Vault Attains Market Guidance of \$6M CARR with Record High Q4 Growth

Vault Intelligence Limited (**ASX:VLT**) (**Vault** or **the Company**), a leading SaaS business delivering solutions in the Risk and Safety Technology sector is pleased to confirm achievement of our market guidance of **\$6M AUD Contracted Annualised Recurring Revenue (CARR)** as at 30 June 2019, through a number of significant customer signings.

Vault Solo Major Contributor to Record Growth Quarter

- ✔ Vault has signed a number of **new and extended services agreements** including (but not restricted to); StateCover Mutual, Precision Farming, Halls Group, Dynes Transport, Rheem, Visy, Booth Transport, Sell & Parker and Shire of Ashburton
- ✔ The wins represent **significant brands across key verticals** including; Agriculture, Transport, Manufacturing, Local Government, Defence, Ports and Maritime and are expected to attract additional clients to Vault
- ✔ Value of new agreements and extensions combine to confirm market guidance and achievement of **\$6M AUD CARR**. PwC is currently auditing the FY19 CARR result, which will be released no later than the publication of the quarterly 4C
- ✔ Subject to confirmation from the PwC audit, this result represents **record net new CARR** for a quarter of approximately **\$1.3M AUD** in Q4, representing growth of more than **2.4 times the previous quarter**, which in itself was a record and demonstrates building momentum
- ✔ CARR growth comprises both **Vault Enterprise** and **Solo** subscription services

David Moylan, CEO and Managing Director at Vault said, *“This is an exceptional result for Vault and is a validation of the hard work from the whole team. Three record quarters in a row is an extraordinary achievement and positions us for continued high growth in the new financial year.”*

Ends.

Caution Regarding Forward Looking Statements

This announcement may contain forward looking statements which involve a number of risks and uncertainties. These forward looking statements are expressed in good faith and believed to have a reasonable basis. These statements reflect current expectations, intentions or strategies regarding the future and assumptions based on currently available information. Should one or more risks or uncertainties materialise, or should underlying assumptions prove incorrect, actual results may vary from the expectations, intentions and strategies described in this announcement. Unless expressly stated, the Company does not provide any forecast regarding revenues that may be derived from a particular customer contract, as such revenues are generally dependent upon the extent of the usage of the Company's product suite. Any forward looking statements are made as at the date of this announcement and the Company disclaims any intent or obligation to update publicly such forward looking statements, whether as a result of new information, future events or results or otherwise.
