## EXPLANATORY STATEMENT

---

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

---

### 1. RESOLUTION 1 – APPROVAL TO ENTER INTO MANAGEMENT AGREEMENT

As announced on 7 June 2019, the Company has agreed, subject to Shareholder approval to appoint Embark Ventures Inc. (**Embark**) as the Company's investment manager on the terms of a management agreement (**Management Agreement**). The commencement date under the Management Agreement is conditional upon the receipt of Shareholder approval (**Management Agreement**).

Under the Management Agreement Embark will provide services including the identification, transacting and review of possible investment opportunities. This role was previously performed by Mr Jason Conroy, who resigned as CEO of the Company on 4 February 2019. The Company has since been seeking a suitable replacement for Mr Conroy. The Company believes that the appointment of Embark will meet this requirement.

As the time the Company completed its re-compliance in November 2018 the Company did not require the services of Embark or any third party investment manager as the services were being provided by Mr Conroy and the Board.

Michael Curtis, a Director of the Company, currently holds a 20% interest in Embark and the Company also has the right to subscribe for a 6.8% interest in Embark (for nominal consideration).

#### 1.1 Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

Whilst the Company does not consider that Embark is a Related Party of the Company (as Michael Curtis does not have a controlling interest in Embark), Michael Curtis will receive an indirect financial benefit as a result of Embark entering and receiving remuneration under the Management Agreement by virtue of his 20% interest in Embark.

The Directors (other than Michael Curtis who has a material personal interest in the Resolution) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the Management Agreement and engagement of Embark because Management Agreement was negotiated on an arm's length basis and is considered to be reasonable remuneration in the circumstances.

In negotiating the appointment of an investment manager, the Company confirms that it entered a tender style process with a number of parties in relation to the role. The terms ultimately agreed with Embark under the Management Agreement were materially superior (in the Company's favour) to the terms that were proposed by other third party managers. Accordingly, the terms agreed between the Company and Embark were considered reasonable on the basis that they were materially lower in cost and materially less onerous on the Company in comparison to other terms proposed during the tender process.

## **1.2 Approval under ASX discretion**

Despite the Company not requiring Shareholder approval in accordance with the Corporation Act, ASX have exercised its discretion to require the Company to seek approval of the terms of the Management Agreement as a condition to commencement of Embark's appointment.

Accordingly, the Company is seeking Shareholder approval under Resolution 1 to appoint Embark in accordance with the terms of the Management Agreement.

For the purposes of this approval the material terms of the Management Agreement (in accordance with ASX Guidance Note 26, section 8.1) are set out in Schedule 1 of this Notice.

---

## **2. RESOLUTION 2 – ISSUE OF PERFORMANCE RIGHTS TO EMBARK VENTURES**

As part of the consideration for Embark's services under the Management Agreement, the Company has agreed, subject to Shareholder approval, to issue to Embark (or its nominee) 12,000,000 performance rights on the terms and conditions as at Schedule 3 (**Performance Rights**).

Michael Curtis, a Director of the Company, currently holds a 20% interest in Embark and the Company also has the right to subscribe for a 6.8% interest in Embark Ventures (for nominal consideration). Mr Curtis is Managing Partner of Embark. His primary role is to scout for potential investments which are unavailable via traditional sources such as investment banks and private placements. Furthermore, Mr Curtis is also responsible for providing advice to Mr Mohan Nair relating to specific technical and commercial practices within the cannabis industry. Mr Nair is the Chief Investment Partner at Embark and is independently empowered and ultimately responsible for all formal recommendations given to the Company's Board. Recommendations will be presented in formal investment recommendation letters under the Embark letterhead.

Notwithstanding the fact that Embark is technically not a 'Related Party' (as defined in the Corporations Act and ASX Listing Rules), as a result of these relationships, ASX has advised the Company that ASX Listing Rule 10.11.2 applies to the proposed issue of Performance Rights to Embark (or its nominee).

Accordingly, Resolution 1 seeks Shareholder approval for the issue of the Performance Rights to Embark (or its nominee).

### **2.1 Chapter 2E of the Corporations Act**

As set out in Section 1.1 of this Notice a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

Whilst the Company does not consider that Embark is a Related Party of the Company (as Michael Curtis does not have a controlling interest in Embark), Michael Curtis will receive an indirect financial benefit as a result of Embark being issued Performance Rights by virtue of his 20% interest in Embark.

The Directors (other than Michael Curtis who has a material personal interest in the Resolution) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue of Performance Rights because the agreement to issue the Performance Rights, reached as part of the consideration payable to Embark, was negotiated on an arm's length basis and is considered to be reasonable remuneration in the circumstances.

As per the disclosure in Section 1.1 of this Notice, the remuneration terms agreed between the Company and Embark including the Performance Rights, are considered reasonable on the basis that the terms were materially lower in cost and materially less onerous on the Company in comparison to other terms proposed during the tender process.

## **2.2 ASX Listing Rule 10.11**

ASX Listing Rule 10.11 requires shareholder approval to be obtained where an entity issues, or agrees to issue, securities to a related party, or a person whose relationship with the entity or a related party is, in ASX's opinion, such that approval should be obtained unless an exception in ASX Listing Rule 10.12 applies.

As ASX has advised that the issue of the Performance Rights involves the issue of securities to a person whose relationship with the entity is, in ASX's opinion, such that approval should be obtained, Shareholder approval pursuant to ASX Listing Rule 10.11 is required.

## **2.3 Technical Information required by ASX Listing Rule 10.13**

Pursuant to and in accordance with ASX Listing Rule 10.13, the following information is provided in relation to Resolution 1:

- (a) the Performance Rights will be issued to Embark (or its nominee);
- (b) the maximum number of Performance Rights to be issued is 12,000,000;
- (c) the Performance Rights will be issued no later than 1 month after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the ASX Listing Rules) and it is intended that issue of the Performance Rights will occur on the same date;
- (d) the Performance Rights will be issued for nil cash consideration, accordingly no funds will be raised; and
- (e) the terms and conditions of the Performance Rights are set out in Schedule 3.

Approval pursuant to ASX Listing Rule 7.1 is not required for the issue of the Performance Rights as approval is being obtained under ASX Listing Rule 10.11. Accordingly, the issue of Performance Rights to Embark (or its nominee) will not be included in the use of the Company's 15% annual placement capacity pursuant to ASX Listing Rule 7.1.

## SCHEDULE 3 – TERMS AND CONDITIONS OF PERFORMANCE RIGHTS

---

(a) **Milestones:**

Subject to receipt of Company shareholder approval, the Company will issue Embark 12,000,000 performance rights (**Performance Rights**), as soon as practicable after the date Shareholder approval is received, on the following terms:

- (i) Subject to applicable tax and securities law compliance, the Performance Rights shall vest and be convertible by Embark in accordance with the mechanics set out below, on a one-for-one basis, into Shares in three (3) equal tranches of 4 million Shares (each, a **Tranche**) upon the Company achieving the following NAVS/SP Average hurdles, as follows:
- (A) the first Tranche will vest upon achieving a NAVS/SP Average of at least \$0.4047, (being a premium of at least 35% to the NAVS/SP Average on 1 June 2019 of \$0.2998);
  - (B) the second Tranche will vest upon achieving a NAVS/SP Average of at least \$0.5096, (being a premium of at least 70% to the NAVS/SP Average on 1 June 2019 of \$0.2998); and
  - (C) the third Tranche will vest upon achieving a NAVS/SP Average of at least \$0.5995, (being a premium of at least 100% to the NAVS/SP Average on 1 June 2019 of \$0.2998),

(together, the **Milestones**).

For the purpose of the Milestones **NAVS/SP Average** is calculated as the simple average of the Net Asset Value per Share (**NAVS**) and the 20-trading day VWAP for Shares calculated at month end.

- (ii) In order to determine if the NAVS/SP Average performance hurdles have been achieved, both the month end NAVS will be determined (as at the close of business on the last calendar day of every calendar month) and the monthly VWAP of the Company's share price will be determined (as at the end close of trade on the last trading day of the calendar month). These two numbers will then be combined and divided by two to ascertain whether the hurdle has been achieved.
- (iii) Where a Performance Right vests as a result of achieving the NAVS/SP Average performance criteria outlined above, Embark will have 12 months to convert the Performance Right into Shares or the applicable Performance Right will lapse.
- (iv) The Performance Right shall have a period of 3 years to achieve the relevant NAVS/SP Average performance vesting hurdle from the date of issue and will lapse immediately if the hurdle is not achieved at the end of the 3-year term. The exception will be the first Tranche which will lapse immediately if the applicable hurdle is not achieved within 18 months after the date of issue.

(b) **Notification to holder:**

The Company shall notify the holder in writing when the relevant Milestones have been satisfied.

(c) **Vesting:**

The relevant Performance Rights shall vest on the later to occur of:

- (i) the date that the Milestone relating to that Performance Right has been satisfied; and
- (ii) the date that the holder gives a notice to the Company confirming that the holder would like the Performance Rights to vest.

(d) **Consideration:**

The Performance Rights will be issued nil consideration.

(e) **Conversion:**

Upon satisfaction of the relevant Performance Rights vesting, each Performance Right will, at the election of the holder, vest and convert into one Share.

(f) **Lapsing other than when Milestones are not satisfied**

Where Embark is no longer engaged by the Company as a consultant for whatever reason, any unvested Performance Rights held will automatically lapse.

(g) **Share ranking:**

All Shares issued upon the vesting of Performance Rights will upon issue rank pari passu in all respects with other Shares.

(h) **Listing of Shares on ASX:**

The Company will not apply for quotation of the Performance Rights on ASX. However, the Company will apply for quotation of all Shares issued pursuant to the vesting of Performance Rights on ASX within the period required by ASX.

(i) **Transfer of Performance Rights:**

A Performance Right is only transferable with the prior written consent of the board or by force of law upon death to the holder's legal personal representative or upon bankruptcy to the holder's trustee in bankruptcy.

(j) **Participation in new issues:**

There are no participation rights or entitlements inherent in the Performance Rights and holders will not be entitled to participate in new issues of capital offered to Shareholders during the currency of the Performance Rights.

(k) **Adjustment for bonus issue:**

If securities are issued pro-rata to Shareholders generally by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the number of Performance Rights to which each holder is entitled, will be increased by that number of securities which the holder would have been entitled if the

Performance Rights held by the holder were vested immediately prior to the record date of the bonus issue, and in any event in a manner consistent with the Corporations Act and the ASX Listing Rules at the time of the bonus issue.

(l) **Adjustment for reconstruction:**

If, at any time, the issued capital of the Company is reorganised (including consolidation, subdivision, reduction or return), all rights of a holder of a Performance Right (including the Milestones) are to be changed in a manner consistent with the Corporations Act and the ASX Listing Rules at the time of the reorganisation.

(m) **Dividend and Voting Rights:**

A Performance Right does not confer upon the holder an entitlement to vote or receive dividends.
