

The background of the slide is a wide-angle photograph of a large-scale open-pit mining operation. The site is characterized by deep, terraced levels of reddish-brown earth and rock. In the foreground, a yellow excavator is positioned on the right, with its bucket raised as if dumping material into a yellow haul truck. Another haul truck is visible further back in the middle ground. The sky is a clear, bright blue. The company logo, a stylized yellow 'R', is positioned to the left of the company name.
