### **Fatal accident at Baralaba North Coal Mine, Queensland**

NRW Holdings Limited (ASX: NWH) ("NRW" or "the Company") is deeply saddened to advise of an accident on Sunday, 7 July 2019, during which a 27-year-old mining operator was fatally injured at the Baralaba North Coal Mine in the Bowen Basin, Queensland.

The man was an employee of NRW subsidiary, Golding. His identity will not be released by the Company, at the request of his family who have asked for privacy at this time.

To his family, friends and work mates - we extend our sincerest condolences. Golding is providing support to the man's family. Operations at the mine have been halted until further notice, and all staff have been offered access to counselling services.

Golding is working closely with the Queensland Police and the Mining Inspectorate who are conducting a full investigation into the accident.

Further updates will be provided as and when appropriate.
