Civil Contract Awards

MACA Limited ('MACA') (ASX:MLD) is pleased to announce the award of a Construct Only contract with Main Roads Western Australia for Stage 3 of the Karratha / Tom Price Road.

The contract is expected to generate revenue of \$81 million and is due to commence in September of 2019 and be completed by mid 2020. The scope of work includes the construction and sealing of a 45 kilometre section of road. Construction includes overlaying the existing pavement sections, installation of new culverts and extensions to the existing culverts as required.

In addition, MACA, through its Victorian based Civil and Infrastructure business, has been awarded a \$10 million construction contract by VicRoads for the Shepparton Alternative Route Roundabout Upgrades. This project has commenced and will take approximately 36 weeks to complete. The award of the two contracts will underpin the Civil and Infrastructure division through the FY20 period.
