

ASX ANNOUNCEMENT | 20 June 2019

## SHARE SALE BY SHAANXI J&R OPTIMUM

Altura Mining Limited (ASX Code: AJM) advises that it has become aware of the sale by Shaanxi J&R Optimum Energy Co. Ltd ("JRO") of approximately 251 million shares in the company that occurred earlier this morning on the Chi-X trading platform.

This represents approximately 11.8% of the issued shares of Altura.

Altura notes that JRO has been reducing its holding in Altura for several months, as evidenced by the previous "Form 604 Notices of change of interests of substantial holding" lodged on 20 February 2019, 12 March 2019, 21 March 2019 and 13 May 2019.

Altura understands that today's sale completes the divestment process by JRO, and as such, welcomes this development.
