborn or upon the allocation of Shares to which Mr Welborn may become entitled to on the vesting of some or all of the Performance Rights.
- (i) No loan will be provided by the Company to Mr Welborn in relation to the grant of the Performance Rights.

Listing Rule 10.19

Listing Rule 10.19 provides that, without the approval of ordinary Shareholders, an entity must ensure that no Officer of the entity or any of its child entities will be, or may be, entitled to termination benefits if the value of those benefits and the termination benefits that are or may become payable to all Officers together exceed 5% of the equity interests of the entity as set out in the latest accounts given to ASX under the Listing Rules.

The Company is also seeking Shareholder approval for the purposes of Listing Rule 10.19 as the Performance Rights may, subject to the Board's discretion, vest upon termination of Mr Welborn's employment. The value of the termination benefit payable to Mr Welborn depends on a number of factors, including the value of the Company's equity interests which vary over time. Accordingly, it is possible that the provision of the benefit associated with the acceleration of the vesting of Performance Rights may exceed 5% of the equity interests of the Company at the relevant time.

Chairman's intentions

The Chairman intends to exercise all available proxies in favour of Resolution 4.

If the Chairman is appointed as your proxy and you have not specified the way the Chairman is to vote on Resolution 4, by signing and returning the Proxy Form, you are considered to have provided the Chairman with an express authorisation for the Chairman to vote the proxy in accordance with the Chairman's intention, even though Resolution 4 is connected directly or indirectly with the remuneration of a member of the Key Management Personnel.

Directors' recommendation

The Directors (excluding Mr Welborn) recommend that Shareholders vote in favour of Resolution 4 to approve the grant of 698,690 Performance Rights under the 2017 Performance Rights Plan to Mr Welborn.

Resolution 5 – Approval of special issue of Performance Rights to Mr John Welborn

Background

Resolution 5 seeks Shareholder approval for a special issue of 3,000,000 Performance Rights to Mr John Welborn. Mr Welborn is the Managing Director and Chief Executive Officer (**CEO**) of the Company. The special issue is intended to reward achievement of specific strategic long term objectives of the Company (as part of a strategy to create sustainable Shareholder value accretion) and provide a retention incentive for the CEO.

The Board conducts regular comprehensive reviews of the Company's remuneration practices. In addition to the standard annual review, the Board recently engaged Egan Associates, an independent remuneration consultancy, to assist with a specific review and benchmarking exercise of the CEO's remuneration conditions and to provide advice in relation to incentive and retention. Following this review, and as part of Mr Welborn's annual performance review, the Board has proposed new arrangements designed to reward, incentivise, and retain Mr Welborn as the CEO of the Company over the next four years.

As from 1 March 2019 the CEO's annual fixed remuneration has been increased from \$705,000 to \$800,000 with STI maintained at 50% of fixed remuneration and LTI maintained at 100% of fixed remuneration. In addition, the Company has agreed, subject to Shareholders' approval, to a special issue to the CEO of 3,000,000 Performance Rights. The proposed special issue of Performance Rights is a key component of the new arrangements designed to reward, incentivise, and retain the CEO until at least June 2023.

Proposed special issue of Performance Rights

It is proposed that the Company issue to Mr Welborn 3,000,000 Performance Rights in three tranches under the terms and conditions of the 2017 Performance Rights Plan and subject to the vesting conditions outlined below.

The number of Performance Rights which vest on the relevant vesting date for each tranche will depend on the extent to which the vesting conditions have been satisfied for that tranche's Performance Period.

Vesting conditions and performance criteria

Vesting of the special issue of Performance Rights is subject to the successful achievement of specific and defined vesting conditions over specified performance periods. The special issue consists of three separate tranches of Performance Rights with each tranche having vesting conditions split equally between a performance criteria based on absolute total shareholder return over the relevant performance period, and performance criteria based on the successful delivery of Board approved strategic objectives over the relevant performance period. The number of Performance Rights which will vest on the vesting date for each tranche will depend on the extent to which the vesting conditions have been satisfied for that tranche during the relevant Performance Period. The specific terms of the absolute shareholder return performance criteria and the strategic objectives performance criteria are outlined below.

The Board will have the unfettered and absolute right to determine and confirm whether vesting conditions have been met in respect of each and all tranches.

Tranche	Vesting conditions	Performance Period	Vesting date
A – 1,000,000 Performance Rights	500,000 Performance Rights subject to the Absolute Total Shareholder Return Metric 500,000 Performance Rights subject to the Strategic Objectives Metric	1 January 2019 to 30 June 2021	30 June 2021
B – 1,000,000 Performance Rights	500,000 Performance Rights subject to the Absolute Total Shareholder Return Metric 500,000 Performance Rights subject to the Strategic Objectives Metric	1 January 2019 to 30 June 2022	30 June 2022
C – 1,000,000 Performance Rights	500,000 Performance Rights subject to the Absolute Total Shareholder Return Metric 500,000 Performance Rights subject to the Strategic Objectives Metric	1 January 2019 to 30 June 2023	30 June 2023

General terms and conditions applying to all tranches

- Vesting of all tranches are subject to Mr Welborn remaining in the employ of the Company at the relevant vesting date unless otherwise agreed by the Board.
- The Board has unfettered and absolute discretion in confirming if a particular vesting condition has been met.
- The Board will retain the unfettered and absolute discretion, on the specific recommendation of the Remuneration Committee, to approve vesting of Performance Rights where deemed appropriate.
- Performance Rights will vest on a Shareholder approved change of control transaction, subject to Mr Welborn being in the employ of the Company at the time the Shareholder decision is made.

Performance Rights in relation to each tranche may be exercised at any time after the relevant vesting conditions are deemed to have been met up until the date which is four years after the vesting date.

Absolute Total Shareholder Return Metric

The Absolute Total Shareholder Return (**ATSR**) metric (**Absolute Total Shareholder Return Metric** or **ATSR Metric**) will measure the cumulative growth in Resolute’s share price over the Performance Period. Resolute’s ATSR will be based on the percentage by which Resolute’s 30-day volume weighted average share price on the ASX (**VWAP**) at the close of trade on the relevant vesting date (plus the value of any dividends paid during the Performance Period) has increased over Resolute’s 30-day VWAP at the commencement date of the Performance Period.

Resolute Absolute Total Shareholder Return performance	% of ATSR Performance Rights vesting
10% per annum return	33%
Above 10% per annum return and below 20% per annum return	Straight-line pro-rata between 33% and 100%
Equal to or above 20% per annum return	100%

Strategic Objectives Metric

The strategic objectives metric will measure the Board's assessment of the achievement by the Company of its strategic objectives over the relevant Performance Period (**Strategic Objectives Metric**).

The achievement of strategic objectives will be determined by the Board by referencing Resolute's Strategic Plan and Life-of-Mine plans and budgets for the Syama Gold Mine, the Bibiani Gold Mine, and the Ravenswood Gold Mine. Importantly, and in addition, will be the success of new business opportunities undertaken by the Company over the relevant period that extend the Company's resource and production base.

Chapter 2D of Corporations Act

In accordance with section 200B of the Corporations Act, the Company must not give a benefit in connection with a person's retirement from an office unless it obtains Shareholder approval.

The Performance Rights may, subject to the Board's discretion, vest upon termination of Mr Welborn's employment. The Board has formed the view should this occur, the affected Performance Rights may constitute a benefit in connection with Mr Welborn's retirement from office under section 200B.

Section 200B applies where the benefit is given to a person whose details were included in the Directors' Report for the previous financial year. Mr Welborn's details were included in the 2018 Directors' Report of the Company. The Company is therefore seeking Shareholder approval under section 200B in connection with potential vesting of the Performance Rights being granted to Mr Welborn.

The value of the termination benefits connected to the Performance Rights cannot presently be ascertained but matters, events and circumstances that will, or likely to, affect the calculation of that value include:

- the number of Performance Rights that vest;
- the market price of Shares on ASX on the last ASX trading day before the date of calculation; and
- the status of the vesting conditions and performance hurdles attaching to the Performance Rights at the time Mr Welborn's employment ceases.

Chapter 2E of Corporations Act

In accordance with section 208 of the Corporations Act, to give a financial benefit to a related party, the Company must obtain Shareholder approval unless the giving of the financial benefit falls within an exception in sections 210 to 216 of the Corporations Act.

Mr Welborn as a Director is a related party of the Company.

The Board (excluding Mr Welborn) has formed the view that Shareholder approval under section 208 of the Corporations Act is not required for the proposed special grant of Performance Rights as the grant constitutes reasonable remuneration for the purposes of section 211 of the Corporations Act.

Listing Rule 10.14

In accordance with Listing Rule 10.14, the Company must not issue or agree to issue equity securities to a Director unless it first obtains Shareholder approval.

As Shareholder approval is sought under Listing Rule 10.14, approval under Listing Rule 7.1 is not required.

Specific information required by Listing Rule 10.15 is provided as follows:

- (a) The Performance Rights will be granted to Mr Welborn (Chief Executive Officer) (and/or his nominee).
- (b) Subject to Shareholder approval being obtained, the number of Performance Rights granted to Mr Welborn has been determined by the allocation methodology formula as outlined above, with 3,000,000 Performance Rights conditionally granted to Mr Welborn.
- (c) The Performance Rights will be granted within one month of the date of the Meeting.
- (d) Since the 2017 Performance Rights Plan was approved by Shareholders, Mr John Welborn, being the only person referred to in Listing Rule 10.14 who received securities under the 2017 Performance Rights Plan, received 865,059 Performance Rights at no acquisition price (of which none have lapsed or expired).
- (e) As at 19 March 2019, being the last practical date prior to finalisation of this Notice, Mr Welborn is the only person declared by the Board to be eligible to be granted Performance Rights under the 2017 Performance Rights Plan that is covered by Listing Rule 10.14 (i.e. a Director, an associate of the Director, or a person whose relationship with the Company, Director or associate of the Director is, in ASX's opinion, such that approval should be obtained).
- (f) No consideration is payable by Mr Welborn at the time of grant of the Performance Rights or upon the allocation of Shares to which Mr Welborn may become entitled to on the vesting of some or all of the Performance Rights. The grant of Performance Rights has performance hurdles attached to it as set out above.
- (g) A voting exclusion statement for this resolution is included in the Notice.
- (h) There will be no funds raised by the Company as a result of the grant of the Performance Rights to Mr Welborn or upon the allocation of Shares to which Mr Welborn may become entitled to on the vesting of some or all of the Performance Rights.
- (i) No loan will be provided by the Company to Mr Welborn in relation to the grant of the Performance Rights.

Listing Rule 10.19

Listing Rule 10.19 provides that, without the approval of ordinary Shareholders, an entity must ensure that no Officer of the entity or any of its child entities will be, or may be, entitled to termination benefits if the value of those benefits and the termination benefits that are or may become payable to all Officers together exceed 5% of the equity interests of the entity as set out in the latest accounts given to ASX under the Listing Rules.

The Company is also seeking Shareholder approval for the purposes of Listing Rule 10.19 as the Performance Rights may, subject to the Board's discretion, vest upon termination of Mr Welborn's employment. The value of the termination benefit payable to Mr Welborn depends on a number of factors, including the value of the Company's equity interests which vary over time. Accordingly, it is possible that the provision of the benefit associated with the acceleration of the vesting of Performance Rights may exceed 5% of the equity interests of the Company at the relevant time.

Chairman's intentions

Resolution 5 is an ordinary resolution.

The Chairman intends to exercise all available proxies in favour of Resolution 5.

If the Chairman of the Meeting is appointed as your proxy and you have not specified the way the Chairman is to vote on Resolution 5, by signing and returning the Proxy Form, you are considered to have provided the Chairman with an express authorisation for the Chairman to vote the proxy in accordance with the Chairman's intention, even though the Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel of the Company.

Board recommendation

The Board (excluding Mr Welborn) recommends that Shareholders vote in favour of Resolution 5 to approve the special issue of Performance Rights under the 2017 Performance Rights Plan to Mr Welborn.

Resolution 6 – Approval of Deed of Indemnity, Access and Insurance

Background

Resolution 6 is an ordinary resolution.

Ms Shugg has entered into a deed of indemnity, insurance and access with the Company (**Deed of Indemnity, Insurance and Access**).

The Company entered into a Deed of Indemnity, Insurance and Access with Ms Shugg after she became an Officer of a Group Company.

Given the duties and responsibilities of Officers and their potential liabilities, the Board considers it appropriate that each Officer be suitably protected from certain claims made against them. The proposed protection will not apply to the extent it is prohibited by the Corporations Act.

As a person may be called to account for his or her actions several years after ceasing to hold Office, it is considered reasonable that suitable protection should extend for a period of time after an Officer has ceased to hold Office.

It is generally recognised that an Officer or former Officer of a company may face considerable difficulty in properly answering or defending any claim made against him or her, particularly, as is often the case, where the claim is brought after the Officer ceases to hold Office. Difficulties may arise by reason of the following:

(a) No indemnity after cessation of Office

While a company's constitution provides Officers with an indemnity in respect of claims made while they hold Office, the indemnity arguably ceases if they cease to hold Office and does not extend to cover roles as an Officer of a body corporate associated with the company. Without the benefit of an indemnity, the cost of defending such a claim in respect of the actions of an Officer or former Officer, even if the claim is ultimately proven to be without merit, can be considerable and beyond the financial resources of the individual Officer.

(b) Maintenance of insurance policies

Officers' insurance policies generally only provide cover for claims made during the currency of the insurance policy. Generally, unless insurance premiums continue to be paid after the time an Officer ceases to hold Office, claims made after cessation of Office will not be covered by the insurance policy. The cost to a former Officer of personally maintaining insurance cover after ceasing to hold Office can be prohibitive, particularly given the number of years for which insurance must be maintained and given the former Officer is unlikely to be receiving income from the company.

(c) Access to Board papers

In accordance with section 198F of the Corporations Act, Officers have a right to inspect the books of the Company:

- (i) whilst they hold Office; and
- (ii) for seven years after ceasing to hold Office,

at all reasonable times for the purposes of a legal proceeding to which the Officer is a party, that the Officer proposes in good faith to bring or that the Officer has reason to believe will be brought against him or her.

Despite this statutory right, Officers may require access to company documents which are relevant to the Officer's Office and not strictly required for the purpose of anticipated, threatened or commenced legal proceedings. Furthermore, although a proceeding may be instituted within six years after a cause of action arises, that six year period is calculated from the date the damage is found to have occurred – this may be long after the conduct which allegedly caused the damage occurred.

Given these difficulties, a person may be unwilling to become or to remain as an Officer of a company without suitable protection being provided by the company. The benefit to such company in providing such protection is that it will continue to be able to attract persons of suitable expertise and experience to act as Officers.

Summary of the Deeds of Indemnity, Insurance and Access

The Company has entered into a Deed of Indemnity, Insurance and Access which requires:

- (a) the Company to indemnify Ms Shugg during her Office and after the cessation of that Office, in respect of certain claims made against Ms Shugg in relation to the period of her Office to the extent allowable under the Corporations Act;
- (b) the Company to use its reasonable endeavours (subject to cost and availability) to maintain an insurance policy and pay the premiums of insurance as assessed at market rates for Ms Shugg to the extent available under the Corporations Act, in respect of certain claims made against her in relation to the period of her Office (except to the extent such insurance cannot be procured at a reasonable cost or is otherwise unavailable to the Company) and to continue to pay those premiums for a period of up to seven years following the termination of her Office; and
- (c) the Company to provide Ms Shugg with access, upon ceasing to hold Office and for a period of up to seven years following that cessation, to any Group Company records which are either prepared by or provided to Ms Shugg during the Retention Period.

Summary of the indemnity and insurance provisions in the Corporations Act

In considering Resolution 6, please note the following limitations in the Corporations Act concerning the provision of indemnities and insurance to Officers. The Deeds of Indemnity, Insurance and Access for which Shareholder approval is sought under Resolution 6 comply with these limitations.

(a) Section 199A of the Corporations Act

The Corporations Act sets out specific prohibitions to the Company's ability to grant indemnities for liabilities and legal costs.

The Company is prohibited from indemnifying its Officers against a liability if it is a liability:

- (i) to the Company and any of its related bodies corporate;
- (ii) to a third party that arose out of conduct involving a lack of good faith; or

- (iii) for a pecuniary penalty order or a compensation order under the Corporations Act (such orders being made for breaches such as breaches of the Officer's duties, the related party rules and insolvent trading rules).

The Company is also prohibited from indemnifying its Officers against legal costs incurred:

- (i) in defending actions where an Officer is found liable for a matter for which he or she cannot be indemnified by the Company as set out immediately above;
- (ii) in defending criminal proceedings where the Officer is found guilty;
- (iii) in defending proceedings brought by ASIC or a liquidator for a court order if the grounds for making the order are found by the court to be established; or
- (iv) in connection with proceedings for relief to the director under the Corporations Act where the court denies the relief.

(b) Section 199B of the Corporations Act

If the Company, or a related body corporate of the Company, pays the premium on an insurance policy in favour of an Officer, section 199B of the Corporations Act requires the Company to ensure that the relevant contract of insurance does not cover liabilities incurred by the Officer arising out of conduct involving either:

- (i) a wilful breach of duty in relation to the Company; or
- (ii) contravention of the provisions relating to an Officer making improper use of information or improper use of his or her position for his or her advantage or gain, or to the detriment of the Company.

Shareholder approval

Resolution 6 seeks Shareholder approval in accordance with the following provisions of the Corporations Act:

(a) Section 200B of the Corporations Act

In accordance with section 200B of the Corporations Act, to give a benefit in connection with a person's retirement from an Office, the Company must obtain Shareholder approval in the manner set out in section 200E of the Corporations Act.

The Directors consider that as the:

- (i) proposed payment of insurance premiums;
- (ii) benefit of the indemnity in relation to liabilities incurred during the period that Ms Shugg holds Office; and
- (iii) Ms Shugg's access to Group Company records,

continue for a period of up to seven years after Ms Shugg ceases to hold Office, each may be viewed as the provision of a benefit given 'in connection with' Ms Shugg's retirement for the purposes of section 200B of the Corporations Act.

(b) Section 208 of the Corporations Act

In accordance with section 208 of the Corporations Act, to give a financial benefit to a related party, the Company must obtain Shareholder approval unless the giving of the financial benefit falls within an exception in sections 210 to 216 of the Corporations Act.

For the purposes of section 208 of the Corporations Act, Ms Shugg is considered to be related parties of the Company.

The provision of insurance and indemnity to existing and future Officers may involve the provision of a financial benefit to related parties of the Company within the prohibition in Chapter 2E of the Corporations Act. The Directors consider that the payment of insurance premiums and the provision of indemnities by the Company are 'reasonable in the circumstances' of the Company and therefore (in respect of the indemnities and payment of insurance premiums with regard to the liabilities of Officers incurred as Officers) fall within an exception to the prohibition in Chapter 2E of the Corporations Act. However, given the indemnities and payment of insurance premiums extend to the liabilities of Ms Shugg in her capacity as an Officer, the Company considers that the reasonable nature of the provision of any indemnity or insurance is an appropriate matter for the Shareholders.

In accordance with sections 200E and 219 of the Corporations Act, the following information is provided to Shareholders to allow them to assess the proposed resolution:

- (i) The Company has taken out an insurance policy which will provide insurance cover for Ms Shugg against all permitted liabilities incurred by Ms Shugg acting as an Officer (except to the extent such insurance cannot be procured at a reasonable cost or is otherwise unavailable to the Company).
- (ii) The insurance premiums payable will be calculated at market rates applicable from time to time.
- (iii) Ms Shugg is a related party of the Company to whom the proposed Resolution would permit the giving of a benefit.
- (iv) The nature of the benefit to be given to Ms Shugg is the benefit under the Deed of Indemnity, Insurance and Access, the terms of which are summarised above.
- (v) The reasons and basis for the benefit are set out above.
- (vi) Ms Shugg received the following remuneration and emoluments from the Company (including Share based payments) in the six month period ending on 31 December 2018 (note that Ms Shugg was appointed to the Board on 7 September 2018):

Name of Director	Short-term				Super-annuation	Long Services Leave Expense	Share Based Payments	Total
	Base Remuneration	Non Monetary Benefits	Short Term Incentive	Annual Leave Expense				
S. Shugg	25,952	-	-	-	-	-	-	25,952

- (vii) Ms Shugg expects to receive the following remuneration and emoluments from the Company (including Share based payments) in the year ending 31 December 2019:

Name of Director	Short-term				Super-annuation	Long Services Leave Expense	Share Based Payments	Total
	Base Remuneration	Non Monetary Benefits	Short Term Incentive	Annual Leave Expense				
S. Shugg	91,324	-	-	-	8,676	-	-	100,000

- (viii) As at 19 March 2019, being the last practical date prior to finalisation of this Notice, Ms Shugg does not hold a relevant interest in any securities of the Company.
- (ix) Ms Shugg considers it inappropriate to make a recommendation to Shareholders about the proposed Resolution as she holds an interest in the benefit proposed to be given by the Company to her.
- (ix) Neither the Directors nor the Company are aware of any other information that would be reasonably required by Shareholders to make a decision in relation to the benefits contemplated by the proposed Resolution.

If the Chairman is appointed as your proxy and you have not specified the way the Chairman is to vote on Resolution 6, by signing and returning the Proxy Form, you are considered to have provided the Chairman with an express authorisation for the Chairman to vote the proxy in accordance with the Chairman's intention, even though Resolution 6 is connected directly or indirectly with the remuneration of a member of Key Management Personnel.
