Community Transport Contract

Orcoda Limited (ASX: ODA) ('Orcoda' or 'the Company'), the resources, healthcare, and transport logistics optimisation company, is pleased to announce that Orcoda Healthcare Logistics Pty Ltd has signed a multi-year contract with TransitCare Pty Ltd, a community transport provider headquartered in Brisbane, Queensland.

The new contract is valued at approximately \$640,000 and will allow TransitCare to optimise, allocate and coordinate its fleet of *Community Flyer* vehicles. The Orcoda optimisation solution will initially assist TransitCare's customers in Brisbane and Townsville.

TransitCare chief executive Terry O'Toole said "The new Orcoda optimised allocation solution will have an immediate and practical impact on the lives of community members who can't drive or take public transport. After 25 years, we have attained a level of growth that now requires a degree of operational automation. Currently, we have around 55 vehicles operating daily, providing nearly 800 trips a day, every day. We are fast approaching 200,000 trips annually, and travel over two million kilometres each year. The Orcoda solution will allow us to grow more efficiently."

Managing Director, Geoff Jamieson said "Orcoda is extremely pleased to partner with TransitCare to optimise their *Community Flyer* fleet. TransitCare are a clear leader in the field of community transport. Our continued investment in R&D has resulted in a customised transport solution for community transport providers. It will benefit all community transport providers who operate in aged care and who move people with disabilities."
