Dear Option holders,

**Notice to Option holders – Entitlement Offer and Shortfall Offer**

I am writing to you as an option holder in Cokal Limited (**Company**) (ASX: CKA) as at today's date.

As announced on 18 June 2019, the Company is undertaking:

- a non-renounceable pro rata offer to eligible shareholders on the basis of 1 new fully paid ordinary share (**New Share**) for every 8 fully paid ordinary existing shares in the Company (**Existing Shares**) at an issue price of \$0.05 per New Share to raise approximately \$5.1 million (**Entitlement Offer**); and
- an offer to Eligible Shareholders and New Investors to subscribe for the shortfall to the Entitlement Offer at an issue price of \$0.05 per New Share (**Shortfall Offer**).

Aahana Global Resources & Investment Pte Ltd (**Aahana**), the major shareholder of the Company, has committed to fully underwrite the Offer. If the Offer is not fully subscribed the shortfall will be taken by Aahana.

The purpose of this letter is to advise you of the upcoming Offer and to advise you that as an option holder you cannot participate in the Entitlement Offer without first exercising some or all of your options prior to the record date, being 24 June 2019 (**Record Date**). If you do not wish to participate in the Entitlement Offer (in respect of your Company options) you do not need to take any action.

The Entitlement Offer and Shortfall Offer (collectively referred to as the **Offer**) will be made by way of a prospectus pursuant to section 713 of the Corporations Act 2001 (Cth) (**Prospectus**). 102,105,270 New Shares will be issued under the Offer, on the basis that no further options are exercised prior to the Record Date.

New Shares issued under the Offer will have the same terms as, and rank equally with, all Company Shares.

The issue price of \$0.05 per New Share represents a discount of approximately 5.66% to the closing share price on 17 June 2019 of \$0.053.

The proceeds from the Offer will be used to commence the initial infrastructure development at the Company's premier metalliferous coal mine, BBM. Specifically, the proceeds of the Offer will be utilised to upgrade the Krajan mining camp, construct haul roads, drains, and barge-loading jetty in preparation to commence mining in Pit 2.

The Entitlement Offer is only available to shareholders whose registered address is in Australia, New Zealand, Malaysia or Hong Kong as recorded with the Company's share registry as at 7.00pm (AWST) on the Record Date (**Eligible Shareholders**). The Entitlement Offer will not be made to any other shareholder (**Ineligible Shareholders**). Ineligible Shareholders will not be entitled to participate in the Offer.

To be eligible to participate in the Entitlement Offer in respect of the Company shares to be issued on exercise of the Company options you hold, you must exercise the Company options you hold and be registered as the holder of the underlying Company shares before the Record Date, and have a registered address in Australia, New Zealand, Malaysia or Hong Kong.

To exercise some or all of your Company options you will need to:

- give notice, in writing, to the Company in accordance with the terms and conditions of the options; and
- pay to the Company the exercise price for each Company option exercised.

If you do not exercise your options, an adjustment may be made to the exercise price of your options after the closing date of the Rights Issue in accordance with the formula set out in the terms and conditions of your options.

As the Offer is non-renounceable, rights are not tradeable on the ASX or otherwise transferable. New Shares will rank equally with Existing Shares.

### Shortfall Offer

Eligible Shareholders and new investors that have a registered address in Australia (**New Investors**), may apply for the shortfall to the Entitlement Offer. Applications under the Shortfall Offer will only be satisfied to the extent that there is a shortfall under the Entitlement Offer and will be subject to the terms and conditions outlined in the Prospectus. The Board reserves the right to allot and issue New Shares under the Shortfall Offer in its absolute discretion.
