8. Overview of the Merged Group

8.1 Introduction

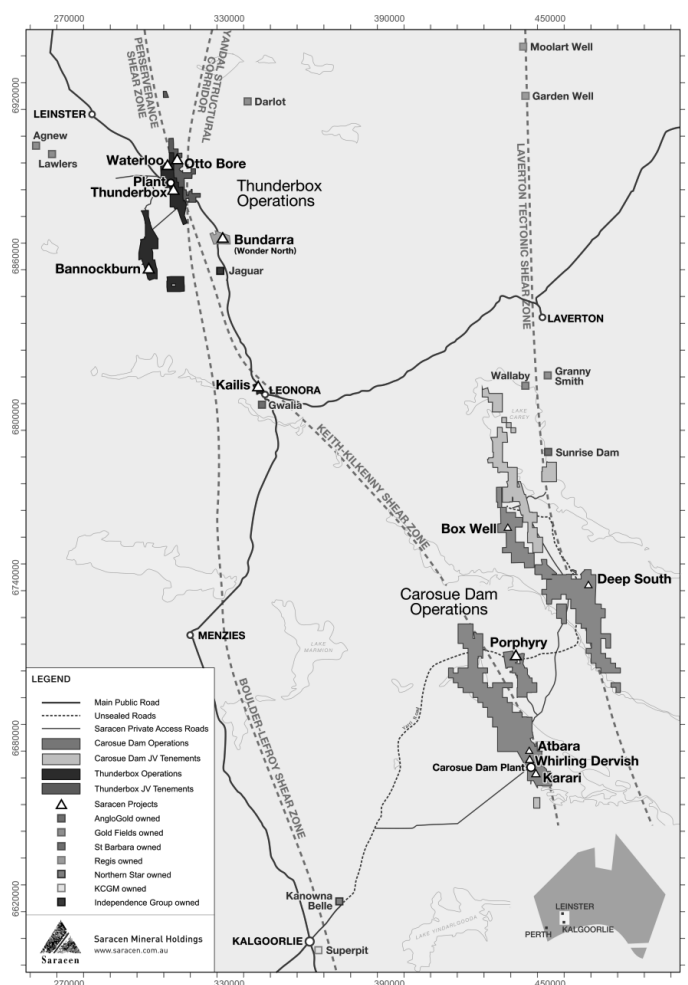

This section 8 provides a description of the effects of the Offer on Saracen and a profile of the Merged Group, assuming that Bligh becomes a wholly owned Subsidiary of Saracen. If Saracen Metals does not acquire at least 90% of the Bligh Shares during the Offer Period and therefore does not become entitled to compulsorily acquire the remaining Bligh Shares, the described outcomes for the Merged Group described in this section may not be achieved.

8.2 Description of the Merged Group

The Merged Group would be a gold exploration and production company with:

- Cash and cash equivalents of approximately \$153 million;²⁰
- gold producing projects at Carosue Dam and Thunderbox; and
- numerous exploration projects including the Bundarra Gold Project.

Figure 8: Thunderbox and Carosue Dam regions

²⁰ Addition of Saracen's cash and cash equivalents balance, as reported in Saracen's May 2019 Corporate Presentation, and Bligh's cash balance, as reported in Bligh's March 2019 Quarterly Activities Report.

8.3 Capital structure and substantial shareholding information of the Merged Group

Under the Offer, new Saracen Shares will be issued to Bligh Shareholders. The actual number of Saracen Shares on issue at completion of the Offer will depend on the satisfaction of the 90% minimum acceptance condition and Saracen compulsorily acquiring the Bligh Shares. If this condition is satisfied, Saracen will have issued 11,011,407 Saracen Shares to Bligh Shareholders and the new capital structure of Saracen will be as follows:

- (a) Capital structure of the Merged Group

Class	Number as at date of Merged Group
Ordinary shares	831,425,303

- (b) Substantial shareholders of the Merged Group

If the Offer is accepted by all the Bligh Shareholders, and assuming no change to the substantial shareholders of Saracen and Bligh as at the date of the Announcement Date, the Merged Group will have the following substantial shareholders immediately after the issue of Saracen Shares in accordance with the terms of the Offer:

Substantial shareholder	Number of Saracen Shares	Percentage
Van Eck Associates Corp	107,664,397	12.95
BlackRock Inc	75,818,805	9.12

8.4 Merged Group pro-forma financial information

- (a) Introduction

This section 8.4 sets out a summary of the pro-forma historical statement of the financial position as at 31 December 2018 for Saracen as if the Offer had been accepted by all Bligh Shareholders.

The information in this section is presented on a pro forma basis only, and as a result it is likely that this information will differ from the actual financial information for the Merged Group as at completion of the Transaction. The pro-forma financial information is provided for illustrative purposes only and in accordance with the basis of preparation below.

The pro forma financial information is presented in an abbreviated form insofar as it does not contain all of the disclosures, statements or comparative information as required by Australian Accounting Standards applicable to annual financial reports usually provided in an annual report prepared in accordance with the Corporations Act.

- (b) Basis of presentation

The pro-forma historical statement of financial position of the Merged Group as at 31 December 2018 is based on:

- i. Bligh's statement of financial position as at 31 December 2018, which was extracted from Bligh's interim financial report for the half year ended 31 December 2018, and was reviewed by HLB Mann Judd and on which an unqualified review report was provided

- with an emphasis of matter regarding the company's ability to continue as a going concern;
- ii. Saracen's consolidated statement of financial position as at 31 December 2018, which was extracted from Saracen's interim financial report for the half year ended 31 December 2018, and was reviewed by BDO Audit and on which an unqualified audit opinion was provided;
 - iii. The relevant pro forma adjustments to the statement of financial position as at 31 December 2018 in order to present the Merged Group on a pro forma basis reflecting the acquisition accounting based on the terms of the Offer set out in section 12; and
 - iv. the recognition and measurement principles of applicable Australian Accounting Standards.
- (c) Un-audited pro-forma statement of financial position assuming the acquisition of 100% of Bligh Shares.

Pro forma adjustments

The following pro forma adjustments to the historical financial information have been made in the compilation of the pro-forma statement of financial position of the Merged Group as at 31 December 2018, including the adjustments to reflect the impact of acquisition accounting and certain transactions and/or events post 31 December 2018.

Adjustment (i): Issue of Saracen Shares to employees

Saracen issued 142,125 shares to employees on 12 June 2019 via the Saracen Share Trust at a price of \$2.66 per share. The total value of new shares issued was \$378k, which has been recorded as share based payments expense in Saracen's income statement.

Adjustment (ii): Acquisition of mining leases and exploration tenements by Saracen

Saracen acquired Hawthorn Resources Limited's (Hawthorn) interests in the Box Well (in addition to Avoca Resources Limited's 20% interest in the tenements) and Deep South mining leases along with 18 exploration tenements and leases for total cash consideration of A\$14.8 million (including transaction costs) on 4 June 2019. The pro forma adjustment reflects the reduction in Saracen's cash balance to acquire the assets from Hawthorn/Avoca. It is noted that Saracen's cash balance as at 31 March 2019 was \$119.4 million.

Adjustment (iii): Bligh options and repayment of Zeta loan facility

Pro forma adjustment to reflect the net reduction in cash from the proceeds received from 12.5 million Bligh options assumed to be exercised pre-completion, offset by the settlement of Bligh's existing loan from Zeta (\$711k as at 31 December 2018). For the purposes of the pro forma balance sheet, all 12.5 million Bligh options are assumed to be exercised pre-completion, resulting in cash proceeds of \$705k. It is noted that Bligh has made further drawdowns against the Zeta loan facility of \$100k in the three months to 31 March 2019 in order to fund the Company's exploration activities, resulting in a total loan outstanding balance of \$826k (including accrued interest) as at 31 March 2019.

Adjustment (iv): Acquisition of Bligh

Pro forma adjustment to recognise the acquisition of Bligh Resources by Saracen. Under AASB 3, the Transaction is expected to be designated as an asset acquisition due to the early stage of Bligh's operations being largely exploration tenements. Under the terms of the Transaction, Saracen will issue 11,011,407 shares to the equityholders of Bligh. The pro forma adjustment reflects an assumed Saracen share price of \$3.58 as at 1 July 2019, which equates to total scrip consideration of \$39.4 million. It is noted that the final scrip consideration will be determined by reference to Saracen's share price at completion of the Transaction, and therefore is expected to vary for any movements in share price.

Under accounting standards, transaction costs can be capitalised under an asset acquisition and therefore the total estimated Transaction costs (including stamp duty) of \$3.1 million has been included in the total purchase consideration.

The \$5.2 million difference between net assets and equity reflects Bligh's net assets acquired (as represented by Column D in the above table).

Note that no deferred tax adjustments have been included in the pro forma adjustments as these are expected to be immaterial.

9. Bidder's Intentions

9.1 Introduction

This section 9 sets out the Bidder's intentions, on the basis of the facts and information concerning Bligh and the general business environment which are known to the Bidder and the existing circumstances affecting the business of Bligh, at the time of preparing this Bidder's Statement in relation to the following:

- (a) the continued operation of Bligh;
- (b) any major changes to be made to the operation of Bligh, including any redeployment of the property of Bligh;
- (c) the future employment of Bligh employees; and
- (d) the compulsory acquisition of Bligh Shares and the removal of Bligh from the official list on the ASX.

The Bidder and its advisers have reviewed information that has been publicly released on Bligh, as well as conducting limited due diligence. However, the Bidder does not currently have knowledge of all material information, facts and circumstances that are necessary to assess the operational, commercial, taxation and financial implications of its current intentions. Consequently, final decisions on these matters have not been made.

Following the close of the Offer, the Bidder will, to the extent that information is available to it, conduct a review of the operations, assets, structure and employees of Bligh in light of that information. Final decisions will only be reached in light of all material facts and circumstances. As such, statements set out in this section 9 are statements of current intention only which may change as new information becomes available or circumstances change. The statements in this section 9 should be read in this context.

9.2 Rationale for the Offer

The Bidder believes the combination of Saracen and Bligh presents a compelling opportunity to utilise Saracen's existing infrastructure at Thunderbox to unlock the value of the Bundarra Gold Project, which is less than 30km south of Thunderbox which has the necessary infrastructure established to process ore from the Bundarra Gold Project.

9.3 Intentions upon acquisition of 90% or more of Bligh

- (a) ASX listing

If the Bidder becomes entitled to compulsorily acquire the outstanding Bligh Shares under Part 6A.1 Division 1 of the Corporations Act, it intends to exercise such rights and then procure the removal of Bligh from the official list of ASX and take all actions necessary to achieve those results.

If the Bidder does not become entitled to compulsorily acquire Bligh Shares under Part 6A.1 Division 1 of the Corporations Act, it may nevertheless become entitled to exercise general compulsory acquisition rights under Part 6A.2 Division 1 of the Corporations Act. In that event, it

intends to exercise those rights if they become available and then procure the removal of Bligh from the official list of ASX.

(b) Board representation

Subject to the Corporations Act, the Bidder proposes to seek the removal of the existing Bligh Directors and the appointment of the Bidder's nominees to the Bligh Board. The Bidder has not made any decision as to who would be nominated for appointment.

(c) Operations and employees

Saracen intends to operate and continue exploring the Bundarra Gold Project including obtaining approvals and development planning.

Final decisions relating to Bligh will, however, only be reached after a review of material facts and circumstances at the relevant time, having regard to (among other matters) opportunities available in the market, strategic relevance, performance, profitability, prospects and any relevant matters.

It is the current intention of the Bidder to not retain the existing management team or employee[s] of Bligh. If redundancies do occur as part of this, the relevant employees will receive benefits in accordance with their contractual and other legal entitlements.

9.4 Intentions upon gaining control of, but less than 90% of Bligh

The Bidder reserves the right to declare the Offer free from the 90% minimum acceptance condition to the Offer. However, it has made no decision as to whether it will do so.

This section 9.4, describes the Bidder's intentions if the Bidder were to declare the Offer free from the 90% minimum acceptance condition.

If the Bidder acquires Control of Bligh but does not acquire a relevant interest in 90% or more of Bligh Shares (and is therefore not entitled to proceed to compulsorily acquire the outstanding Bligh Shares):

(a) ASX listing

The Bidder will review the ongoing suitability of Bligh for listing on ASX. Bligh Shareholders should be aware that the Bidder presently considers that, if it was to acquire control of Bligh but a relevant interest in less than 90% of Bligh Shares, Bligh may not be suited to being listed following the end of the Offer. In these circumstances, the Bidder may seek to have Bligh removed from the official list of ASX and do all other things necessary to achieve that result as soon as practicable. Ultimately however, the continued listing of Bligh will be at the discretion of ASX. ASX has stated that it is generally acceptable for an entity to be removed from the official list of ASX if, as a result of a takeover, the entity only has a small number of remaining security holders so its continued listing can no longer be justified. ASX does not prescribe a minimum security holding or spread before it will allow delisting to occur.

Bligh Shareholders should be aware that, if the removal of Bligh is permitted by ASX, this would result in any remaining Bligh Shareholders either having to dispose of their Bligh Shares or remaining in a potentially illiquid, unlisted vehicle. Additionally, Bligh Shareholders should also

be aware that in circumstances where they do not accept the Offer and the Bligh Shares continue to be quoted on ASX, the liquidity of their Bligh Shares may decrease from the current relatively illiquid position.

(b) Further acquisition of Bligh Shares

The Bidder has not yet decided whether it will acquire Bligh Shares under the “creep” provisions, as that will be dependent upon (among other things) the extent of voting power of the Bidder and its Associates in Bligh and market conditions at the time.

(c) Board representation

Subject to the Corporations Act and the review described in section 9.1 above, the Bidder proposes to seek the appointment of a majority of the Bidder's nominees to the Bligh Board, although the Bidder has not made any decision as to who would be nominated for appointment. The Bidder may also seek to add to, replace or reorganise the roles of a proportion of the members of the Bligh Board to reflect the proportionate ownership interest of the Bidder and other Bligh shareholders.

(d) Review of capital requirements

The Bidder will review Bligh's capital structure and credit facilities to determine whether they are adequate for continued operations or whether further capital is required.

(e) Operations and employees

Saracen intends to operate and continuing exploring the Bundarra Gold Project.

Final decisions relating to Bligh will, however, only be reached after a review of material facts and circumstances at the relevant time, having regard to (among other matters) opportunities available in the market, strategic relevance, performance, profitability, prospects and any relevant matters

It is the current intention of the Bidder to not retain the existing management team or employee/s of Bligh. If redundancies do occur as part of this, the relevant employees will receive benefits in accordance with their contractual and other legal entitlements.

9.5 Intentions for Bligh if not controlled by the Bidder

This section 9.5 describes the Bidder's intentions if the Bidder were to declare the Offer free from the 90% minimum acceptance condition and if Bligh does not become controlled by Saracen.

In those circumstances:

- (a) the Bidder does not expect to be in a position to give effect to the intentions set out in sections 9.3 or 9.4 of this Bidder's Statement other than the Bidder's intention to request appointment of the Bidder nominees as Bligh Directors that at least corresponds to the Bidder's voting power in Bligh; and
- (b) the Bidder's current intention is to continue to hold any Bligh Shares acquired with a view to maximising returns for Saracen Shareholders (this may result in the Bidder or its Associates acquiring additional Bligh Shares, to the extent permitted by law).

10. Risks of Holding Saracen Shares in the Merged Group

10.1 Introduction

If the Offer becomes unconditional, Bligh Shareholders who accept the Offer will become Saracen Shareholders. In that event, Bligh Shareholders will continue to be indirectly exposed to the risks associated with having an interest in Bligh's assets and general economic, share market and industry risks. There are also risks relating to Saracen and the Merged Group, to which Bligh Shareholders will be exposed through their holding of Saracen Shares.

The value of Saracen Shares is influenced by a range of factors, many of which will be beyond the control of the Merged Group. These risk factors are divided into:

- (a) risks relating to the resources sector generally;
- (b) specific risks relating to the Offer and the creation of the Merged Group; and
- (c) other general risks.

You should carefully consider the following risk factors, and consult your financial and legal advisers before making a decision as to whether to accept the Offer.

The risks and uncertainties described below are not the only risks and uncertainties facing Saracen. Additional risks and uncertainties that the Bidder is not currently aware of, or that it currently considers to be immaterial, may also become important factors that adversely affect Saracen's operating and financial performance.

These risk factors do not take into account the investment objectives, financial and tax situation or the particular needs of individual Bligh Shareholders.

10.2 Risks relating to the resource sector

- (a) Development risk

For development projects, estimates of proven and probable Ore Reserves and cash operating costs are, to a large extent, based on interpretation of geological data obtained from drill holes and other exploration techniques, and feasibility studies that derive estimates of cash operating costs based upon anticipated tonnage and grades of ore to be mined and processed, the configuration of the ore body, expected recovery rates, estimated operating costs, anticipated climatic conditions and other factors. As a result, it is possible that actual cash operating costs and economic returns will differ significantly from those currently estimated for a project prior to production.

The information provided in the Bidder's Statement in relation to Saracen's and Bligh's projects is the current estimate of Mineral Resources and Ore Reserves, capital and operating costs, as determined from geological data obtained from drill holes and other exploration techniques and technical studies conducted to date. These matters may change over time.

(b) Exploration risk

Investors should understand that mineral exploration, mining and development are high risk undertakings and there can be no assurances that the tenements currently held by Saracen or acquired by Saracen in the future will result in the discovery of an economic ore deposit. If a viable deposit is identified there is also no guarantee it can be commercially developed. There is no certainty that the proposed exploration will reveal mineable mineralisation or that such mineralisation will be commercially viable.

In addition, the exploitation of successful discoveries involves obtaining the necessary licences or clearances from relevant authorities that may require conditions to be satisfied and the exercise of discretion by such authorities.

(c) Operating risk

The ability of the Merged Group to achieve production targets within anticipated time lines, or at all, or meet operating or capital expenditure estimates cannot be assured.

The Merged Group's assets and mine operations are subject to uncertainty with respect to (amongst other things): ore tonnes, grade, metallurgical recovery and impurities, ground conditions, operational environment, funding for development, availability of power supply, regulatory changes, accidents, contractual risks and other unforeseen circumstances such as mechanical failure of plant and equipment or natural disasters. If faced by the Merged Group, these circumstances could result in them not realising the operational or development plans or in such plans costing more than expected or taking longer to realise than expected. Any of these outcomes could have an adverse effect on the Merged Group's financial and operational performance.

(d) Estimate risk

The Mineral Resources and Ore Reserves for Saracen and Bligh's assets are estimates only and no assurance can be given that any particular recovery levels of metals will in fact be realised. These estimates are prepared in accordance with JORC Code, but they are expressions of judgement based on knowledge, experience, industry practice, and may require revision based on actual production experience which could in turn effect the Merged Group's mining plans and ultimately financial performance and value. Estimates that are valid when made may change significantly when new information becomes available. In addition, commodity price fluctuations, as well as increased production costs or reduced throughput and/or recovery rates, may render Ore Reserves and Mineral Resources uneconomic and so may materially affect estimates.

(e) Commodity price risk

The Merged Group will generally be a price-taker in the markets in which it operates. The prices the Merged Group obtains for its projects will be determined by, or linked to, prices in world commodity markets, which have historically been subject to substantial volatility. Commodity prices are affected by underlying global economic and geopolitical factors, industry demand and supply balances, trade wars, product substitution and national tariffs.

Saracen cannot provide any assurances as to the prices of the Merged Group will achieve for its products. Changes in commodity prices may have significant positive or negative effects on

the Merged Groups project development and production plans and activities, together with its ability to fund those plans and activities.

(f) Regulatory risk

Saracen's activities in the mining industry are subject to legislation, regulation and various approvals. The introduction of new regulations, or alteration of current legislation and regulations, could have a material adverse effect on the financial performance and current or proposed activities of the Merged Group.

In particular, the Merged Group will continue to hold tenure to mineral exploration, prospecting and mining licences in Western Australia. Each state in Australia imposes specific laws, policies and regulations on the title and use of the type of tenure held. The Merged Group may require licences and approvals in relation to environmental matters, exploration, development and production of minerals. There is a risk these may not be obtained or that obtaining these may be delayed, which may have a material adverse impact on the Merged Group. Loss of tenure could result (amongst other things) in the write down of the carrying values of tenements in the Merged Group's financial statements, loss of profits and termination of agreements.

(g) Foreign exchange risk

The international price of gold is denominated in USD, whereas the income derived from the sale of gold and operating expenditure of the Merged Group will be taken into account in Australian currency, exposing the merged group further to the volatility of the AUD / USD rate of exchange as determined in the international markets.

10.3 Risks relating to the Offer and the creation of the Merged Group

(a) Issue of new Saracen Shares as Offer Consideration

Pursuant to each Offer, new Saracen Shares will be offered as Offer Consideration to Bligh Shareholders. The market value of the Saracen Shares may vary from their market value on the date that Bligh Shareholders accept the Offer.

The value of the Offer Consideration provided to Bligh Shareholders under each Offer may be affected by market fluctuations. The Bidder shall have no obligation to adjust the Offer Consideration payable to accepting Bligh Shareholders under each Offer if the value of the Saracen Shares changes during the Offer Period.

Additionally, if current Saracen Shareholders or current Bligh Shareholders do not wish to hold shares in the Merged Group and seek to sell their Saracen Shares, this may have a material adverse effect on the Merged Group and the price of the Saracen Shares. Refer to section 10.4(c) for risk factors relating to the trading price of Saracen Shares.

(b) Assumed Bligh information

In preparing the information in this Bidder's Statement, the Bidder has relied upon information in relation to Bligh which is publicly available through Bligh's continuous and periodic disclosure under the Corporations Act and ASX Listing Rules and certain non-public information provided by Bligh. The Bidder has not been able to verify the accuracy, reliability or completeness of all of the information which was disclosed by Bligh. In addition, there may be other potentially materially price sensitive information which Bligh has not disclosed in reliance of an exception to the continuous disclosure requirements set out in ASX Listing Rule 3.1A.

As the Bidder has conducted only limited due diligence on Bligh, there could be circumstances relating to Bligh which the Bidder is unaware of and which could adversely affect the anticipated results of the operations of the Merged Group, including the basis for preparing financial information for Bligh. The Bidder has prepared (and made assumptions in the preparation of) the pro-forma financial information relating to the Merged Group, in reliance on limited financial information and other information provided by Bligh. If any of the data or information provided to and relied upon by Saracen in its limited due diligence process and its preparation of this Bidder's Statement proves to be incomplete, incorrect, inaccurate or misleading, there is a risk that the actual financial position and performance of the Merged Group may be different to the pro-forma statement of financial position in this Bidder's Statement. It should also be noted that there is no assurance that the due diligence conducted was conclusive and that all material issues and risks in respect of the acquisition have been identified. Therefore, there is a risk that unforeseen issues and risks may arise, which may also have a material impact on the Merged Group in the future.

(c) Risk factors relating to the trading price of Saracen Shares

The market value of the Saracen Shares which are issued under the Offer will depend on the trading price of those shares. There is no guarantee that the trading price of Saracen Shares will increase in the future, or that the trading price in the future will be the same as the current trading prices of Saracen Shares. The market price of Saracen Shares may fall due to the factors described elsewhere in this section 10 and other factors, some of which are beyond Saracen's control, including, but not limited to:

- (i) general economic conditions and changes in law, regulation or government policy (whether or not such changes also affect the operations of Bligh or Saracen);
- (ii) operating results that do not meet the expectations of securities analysts and investors or changes in expectations as to Saracen's future financial performance by securities analysts and investors;
- (iii) investor sentiment including in relation to the mining sector, general movements in securities markets and changes in market valuations of other companies in the same or similar sector to Saracen;
- (iv) the announcement of acquisitions, strategic partnerships, joint ventures or capital commitments by Saracen or its competitors; and
- (v) future issues by Saracen of debt or equity securities.

(d) Merger integration risks

Integrating two companies produces some risks, including information systems and work practices. Integration costs that are higher than expected could have a material adverse effect on Saracen and the Merged Group.

(e) Acquisition risk

Saracen may also review and consider other business opportunities. Consequently, this strategy may result in Saracen making acquisitions of, or investments in, complementary or alternative companies or assets. Any such transactions would be accompanied by the risks inherent in making acquisitions of companies and assets. For example, there may be liabilities in connection with such acquisitions that are not identified in Saracen's due diligence or the acquisitions may not prove to be successful. Further, risks associated with such acquisitions will also arise from Saracen's ability to execute the acquisition and then to correctly manage the business operations and growth strategies moving forward.

10.4 General risks

(a) Economic conditions

The operating and financial performance of the Merged Group is influenced by a variety of general economic and business conditions, including levels of consumer spending, gold prices, copper prices, inflation, interest rates and exchange rates, supply and demand, industrial disruption, access to debt and capital markets, and government fiscal, monetary and regulatory policies. Changes in general economic conditions may result from many factors, including government policy, international economic conditions, significant acts of terrorism, hostilities or war, or natural disasters. A prolonged deterioration in general economic conditions, including an increase in interest rates or a decrease in consumer and business demand, could be expected to have an adverse impact on the Merged Group's operating and financial performance and financial position. The Merged Group's future possible revenues and share prices can be affected by these factors, which are beyond Saracen's control.

(b) Changes in taxation rules or their interpretation

Changes in tax law (including value added taxes and stamp duties), or changes in the way taxation laws are interpreted by the courts or taxation Authorities in Australia may impact Saracen's tax liabilities or the tax treatment of a Saracen Shareholder's investment or the disposal of those shares. In addition, an investment in Saracen Shares involves tax considerations which may differ for each Saracen Shareholder. Each Bligh Shareholder is encouraged to seek professional tax advice in connection with the Offer and how they may be discretely impacted.

(c) Force majeure events

Events may occur within or outside Australia that could impact upon the Australian economy, Saracen's operations and the price of Saracen Shares. These events include but are not limited to acts of terrorism, an outbreak of international hostilities, fires, floods, earthquakes, labour strikes, civil wars, natural disasters, outbreaks of disease, uranium concentrate risk or other natural or man-made events or occurrences that can have an adverse effect on the demand for Saracen's products and its ability to operate its assets. Saracen has only a limited ability to insure against some of these risks.

11. Taxation Considerations

PricewaterhouseCoopers has been engaged by Saracen to provide a general overview of the Australian income tax, GST and stamp duty implications for Bligh Shareholders who accept the Offer (or if their Bligh Shares are compulsorily acquired). Under the Offer, each of the Bligh Shares owned by participating Bligh Shareholders will be acquired by Saracen in return for the Offer Consideration.

This section provides a general summary of the Australian income tax, GST and stamp duty considerations for Bligh Shareholders on acceptance of the Offer (subject to the exclusions below). In providing our views, we have relied upon facts as set out in the Bidder's Statement. These facts have not been independently verified by PricewaterhouseCoopers.

This summary does not provide an exhaustive opinion on all possible Australian income tax, GST and stamp duty implications that could apply to Bligh Shareholders in relation to the Offer. Furthermore, this summary does not consider any tax implications in jurisdictions outside of Australia.

Only Bligh Shareholders that are individuals, trusts, complying superannuation funds and corporate shareholders that hold their shares on capital account have been considered in this summary. In particular, our comments are not intended to cover Bligh Shareholders, who:

- are exempt from Australian income tax;
- hold their Bligh Shares on revenue account or as trading stock;
- are partnerships or persons that are partners of such partnerships;
- acquired their Bligh Shares, or any rights in relation to Bligh Shares, under an employee share scheme or similar employee incentive plan;
- acquired their Bligh Shares before 20 September 1985;
- are under a legal disability; or
- are subject to the taxation of financial arrangements rules in Division 230 of the Tax Act in relation to gains and losses on their Bligh Shares.

This summary is based upon Australian taxation law and administrative practice in effect as at the date of this Bidder's Statement. PricewaterhouseCoopers does not undertake to update this summary for any changes in the Australian tax law after the date of this Bidder's Statement.

This summary is not intended to be an authoritative or comprehensive analysis of the taxation laws of Australia. Saracen has not sought a class ruling for Bligh Shareholders in relation to the Offer and, therefore, a risk remains that the ATO may not agree with the summary or aspects of it.

It does not consider any specific facts or circumstances that may apply to particular Bligh Shareholders. As the tax consequences to Bligh Shareholders of accepting the Offer will depend on each Bligh Shareholder's individual circumstances, all Bligh Shareholders are advised to seek independent professional advice regarding the Australian and foreign tax consequences of accepting the Offer according to their own particular circumstance.

11.1 Australian Tax Resident Shareholders

This Section applies to Bligh Shareholders who are residents of Australia for Australian income tax purposes and hold their Bligh Shares on capital account.

(a) Capital Gains Tax (CGT) Event

Under the Offer, Bligh Shareholders will dispose of their Bligh Shares to Saracen in exchange for the Offer Consideration, comprising shares in Saracen. The disposal of the Bligh Shares to Saracen under the Offer will give rise to a CGT event for Bligh Shareholders. The time of the CGT event for the Bligh Shareholders should be the date the Bligh Shares are disposed of, which will occur on the Implementation Date.

In the absence of CGT roll-over relief (discussed below), the following tax consequences are expected to arise for the Bligh Shareholders that acquired (or are deemed to have acquired) their Bligh Shares on or after 20 September 1985:

- A capital gain will be realised to the extent the capital proceeds received by the Bligh Shareholder from the disposal of their Bligh Shares exceed the cost base of those shares; or
- A capital loss will be realised to the extent that capital proceeds received by the Bligh Shareholder from the disposal of their Bligh Shares are less than the reduced cost base of those shares.

Capital losses can be offset against capital gains derived in the same income year or in later income years. Specific loss recoupment rules apply to companies which must be satisfied if those carry forward tax losses are to be used in future years. Capital losses can only be used to reduce capital gains. Bligh Shareholders should seek their own tax advice in relation to the operation of these rules.

(b) Capital proceeds

The capital proceeds on the disposal of the Bligh Shares should be equal to the Offer Consideration received by the Bligh Shareholders.

The capital proceeds will be equal to the market value of the Saracen Shares received by the Bligh Shareholders at the Implementation Date. Saracen will determine the relevant market value of the Saracen shares to the Bligh Shareholders following the completion of the Transaction and publish this on the Saracen and Bligh investor websites.

(c) Cost base and reduced cost base of a Bligh Share

The cost base of a Bligh Share will generally be equal to the cost of acquiring that Bligh Share, plus any incidental costs of acquisition and disposal (such as brokerage fees and legal costs). The reduced cost base of a Bligh Share is determined in a manner similar to the cost base although some differences in the calculation of reduced cost base do exist depending on the Bligh Shareholder's individual circumstances. The cost base and reduced cost base of each Bligh Share will depend on the individual circumstances of each Bligh Shareholder.

(d) Indexation

Certain Bligh Shareholders who acquired their Bligh Shares at or before 11:45am on 21 September 1999 can choose to increase the cost base of their Bligh shares for indexation based on the "consumer price index" movement from the date of acquisition to 30 September 1999. Only individuals, complying superannuation funds, trusts and listed investment companies can choose to apply indexation. Other types of taxpayers do not qualify.

Bligh Shareholders who choose to apply indexation forego the opportunity to apply the CGT discount (discussed below at (e)) (**CGT Discount**). In addition, indexation is not included in determining the reduced cost base. This means that indexation cannot increase the amount of a capital loss.

(e) **CGT Discount**

The CGT Discount may apply to Bligh Shareholders that are individuals, complying superannuation funds or trusts, who have held, or are taken to have held, their Bligh Shares for at least 12 months (not including the date of acquisition or the date of disposal) at the time of the disposal of their Bligh Shares to Saracen.

The CGT Discount is:

- one-half if the Bligh Shareholder is an individual or trustee: meaning only 50% of the capital gain (without any allowance for indexation) will be included in assessable income; and
- one-third if the Bligh Shareholder is a trustee of a complying superannuation entity: meaning only two-thirds of the capital gain (without any allowance for indexation) will be included in assessable income.

The CGT Discount is not available to Bligh Shareholders that are companies, or Bligh Shareholders who choose for indexation to apply (described above).

If a Bligh Shareholder makes a discount capital gain, any carried forward capital losses will be applied to reduce the undiscounted capital gain before the relevant CGT discount is applied. The resulting amount is then included in the Bligh Shareholder's net capital gain for the income year and included in assessable income.

The CGT Discount rules relating to trusts are complex. Accordingly, we recommend trustees seek their own independent advice on how the CGT Discount applies them and the trust's beneficiaries.

(f) **Scrip-for-scrip roll-over relief**

Bligh Shareholders who make a capital gain from the disposal of their Bligh Shares may be eligible to choose CGT scrip-for-scrip roll-over relief (provided certain conditions are met). Broadly, CGT scrip-for-scrip roll-over relief enables Bligh Shareholders to disregard the capital gain they make from the disposal of their Bligh Shares under the Offer.

For roll-over relief to be available, Saracen must become the owner of 80% or more of the shares in Bligh, the Bligh Shareholder must make a capital gain upon disposal of their Bligh Shares, and have acquired their Bligh Shares after 20 September 1985. If a capital loss arises, no scrip-for-scrip roll-over relief is available.

Bligh Shareholders do not need to inform the Australian Taxation Office, or document their choice to claim CGT scrip-for-scrip roll-over relief in any particular way, other than to complete their income tax return in a manner consistent with their choice.

(g) Consequences of choosing CGT scrip-for-scrip roll-over relief

If a Bligh Shareholder chooses to obtain CGT scrip-for-scrip roll-over relief, the capital gain arising on the disposal of their Bligh Shares under the Scheme should be disregarded.

Further, the first element of the cost base for their Saracen Shares is determined by attributing to them, on a reasonable basis, the existing cost base of the Bligh Shares exchanged under the Offer. The first element of the reduced cost base is determined similarly.

Finally, for the purposes of determining future eligibility for the CGT Discount, the acquisition date of the Saracen Shares is taken to be the date when the Bligh Shareholder originally acquired their Bligh Shares.

(h) Consequences if CGT scrip for scrip roll-over relief is not available or is not chosen

If a Bligh Shareholder does not qualify for CGT scrip-for-scrip roll-over relief, or the Bligh Shareholder chooses not to obtain CGT scrip-for-scrip roll-over relief, the general CGT treatment outlined above at paragraph 11.1(a) will apply.

If a Bligh Shareholder makes a capital loss from the disposal of their Bligh Shares, this loss may be used to offset capital gains in the same or subsequent years of income (subject to satisfying certain conditions). The capital loss cannot be offset against ordinary income or carried back to offset net capital gains arising in earlier income years.

11.2 Foreign tax resident shareholders

This Section applies to Bligh Shareholders that are not residents of Australia for Australian income tax purposes (i.e. foreign tax residents), and hold their Bligh Shares on capital account. It does not apply to Bligh Shareholders who have held their Bligh Shares at any time in carrying on a business at or through a permanent establishment in Australia.

Foreign tax resident Bligh Shareholders who hold their Bligh Shares on capital account should generally not be subject to the CGT rules in Australia on the disposal of their Bligh Shares, provided their Bligh Shares are not an "indirect Australian real property interest" as at the time of disposal.

Broadly, a Bligh Shareholder's Bligh Shares will not be an indirect Australian real property interest unless both the following conditions are satisfied:

- the foreign tax resident Bligh Shareholder and their associates (as defined for tax purposes) together hold 10% or more (by value) of the issued shares in Bligh at the time of disposal, or held 10% or more of the issued shares for at least 12 months during the 24 months prior to disposal of their Bligh Shares; and
- the aggregate market value of Bligh's assets which are taxable Australian property (being direct and indirect interests in real property, including land, leases of land mining tenements and property affixed to land, situated in Australia) exceeds the aggregate market value of Bligh's assets which are not taxable Australian property.

Bligh management has determined that the aggregate market value of Bligh's assets, which are taxable Australian property, exceed the aggregate market value of Bligh's assets which are not taxable Australian property. Accordingly, any foreign tax resident that holds a 10% or more interest in Bligh shares should be subject to Australian CGT.

For any Bligh Shareholder who satisfies these requirements, Saracen will be required to withhold (under the foreign Resident CGT withholding rules) some of the Offer Consideration and remit the withheld amount to the Australian Taxation Office (as discussed below).

For Bligh Shareholders who do not satisfy the criteria outlined above, there should be no obligation for Saracen to withhold a portion of the Offer Consideration.

Foreign Resident CGT Withholding Rules

The foreign resident CGT withholding tax rules were enacted on 25 February 2016, with effect for transactions occurring from 1 July 2016. Effective from this date, unless an exemption applies, a buyer (in this case Saracen) is required to withhold and pay (in cash) to the Commissioner an amount equal to 12.5% of the capital proceeds paid for the acquisition of Bligh Shares from Foreign Shareholders (i.e., 12.5% of the market value of the Saracen Shares issued to acquire the Bligh Shares).

Whilst the foreign resident CGT withholding tax rules aim to facilitate the collection of CGT from foreign resident sellers, it can be triggered even if the seller is, in fact, an Australian tax resident. However, this is only to the extent:

- a Bligh Shareholder's Bligh Shares are an indirect Australian real property interest; and
- a Bligh Shareholder and their associates (as defined for tax purposes), together hold 10% or more (by value) of the issued shares in Bligh at the time of disposal, or held 10% or more of the issued shares for at least 12 months during the 24 months prior to disposal of their Bligh Shares and the Bligh Shareholders.

Where a Bligh shareholder meets these criteria acceptance of the Offer will result in Saracen withholding a portion of the Offer Consideration necessary to allow it to withhold the correct amount to the Australian Taxation Office.

In certain circumstances, the Australian Taxation Office can serve a notice on Saracen which may require the Bidder to withhold an amount of Offer Consideration at an amount higher than 12.5% of the capital proceeds.

11.3 GST implications for Scheme Shareholders

No GST will be payable by Bligh Shareholders on the acquisition by Saracen of their Bligh Shares under the Offer, or on the receipt by Bligh Shareholders of Saracen Shares as Offer Consideration. Bligh Shareholders who are registered for GST may not be entitled to input tax credits (or only entitled to reduced input tax credits) for any GST incurred on costs associated with the disposal of their Bligh Shares.

11.4 Stamp Duty implications for Scheme Shareholders

No stamp duty should be payable by the Bligh Shareholders on the acquisition by Saracen of their Bligh Shares under the Offer or on the receipt by Bligh Shareholders of Saracen Shares as Offer Consideration.

To validly accept the Offer for each parcel, you must comply with the procedure in section 653B(3) of the

If Zeta has not received such Variation during the Offer Period, Saracen has agreed to extend the Offer Period for one month. If the Offer is extended under this section 12.5(c), all Bligh Shareholders will have the benefit of this extension. If Zeta does not receive the Variation within the Offer Period (including as extended under this section 12.5(c)) then Saracen will remit the relevant withholding amount (**Zeta Withholding Amount**) to the Commissioner of Taxation under section 14-200 of the Tax Administration Act 1953 (Cth) and this amount will be a debt due and owing from Zeta to Saracen and the Offer will close at the end of the extended Offer Period (collectively, the **Zeta Withholding Agreement**).

During the Offer Period:

- (i) any person who is able to give good title to a parcel of Your Bligh Shares may accept (if they have not already accepted an offer in the form of the Offer) as if an offer on terms identical with the Offer has been made to them;
- (ii) any person who holds one or more parcels of Bligh Shares as trustee or nominee, or otherwise on account of another person, may accept as if a separate offer on terms identical with the Offer had been made in relation to:
 - (A) each of those parcels; and
 - (B) any parcel they hold in their own right;
- (iii) a person is taken to hold Bligh Shares if the person is, or is entitled to be, registered as the holder of those Bligh Shares;
- (iv) a person is taken to hold Bligh Shares on trust for, as nominee for, or on account of, another person if they:
 - (A) are, or are entitled to be, registered as the holder of particular Bligh Shares; and
 - (B) hold their interest in the Bligh Shares on trust for, as nominee for, or on account of, that other person;
- (v) in the case of a person who may accept under section 12.6(a)(ii) of this Bidder's Statement as if a separate offer, on the same terms as the Offer, has been made to that person for a parcel of Bligh Shares within a holding, an acceptance of that offer is ineffective unless:
 - (A) the person gives the Bidder a notice stating that the Bligh Shares consist of a separate parcel; and
 - (B) the acceptance specifies the number of Bligh Shares in the parcel;
- (vi) a notice under paragraph 12.6(a)(v) of this Bidder's Statement must be made:
 - (A) if it relates to Bligh Shares in a CHESS Holding - in an electronic form approved under the ASX Settlement Operating Rules for the purposes of Part 6.8 of the Corporations Act; or
 - (B) otherwise - in writing; and

- (vii) a person may, at the one time, accept for two or more parcels of Bligh Shares as if there had been a single offer for a separate parcel consisting of those parcels.
- (b) **Offer is for all Your Bligh Shares**
- (i) The Offer is for all of Your Bligh Shares. You may accept the Offer at any time during the Offer Period. If you accept the Offer, you will be taken to have also accepted the Offer for all Your Bligh Shares, including any Bligh Shares which are issued to you during the Offer Period.
 - (ii) You may accept this Offer at any time during the Offer Period.
- (c) **Acceptance procedure for Bligh Shareholders**
- (i) **If you hold Your Bligh Shares in an Issuer Sponsored Holding (i.e., your SRN starts with an "I"):** to validly accept the Offer, you must:
 - (A) complete and sign the accompanying Acceptance Form in accordance with the instructions on the form; and
 - (B) return it (together with all other documents required by those instructions) so that they are received at an addresses specified in section 12.6(d)(i) before the end of the Offer Period.
 - (ii) **If you hold Your Bligh Shares in a CHESS Holding (i.e., your HIN starts with an "X"),** you must comply with the ASX Settlement Operating Rules. To accept this Offer in accordance with the ASX Settlement Operating Rules: you have one of the following three choices:
 - (A) you can instruct your Controlling Participant (usually your broker) to initiate acceptance of the Offer in accordance with Rule 14.14 of the ASX Settlement Operating Rules in sufficient time for this Offer to be accepted before the end of the Offer Period;
 - (B) you can complete and sign your Acceptance Form and return it (together with any other required documents described on the form) directly to your Controlling Participant (usually your broker) in sufficient time for this Offer to be accepted before the end of the Offer Period, with instructions to initiate acceptance of this Offer on your behalf in accordance with Rule 14.14 of the ASX Settlement Operating Rules before the end of the Offer Period; or
 - (C) you can complete and sign your Acceptance Form and return it to the Bidder at the address specified in section 12.6(d)(ii) so that your Acceptance Form is received before 7.00pm (Sydney time) on the second last Business Day of the Offer Period. This will authorise the Bidder to instruct your Controlling Participant (usually your broker) to initiate acceptance of the Offer on your behalf. Neither the Bidder, nor its registry, Computershare, will be responsible for any delays incurred by this process.

- (i) the Bidder may in its sole discretion waive any or all of those requirements at any time (including requirements in relation to the manner or method of acceptance, or the deadline for receipt of acceptances under section 12.6(c));
- (ii) where the requirements have been complied with in respect of some but not all of Your Bligh Shares, the Bidder may, in its sole discretion, deem your acceptance of the Offer complete in respect of those of Your Bligh Shares for which the requirements have been complied with, but not in respect of the remainder;
- (iii) the Bidder is not required to communicate with you prior to making its determination as to the above matters and the determination of the Bidder will be final and binding; and
- (iv) in relation to a CHESS Holding, acceptance has been carried out in accordance with Rule 14.14 of the ASX Settlement Operating Rules.

Where the Bidder elects to waive any requirements of section 12.6, your acceptance of the Offer will be complete regardless of any failure by you to comply with the waived requirements.

(f) The effect of acceptance

By signing and returning the Acceptance Form or instructing your Controlling Participant to initiate acceptance of the Offer under the ASX Settlement Operating Rules in accordance with this section 12.6:

- (xii) on this Offer or any takeover contract becoming unconditional, you irrevocably appoint the Bidder and each director of, and any nominee of, the Bidder as your attorney (even though the Bidder has not yet provided the consideration due to you) to:

- (xiv) you agree to do all such acts, matters and things that the Bidder may require to give effect to the matters the subject of sub-paragraph 12.6(g)(xii) (including the execution of a written form of proxy to the same effect as this section 12.6(g) which complies in all respects with the requirements of the constitution of Bligh) if requested by the Bidder;
- (xv) you represent and warrant to the Bidder that, unless you have notified it in accordance with section 12.6(a)(v), Your Bligh Shares do not consist of separate parcels of Bligh Shares;
- (xvi) you agree not to attend or vote in person at any general or class meeting of Bligh or to exercise or to purport to exercise, in person, by proxy or otherwise, any of the powers conferred on the Bidder and the directors of the Bidder by sub-section 12.6(g)(xii) (even though the Bidder has not yet provided the consideration due to you);
- (xvii) you authorise the Bidder to transmit a message to ASX Settlement in accordance with Rule 14.17.1 of the ASX Settlement Operating Rules so as to enter those of Your Bligh Shares which are in CHESS Holding into the Takeover Transferee Holding (even though the Bidder has not yet provided the consideration due to you);
- (xviii) you agree to indemnify the Bidder and its agents (and each of them) in respect of any claim or action against it or any loss, damage or liability whatsoever incurred by it as a result of you not producing your Holder Identification Number or Shareholder Reference Number or in consequence of the transfer of Your Bligh Shares being registered by Bligh

without production of your Holder Identification Number or your Shareholder Reference Number;

- (xix) you irrevocably accept the Offer in respect of all Your Bligh Shares despite any difference between that number and the number of Bligh Shares shown in our Acceptance Form; and
- (xx) where, at that time, you have a right to be registered as a holder of the Bligh Shares the subject of your acceptance as the result of an on market purchase (but you are not a Bligh Shareholder) you:
 - (A) agree to use reasonable endeavours to procure the delivery of the Bligh Shares the subject of your acceptance to the Bidder in accordance with your acceptance (including giving the Bidder all documents necessary to vest those Bligh Shares in the Bidder or otherwise to give the Bidder the benefit or value of those Bligh Shares);
 - (B) agree not to do or omit to do anything which may frustrate your acceptance of this Offer, or otherwise obstruct registration of the transfer of the Bligh Shares the subject of your acceptance to the Bidder;
 - (C) irrevocably assign to the Bidder all contractual rights and recourse against the vendor in respect of your on market purchase which contractual rights and recourse may arise by reason of that person's failure to complete that trade;
 - (D) agree to assign to the Bidder (without any further action being required) all rights in respect of your on market purchase immediately on any failure by you to complete that trade, including irrevocably assigning to the Bidder the right to (at the Bidder's ultimate discretion) complete that trade on your behalf, and agree that the Bidder may deduct from the consideration otherwise payable to you any amount paid by the Bidder in order to settle that on market purchase on your behalf. If the Bidder does not, or cannot, make such a deduction, you must pay such amount to the Bidder; and
 - (E) agree that if you are unable to assign to the Bidder any of the rights and recourse specified under sections 12.6(g)(xx)(C) and 12.6(g)(xx)(D), you will assign such right and recourse as soon as you are legally able to do so.

By accepting this Offer you will be deemed to have agreed to the matters set out in this section 12.6(g), even where this Offer has been caused to be accepted in accordance with the ASX Settlement Operating Rules.

The undertakings and authorities referred to in this section 12.6(g) will remain in force after you receive the consideration for Your Bligh Shares and after the Bidder becomes registered as the holder of Your Bligh Shares.

(h) **Power of attorney, deceased estate**

- (i) When accepting the Offer, you must also provide for inspection:

- (A) if the Acceptance Form is executed by an attorney, a certified copy of the power of attorney; and
 - (B) if the Acceptance Form is executed by the executor of a will or the administrator of the estate of a deceased Bligh Shareholder, a certified copy of probate, letters of administration or certificate of grant accompanied (where required by law for the purpose of transfer) by a certificate of payment of death or succession duties and (if necessary) a statement in terms of section 1071B(9)(b)(iii) of the Corporations Act.
- (ii) If the Acceptance Form is signed under power of attorney, the attorney declares that the attorney has no notice of revocation of the power and is empowered to delegate powers under the power of attorney under section 12.6(g)(xii).

(i) **Validation of otherwise ineffective acceptances**

Except in relation to Bligh Shares in a CHESS Holding, the Bidder may treat the receipt by it of a signed Acceptance Form as a valid acceptance of the Offer even though it does not receive the other documents required by the instructions on the Acceptance Form or there is not compliance with any one or more of the other requirements for acceptance. If the Bidder does treat an Acceptance Form as valid, the Bidder will not be obliged to give the Offer Consideration to you until the Bidder receives all those documents and until all of the requirements for acceptance referred to in this section 12.6 and in the Acceptance Form have been met.

(j) No material breach of representation or warranty

13.2 Nature and benefit of conditions

- (a) The Conditions set out in section 13.1 are conditions subsequent. The breach or non-fulfilment of any of the Conditions does not, until the end of the Offer Period, prevent a contract arising to acquire Your Bligh Shares resulting from your acceptance of this Offer, but non-fulfilment of any of those Conditions will have the consequences set out in section 13.3(b).
- (b) Each of the Conditions set out in section 13.1:
- (i) constitutes and will be construed as a separate, several and distinct condition; and
 - (ii) until the expiration of the Offer Period will be for the benefit of the Bidder alone and may be relied upon only by the Bidder.

13.3 Bidder may decide Offer is free from all or any of the conditions

- (a) The Bidder may at any time at its sole discretion, but in compliance with the Corporations Act, declare the Offer free from all (or any) of the conditions set out in section 13.1 by notice in writing to Bligh not later than seven days before the end of the Offer Period.
- (b) If at the end of the Offer Period, in respect of any Condition in section 13.1:
- (i) the Bidder has not declared this Offer (and it has not become) free from that condition; and
 - (ii) that condition has not been fulfilled,

all contracts resulting from the acceptance of the Offer and all acceptances that have not resulted in binding contracts are void. In such a case, the Bidder will notify ASX Settlement of the lapse of the Offer in accordance with Rule 14.19 of the ASX Settlement Operating Rules.

13.4 Date for giving notice on status of conditions

The date for giving a notice on the status of the conditions as required by section 630(1) of the Corporations Act is 5 August 2019, subject to variation in accordance with section 630(2) of the Corporations Act in the event that the Offer Period is extended.

14. Offer Consideration

14.1 When consideration is provided

Subject to this section 14 and the Corporations Act, if you accept the Offer and all of the Conditions are fulfilled or waived, the Bidder will provide the Offer Consideration due to you for Your Bligh Shares on or before the earlier of:

- (a) the date one month after the date you validly accept this Offer or, if at the time of your acceptance the Offer is subject to any Condition, one month after the Offer becomes unconditional; and
- (b) 21 days after the end of the Offer Period.

Notwithstanding the above, and subject to the Corporations Act and the Conditions being satisfied or waived, the Bidder will use reasonable endeavours to provide your Offer Consideration to you within seven days of the Offer becoming unconditional or your acceptance of the Offer (whichever occurs first in time).

14.2 Where additional documents are required

Where the Acceptance Form requires additional documents to be given to the Bidder with your acceptance of the Offer to enable the Bidder to become the registered holder of Your Bligh Shares (such as a power of attorney):

- (a) if the documents are given to the Bidder with your Acceptance Form, the Bidder will provide the consideration in accordance with section 14.1 of this Bidder's Statement;
- (b) if the documents are given to the Bidder after your Acceptance Form and before the end of the Offer Period and this Offer is subject to a Condition at the time that the Bidder is given the documents, the Bidder:
 - (i) will provide the Offer Consideration due to you on or before the earlier of:
 - (A) one month after the Offer becomes unconditional; and
 - (B) 21 days after the end of the Offer Period; and
 - (ii) notwithstanding 14.2(b)(i) above, will use reasonable endeavours to provide the Offer Consideration due to you within seven days after the Offer becoming unconditional or your acceptance of the Offer (whichever occurs first in time);
- (c) if the documents are given after your Acceptance Form and before the end of the Offer Period and the Offer is unconditional at the time that the Bidder is given the documents, the Bidder:
 - (i) will provide the Offer Consideration due to you on or before the earlier of:
 - (A) one month after the Bidder is given the documents; and
 - (B) 21 days after the end of the Offer Period;

- (ii) notwithstanding 14.2(c)(i) above, will use reasonable endeavours to provide the Offer Consideration due to you within seven days after the Offer becoming unconditional or your acceptance of the Offer (whichever occurs first in time);
- (d) if the documents are given after the end of the Offer Period, and the Offer is not subject to a Condition, the Bidder will provide the Offer Consideration within seven days after that documents are given. However, if at the time the documents are given, the Offer is still subject to a Condition that relates only to the happening of an event or circumstance referred to in section 652C(1) or (2) of the Corporations Act, the Bidder will provide the Offer Consideration due to you within 21 days after the Offer becomes unconditional.

If you do not provide the Bidder with the required additional documents within one month after the end of the Offer Period, the Bidder may, in its sole discretion, rescind the Offer Contract.

14.3 Where the Bidder is entitled to any Rights

If the Bidder becomes entitled to any Rights on acceptance of the Offer, you must give the Bidder all documents that the Bidder needs to give the Bidder title to those Rights. If you do not give those documents to the Bidder (or if you have received or are entitled to receive the benefit of those Rights) before the Bidder provides the Offer Consideration to you, the Bidder will deduct from the Offer Consideration otherwise due to you the amount (or value, as reasonably assessed by the Bidder) of those Rights.

14.4 Ineligible Foreign Shareholders or Small Parcel Shareholders

- (a) If you have accepted the Offer and you are an Ineligible Foreign Shareholder or a Small Parcel Shareholder, you will receive your share of the proceeds from the sale of the Saracen Shares in accordance with this section 14.4.
- (b) If you are an Ineligible Foreign Shareholder or a Small Parcel Shareholder, you will not be entitled to receive Saracen Shares as the Offer Consideration for Your Bligh Shares as a result of accepting this Offer, and the Bidder will:
 - (i) arrange for the issue to a nominee approved by ASIC (the **Nominee**) of the number of Saracen Shares to which you and all other Ineligible Foreign Shareholders and Small Parcel Shareholders would have been entitled but for section 12.4(b);
 - (ii) cause the Saracen Shares so issued to be offered for sale by the Nominee on the ASX as soon as reasonably practicable and otherwise in the manner, at the price and on such other terms and conditions as are determined by the Nominee (at the risk of the Ineligible Foreign Shareholders and Small Parcel Shareholders);
 - (iii) pay to you the amount ascertained in accordance with the formula:

$$(N \times YS) / TS$$

where:

“N” is the amount which is received by the Nominee upon the sale of all Saracen Shares under this section 14.4 less any fees, taxes and sale expenses;

“**YS**” is the number of Saracen Shares which would, but for section 12.4(b), otherwise have been issued to you; and

“**TS**” is the total number of Saracen Shares allotted to the Nominee under this section 14.4.

- (c) You will receive your share of the net proceeds of the sale of Saracen Shares calculated in accordance with this section 14.4 in Australian currency.
- (d) Payment will be made by cheque posted to you at your risk by ordinary mail (or in the case of overseas shareholders, by airmail) at the address provided on your Acceptance Form or to the address for you last notified to the Bidder by Bligh, within the period required by the Corporations Act.
- (e) Under no circumstances will interest be paid on your share of the net proceeds of the sale of Saracen Shares by the Nominee, regardless of any delay in remitting these proceeds to you.
- (f) As the market price of Saracen Shares will be subject to change from time to time, the sale price of the Saracen Shares sold by the Nominee and the proceeds of those sales cannot be guaranteed. Neither the Bidder nor the Nominee gives any assurance as to the price that will be achieved for the sale of the Saracen Shares by the Nominee.
- (g) The Nominee will be appointed by, and will provide the Nominee services to, the Bidder. In acting as Nominee, the Nominee will not be acting as agent or sub-agent of any Ineligible Foreign Shareholder or Small Parcel Shareholder, does not have duties or obligations (fiduciary or otherwise) to any Ineligible Foreign Shareholder or Small Parcel Shareholder and does not underwrite the sale of the Saracen Shares.
- (h) If the Bidder determines, acting reasonably and in good faith, that it must pay an amount to the Commissioner of Taxation pursuant to Subdivision 14-D of Schedule 1 of the *Taxation Administration Act 1953* (Cth) (**TAA**) with respect to the acquisition of the Bligh Shares from a Bligh Shareholder, the Bidder will, for any such Bligh Shareholder:
 - (i) determine the amount to be paid to the Commissioner (**Payment Amount**) which will either be 12.5% of the Offer Consideration or another amount as advised by the Commissioner;
 - (ii) remit funds, equal to the Payment Amount, to the Commissioner within the time required under the TAA; and
 - (iii) reduce the amount of Offer Consideration payable by the Bidder to that Bligh Shareholder by the Payment Amount for the purposes of this Offer.

For the avoidance of doubt, where the conditions in this section 14.4(h) are satisfied, the Bidder will, for the purposes of this Offer, be deemed to have satisfied its obligations to pay the consideration to a Bligh Shareholder if the amount paid to the Bligh Shareholder is the amount (or value as reasonably assessed by the Bidder) of the Offer Consideration that would have otherwise been payable to the Bligh Shareholder pursuant to the Offer, less the Payment Amount for that Bligh Shareholder.

14.5 Method of payment

Payment of any cash amount to which you are entitled under the Offer will be made by cheque in Australian currency. Cheques will be posted to you at your risk by pre-paid ordinary post to the address set out in your Acceptance Form or to the address for you last notified to the Bidder by Bligh, or, if you have an overseas address, by pre-paid airmail post.

14.6 Saracen allotment

The obligation of the Bidder to issue and allot any Saracen Shares to which you are entitled will be satisfied by the Bidder causing Saracen:

- (a) to enter your name on the register of members of Saracen; and
- (b) to dispatch or procure the dispatch to you by pre-paid post to your address recorded in Bligh's register of members at 7.00pm (Sydney time) on the Register Date, an uncertificated holding statement in your name. If Your Bligh Shares are held in a joint name, an uncertificated holding statement will be issued in the name of, and forwarded to, the holder whose name appears first in Bligh's register of members at 7.00pm (Sydney time) on the Register Date.

14.7 Return of documents

If any contract arising from the Offer is rescinded by the Bidder, the Bidder will, at its election, return by post to you at the address shown on the Acceptance Form any Acceptance Form and any other documents sent with it by you or destroy those documents and notify ASX.

14.8 Restrictions on provision of consideration

It is your sole responsibility to satisfy yourself that you are permitted by any applicable Foreign Law to accept the Offer and receive the Offer Consideration.

If, at the time of acceptance of the Offer, you are resident in or a resident of a place to which, or you are a person to whom, the following regulations apply:

- (a) the *Banking (Foreign Exchange) Regulations 1959* (Cth);
- (b) Part 4 of the *Charter of the United Nations Act 1945* (Cth);
- (c) the *Charter of the United Nations (Dealing with Assets) Regulations 2008*;
- (d) the *Charter of the United Nations (Sanctions – Afghanistan) Regulations 2001*;
- (e) the *Charter of the United Nations (Sanctions – Iraq) Regulations 2008*; or
- (f) any other law of Australia or regulation under the *Charter of the United Nations Act 1945* (Cth) that requires that an authority, clearance or approval of the Reserve Bank of Australia, the Australia Tax Office or any government authority be obtained before you receive any consideration for Your Bligh Shares,

which would make it unlawful for the Bidder to provide consideration for Your Bligh Shares, you will not be entitled to receive any consideration for Your Bligh Shares until all requisite authorities or clearances have been received by the Bidder.

14.9 Withholdings

If any amount is required under any Australian law or by any Government Agency to be withheld from any consideration otherwise payable to you under this Offer and paid to a Government Agency, or retained by the Bidder out of any consideration otherwise payable to you under this Offer, the payment or retention by the Bidder of that amount will constitute full discharge of the Bidder's obligation to pay that amount of consideration to you.

If the Bidder determines, acting reasonably and in good faith, that it must pay an amount to the Commissioner of Taxation pursuant to Subdivision 14-D of Schedule 1 of the Taxation Administration Act 1953 (Cth) (TAA) with respect to the acquisition of the Bligh Shares from a Bligh Shareholder, the Bidder will, for any such Bligh Shareholder:

- (a) determine the amount to be paid to the Commissioner (Payment Amount) which will either be 12.5% of the Offer Consideration or another amount as advised by the Commissioner;
- (b) remit funds, equal to the Payment Amount, to the Commissioner within the time required under the TAA; and
- (c) reduce the amount (or value as reasonably assessed by the Bidder) of consideration payable by the Bidder to that Bligh Shareholder by the Payment Amount for the purposes of this Offer.

For the avoidance of doubt, where the conditions in this section 14.9 are satisfied, the Bidder will, for the purposes of this Offer, be deemed to have satisfied its obligations to pay the Offer Consideration to a Bligh Shareholder if the amount paid to the Bligh Shareholder is the amount of the Offer Consideration that would have otherwise been payable to the Bligh Shareholder pursuant to the Offer, less the Payment Amount for that Bligh Shareholder.

If any Bligh Shareholder is subject to an amount of withholding by Commissioner of Taxation pursuant to Subdivision 14-D of Schedule 1 of the Taxation Administration Act 1953 (Cth) (TAA), and wishes to take advantage of the arrangements contemplated in section 12.5(c) in this Bidder's Statement in relation to Zeta, such Bligh Shareholder should contact Fiona Baird (from Saracen) on 08 6229 9157 in relation to this request. The Bidder will consider any such request in good faith and will use its reasonable endeavours to extend similar arrangements to such Bligh Shareholders.

15. General

15.1 Official quotation of new Saracen Shares

- (a) Saracen has been admitted to the official list of the ASX. Shares of the same class as those to be issued as Offer Consideration has been granted official quotation by the ASX.

- (c) Pursuant to the Corporations Act, this Offer and any contract that results from your acceptance of it are subject to a condition that permission for admission to official quotation by the ASX of the Saracen Shares to be issued pursuant to the Offer is granted no later than seven days following the end of the Offer Period. If this condition is not fulfilled, all contracts resulting from the acceptance of the Offers will be automatically void.

15.2 Variation or withdrawal of the offer

- (b) The Bidder may withdraw unaccepted Offers at any time with the written consent of ASIC and subject to any conditions specified in ASIC's consent.

- (d) Subject to any conditions imposed by ASIC on its consent, where the Bidder withdraws this Offer:
 - (i) this Offer, if not previously accepted, automatically becomes incapable of acceptance; and
 - (ii) any contract resulting from an acceptance of this Offer before the withdrawal (and for this purpose this Offer is treated as having continued in existence notwithstanding that acceptance) is automatically void.

15.3 Notices

Any notice, nomination, or other communication to be given by the Bidder to you under the Offer will be deemed to be duly given if it is given in writing and is signed or purports to be signed (whether in manuscript, printed or reproduced form) on behalf of the Bidder by any of its directors or its company secretary and is delivered to or sent by post in a pre-paid envelope or by courier to your address as recorded on the register of Bligh Shareholders or, if you have an overseas address, by pre-paid airmail post.

Other than in respect of the delivery of Acceptance Forms by Bligh Shareholders (which must be delivered in accordance with section 12.6(c)), any notice or other communication given by you to the Bidder in connection with the Offer will be deemed to be duly given if it is in writing and is sent to any of the following addresses:

16. Additional Information

16.1 Bid Implementation Deed

On 14 June 2019, Bligh and Saracen entered into the Bid Implementation Deed which sets out the rights and obligations of Bligh and Saracen in connection with the implementation of the Offer. A copy of the Bid Implementation Deed was provided to the ASX on 14 June 2019 and is publicly available on the ASX company announcements platform.

A summary of the Bid Implementation Deed follows:

(a) Conditions

The Offer is subject to a number of Conditions which must be satisfied or waived before an unconditional contract can arise from acceptance of the Offer. These conditions are set out in clause 3 and Schedule 1 of the Bid Implementation Deed and are summarised in section 13.1 of this Bidder's Statement.

Bligh and Saracen:

- (i) must to the extent within its power, use reasonable endeavours to ensure that each Condition is satisfied as soon as practicable after the Announcement Date (if applicable);
- (ii) agree not to do, or omit to do, anything which will, or is likely to, result in any of the Conditions being breached or not satisfied; and
- (iii) must keep the other promptly and reasonably informed of the steps it has taken and its progress towards satisfaction of the Conditions, and promptly notify the other if it becomes aware that any Condition has been satisfied.

(b) Competing Proposal

Clause 6 of the Bid Implementation Deed sets out the exclusivity obligations of Bligh in connection with the implementation of the Offer. A summary of the key exclusivity obligations of Bligh during the Relevant Period is set out below:

- (i) **(No-shop)** Bligh must not, and must ensure that its Representatives do not, directly or indirectly solicit, initiate, encourage or invite enquiries, discussions or proposals in relation to, or which may reasonably be expected to lead to, a Competing Proposal, or communicate to any such person any intention to do any of the things referred to above;
- (ii) **(No-talk)** Bligh represents and warrants that, as at the Announcement Date, Bligh and its Representatives have terminated all discussions with any Third Party in relation to, or which could reasonably be expected to lead to, a Competing Proposal or any other transaction that would, or would be reasonably expected to, reduce the likelihood of success of the Offer. Bligh must not, and must ensure that its Representatives do not, directly or indirectly do any of the following, or communicate to any person any intention to do any of the following:
 - (A) participate in any discussions or negotiations in relation to, or which may reasonably be expected to lead to, a Competing Proposal;

- (B) provide or make available to any Third Party any non-public information relating to Bligh or any Target Group Member where provision of that information may reasonably be expected to lead to a Competing Proposal; or
 - (C) negotiate, accept, enter into or offer or agree to negotiate, accept or enter into, any agreement, arrangement or understanding regarding an actual, proposed or potential Competing Proposal.
- (iii) **(No due diligence)** Bligh must not, and must ensure that its Representatives do not, directly or indirectly solicit, initiate, facilitate or encourage any party to undertake due diligence on Bligh or any member of the Target Group in connection with a Competing Proposal, or provide to any other person or permit such person to receive any non-public information with a view to obtaining or reasonably leading to a Competing Proposal.
- (iv) **(Notification obligation)** Bligh must, within two days, notify Saracen in writing if it or a Bligh Representative is approached or receives an intention to make such an approach, by any person in relation to an actual, proposed or potential Competing Proposal. The notice must set out all material details of the approach and include the identity of the proponent(s) of the Competing Proposal.
- (v) **(Fiduciary exception)** In respect of a Competing Proposal that is made or announced without any breach by Bligh of its obligations under the Competing Proposal clauses in clause 6 of the Bid Implementation Deed, Bligh may:
- (A) undertake any action (**Prohibited Action**) that would otherwise be prohibited by the No-talk or No due diligence clauses; or
 - (B) fail to take any action (**Required Action**) that would otherwise be required by the Notification obligation,

if (and only to the extent that) the Bligh Board determines, acting in good faith and after consultation with Bligh's financial advisers and receiving written legal advice from external legal advisors, that not undertaking the Prohibited Action or taking the Required Action, would, or would be likely, to result in a Bligh Director breaching their fiduciary or statutory duties or would otherwise be unlawful.

- (vi) **(Matching right):**
- (A) Bligh must not, and must procure that each of its Subsidiaries do not, enter into, or agree to enter into, any legally binding agreement, arrangement or understanding (whether or not in writing) pursuant to which a Third Party, Bligh (or any of its Subsidiaries) or both proposes or propose to undertake or give effect to a Competing Proposal, and must use its best endeavours to ensure that no Bligh Director publicly recommends or otherwise endorses a Competing Proposal as a Superior Proposal or recommends against the Offer, unless:
 - (1) the Bligh Board, acting in good faith, after consultation with its financial advisers and external legal advisors, determines that failure to take that action would likely be inconsistent with the Directors' fiduciary or statutory duties owed by any Bligh Director, and the proposed Competing Proposal would constitute an actual, proposed or potential Superior Proposal;

(2) Bligh has provided Saracen the information contemplated above;

(3) Bligh has first given Saracen three Business Days after the date of provision of the information contemplated by paragraph 16.1(b)(iv) to provide Bligh with an irrevocable offer of matching or Superior Proposal to the Competing Proposal on terms which Saracen considers in good faith to be no less favourable to the relevant Competing Proposal (**Bidder Counter Proposal**); and

(4) Saracen has not provided, in the reasonable opinion of the Target Board, a Bidder Counter Proposal by the end of period contemplated in above paragraph 16.1(b)(vi)(A)(3).

- (B) Bligh must procure that the Bligh Board will consider the Bidder Counter Proposal to determine if the Bidder Counter Proposal would provide an equivalent or superior outcome for Bligh Shareholders as a whole compared with the Competing Proposal.
 - (C) To the extent required to discharge what the Bligh Directors have determined in good faith to be their fiduciary or statutory obligations, the Bligh Directors may release a public announcement acknowledging the receipt of a Competing Proposal and advise Bligh Shareholders to take no action in relation to the Competing Proposal until they receive further advice from the Bligh Board.
 - (D) If Saracen provides Bligh with a proposal that is a Bidder Counter Proposal by the end of the period contemplated in above paragraph 16.1(b)(vi)(A)(3), Saracen and Bligh must use reasonable endeavours to agree any amendments to the Bid Implementation Deed as reasonably necessary to reflect the Bidder's Counter Proposal as soon as reasonably practicable. Bligh must use its reasonable endeavours to procure that each of Bligh Director continues to recommend the modified Offer to Bligh Shareholders.
- (vii) (**Provision of information**) Bligh must as soon as possible provide Saracen with a copy of written materials, or in any other case a written statement, of any non-public information about the business or affairs of the Target Group disclosed or otherwise provided to any Third Party in connections with an actual, proposed or potential Competing Proposal that has not previously been provided to Saracen.
