Request for Extension of Voluntary Suspension

As announced on 10 May 2019, Questus Limited (Questus or Company) (ASX code: QSS) entered voluntary suspension pending the release of an announcement in respect to a potential acquisition and capital raising. The announcement for the voluntary suspension anticipated that the Company would make a further announcement regarding the acquisition and capital raising by 31 May 2019.

However, the Company confirms that it is not yet in the position to make a further announcement regarding the acquisition and capital raising. As such, the Company has requested that ASX continues to impose the voluntary suspension of trading in its securities to ensure that no trading occurs on an uninformed basis.

In accordance with ASX Listing Rule 17.2, the Company advises that it:

- a) is seeking the voluntary suspension pending the release of an announcement in relation to a potential acquisition and capital raising;
- b) expects the voluntary suspension to remain until the Company is in the position to make an announcement which is expected to be no later than Friday, 12 July 2019; and
- c) is not aware of any reason why the voluntary suspension should not be extended.
