ASX RELEASE

3rd May 2019

CEVA Logistics Contract

Orcoda Limited (ASX: ODA) ('Orcoda' or 'the Company'), the resources, healthcare, and transport logistics optimisation company, is pleased to announce that it has signed an order for modelling solutions with CEVA Logistics Australia ("CEVA"), this order although under \$10,000 it further integrates our national partnership with CEVA and Orcoda welcomes this as another step for growing its Transport Logistics Division's revenue base.

Orcoda's modelling in the area of strategic logistics alternatives, involves complex modelling analysis of the multitude of customer choices in delivery supply chains. This new modelling has been structured to provide further implementation of our routing system within CEVA and to produce an innovative base model for CEVA to utilise within its tyre industry contracts.

CEVA is a global force in supply chain management that operates 17 regional clusters and employs 42,000 people around the world new order.

Orcoda has been serving CEVA since 2015 in the areas of ground transport, vehicle logistics as well as the more specialised areas of transport modelling, scheduling, allocation, route planning and load optimisation. The Orcoda logistics management system is customised to incorporate CEVA's operational, compliance, customer and service requirements to ensure efficient metro pick-up and delivery.
