The Manager  
Market Announcements Office  
ASX Limited

Dear Sir/Madam

### **Correction to notices of change of interests under institutional acceptance facility and change of interests of substantial holder**

A.P. Eagers Limited (**AP Eagers**) gives notice, in connection with its off-market takeover bid for all the ordinary shares in Automotive Holdings Group Limited (**AHG Shares**) that are not already owned by it (**Offer**), that as at **7.00pm 11 June 2019**, the aggregate number of AHG Shares, expressed as a percentage of the total number of AHG shares on issue, in respect of which acceptance instructions (in the form of acceptance forms and/or directions to custodians to accept the Offer) are held subject to the Acceptance Facility (**Acceptance Instructions**) and in which AP Eagers has a relevant interest (the combination being **AP Eagers' Aggregate Interest**), is **60.5059%**.

The following table identifies separately and in aggregate the change (corrected as set out below) in those categories since 30 May 2019, being the date of the previous notice given by AP Eagers for this purpose:

	Number of AHG Shares		Percentage of AHG Shares	
	As at 30 May 2019*	Current notice	As at 30 May 2019*	Current notice
Acceptance Instructions	76,088,677	76,147,524	22.9443%	22.9621%
Relevant interest	121,606,553	124,503,892	36.6701%	37.5438%
<b>Total</b>	<b>197,695,230</b>	<b>200,651,416</b>	<b>59.6144%</b>	<b>60.5059%</b>

\*Being the date of the previous notice as corrected per this notice

AP Eagers also refers to the notices lodged with the ASX on each of 24 May 2019 and 30 May 2019 (**Notices**), purporting to set out AP Eagers' Aggregate Interest as at those respective dates.

Following an audit, AP Eagers has been informed of an administrative error by its share registry in each of those Notices (and the accompanying substantial holder notices lodged by AP Eagers), due to a double counting of 7,293,254 AHG Shares held subject to the Acceptance Facility which were also counted incorrectly by the share registry as AHG Shares in which AP Eagers had a relevant interest.

The correct position as at the date of each those Notices is set out in the table below:

	Position recorded in Notice		Correct position as at relevant date	
	Number of AHG shares in AP Eagers' Aggregate Interest	Percentage of AHG shares in AP Eagers' Aggregate Interest	Number of AHG shares in AP Eagers' Aggregate Interest	Percentage of AHG shares in AP Eagers' Aggregate Interest
As at 7pm on 23 May 2019	200,164,077	60.3589%	192,870,823	58.1597%
As at 7pm on 29 May 2019	204,988,484	61.8137%	197,695,230	59.6144%

The difference between the previously reported position as at the date of each of those Notices reflects an overstatement in those Notices of the number of AHG shares in which AP Eagers had a relevant by 7,293,254 AHG Shares (or approximately 2.1993% as a percentage of AHG Shares on issue).

AHG Shares which are the subject of the Acceptance Facility do not, at this stage, constitute formal acceptances of the Offer and may be withdrawn at any time prior to the preconditions being met. Those preconditions require the facility operator to receive written notice from AP Eagers (**Confirmation Notice**) that it has declared the Offer free of all Bid Conditions (as defined in the Bidder's Statement) or will declare the Offer free of all Bid Conditions no later than the time that all Acceptance Instructions are processed. Accordingly, AHG Shares in which AP Eagers has a relevant interest (as set out in the table above) do not include the AHG Shares which are the subject the Acceptance Facility. As soon as possible after (and not before) AP Eagers provides the Confirmation Notice to the facility operator, the facility operator must release the Acceptance Instructions. AP Eagers will obtain a relevant interest in the AHG Shares which are the subject of those Acceptance Instructions once they are released.

Further details regarding the Acceptance Facility, including all relevant terms and the arrangements AP Eagers has entered into to enable the operation of the facility, can be found in section 3.4 of the Bidder's Statement.

A form 604 Notice of change of interests of substantial holder in relation to the change in AP Eagers' relevant interest (as recorded in the table above) in AHG is attached.

Yours sincerely

**Denis Stark**  
Company Secretary
