

Northern Star makes recommended takeover offer for Echo Resources

HIGHLIGHTS

- Cash offer of A\$0.33 a share represents a 50% premium to Echo's 20-day VWAP

Echo Resources Limited ("**Echo**") (ASX: EAR) and Northern Star Resources Limited ("**Northern Star**") (ASX: NST) are pleased to announce that they have entered into a Bid Implementation Agreement¹ ("**BIA**"), pursuant to which Northern Star will offer to acquire all of the issued and outstanding ordinary shares in Echo that it does not already own² (each an "**Echo Share**" and together the "**Echo Shares**") under the terms of an off-market takeover bid (the "**Offer**").

Under the terms of the Offer, subject to satisfaction or waiver of certain conditions, each Echo Shareholder will receive a cash offer of A\$0.33 for every Echo Share held (the "**Offer Consideration**"), which represents a significant premium to Echo's recent share trading, specifically:

- 39.4% to Echo's Volume Weighted Average Price ("**VWAP**") of A\$0.237 on 19 August 2019 (Echo's last trading day on ASX before Echo was placed in trading halt);
- 42.1% to Echo's 10-day VWAP of A\$0.232 up to and including 19 August 2019;
- 49.7% to Echo's 20-day VWAP of A\$0.220 up to and including 19 August 2019; and
- 80.3% to Echo's 60-day VWAP of A\$0.183 up to and including 19 August 2019.

Furthermore, the Offer Consideration represents a 154% premium to the A\$0.130 a share issue price of Echo's most recent capital raising completed on 6 May 2019.

Northern Star is Echo's largest Shareholder, with a relevant interest in approximately 21.7% of the issued and outstanding ordinary shares in Echo as at the date of this announcement.

The Offer implies a fully diluted² equity value for Echo of approximately A\$242.6 million. In order to acquire the Echo Shares it does not already own, up to A\$193.0 million will be payable by Northern Star (the "**Offer Amount**"). As at 30 June 2019, Northern Star had cash and equivalents of A\$361.0 million and an undrawn debt facility of A\$200.0 million, which is well in excess of the Offer Amount and related transaction expenses.

Echo Board Recommendations

Those Directors of Echo independent of Northern Star, comprising Mr Victor Rajasooriar (Managing Director and Chief Executive Officer), Dr Alistair Cowden (Non-Executive Chairman), Mr Mark Hanlon (Non-Executive Director) and Mr Anthony McIntosh (Non-Executive Director) ("**Independent Directors**") have carefully considered the terms and conditions of the Offer and, in consultation with Echo's financial and legal advisers, have unanimously recommended that Echo Shareholders accept the Offer in the absence of a Superior Proposal³. Echo's Independent Directors have confirmed their present intention to, in the absence of a Superior Proposal, accept the Offer in

¹ Attached as Appendix 1.

² Assumes all outstanding Echo options and performance rights vest, are exercised or cancelled pursuant to option cancellation deeds between Northern Star and option holders.

respect of all Echo Shares they own or control which represent approximately 1.7%⁴ of the issued and outstanding ordinary shares in Echo.

Mr Alan Thom, who is a principal of Northern Star and nominee of Northern Star on the Echo Board, has abstained from making a recommendation in relation to the Offer.

Victor Rajasooriar, Managing Director and Chief Executive Officer of Echo, said:

“The Offer reflects the strategic nature of Echo’s Yandal Gold Project which has a unique combination of mineralisation, untested exploration upside, established processing infrastructure at Bronzewing and a detailed Feasibility Study.”

“The Board of Echo is pleased to recommend the Offer to Echo Shareholders in the absence of a Superior Proposal, and we look forward to working with Northern Star to implement the transaction.”

Overview of Echo – the Yandal Gold Project

Echo Resources is an exploration and development Company focused on the Yandal Gold Project, which comprises over 1,600km² of contiguous tenements in the Yandal greenstone gold belt in Western Australia, collectively known as the Yandal Gold Project (“**Yandal Gold Project**”). The tenements are located approximately 400 kilometres north of Kalgoorlie in Western Australia’s northern goldfields and include the ~1.8 million tonne per annum Bronzewing processing plant and associated infrastructure.

Refer to Echo's announcements for further information.

Northern Star’s Strategic Rationale

The acquisition of Echo will allow Northern Star to consolidate the mineralisation at the Yandal Gold Project for further evaluation on both an exploration and development basis. The acquisition of Echo will also provide Northern Star with the ability to process gold at the Bronzewing processing plant, if an evaluation of a restart is successful.

Key benefits for Echo Shareholders

- **Certain and immediate value for Echo Shareholders** – Given the Offer Consideration comprises 100% cash, Echo Shareholders will receive a certain, immediate and attractive value for their Echo Shares. By accepting the Offer, Echo Shareholders will receive a cash payment of A\$0.33 for every Echo Share held within seven business days of the later of the date that Echo Shareholders accept the Offer and the date that the Offer becomes unconditional. Furthermore, Echo Shareholders will not incur any brokerage fees, which will likely be incurred if Echo Shareholders sold their Echo Shares on market.
- **Attractive and significant premium** – The Offer represents an attractive and significant premium to recent trading levels of Echo Shares.
- **Avoidance of future funding and associated dilution risk** – The Yandal Gold Project will likely require additional financing in the medium term to fund future exploration and project development activities. To the extent that some or all of this additional funding is sought in the form of equity, if Echo Shareholders do not accept the Offer, Echo Shareholders would need to contribute commensurately with their existing shareholding to avoid having their proportionate interest in Echo diluted.

- **Avoidance of inherent risks** — Echo Shareholders who accept the Offer will no longer be exposed to a variety of risks including, among others, project development and operational risks, regulatory, equity market and economic risks inherent in their shareholding

Bid Implementation Agreement

Under the BIA, Northern Star and Echo have given undertakings to each other to facilitate the Offer.

The Offer is subject to a limited number of conditions, the full list of which is set out in Part 3 of Schedule 2 of the BIA, including:

- 90% minimum acceptance by Echo Shareholders (on a fully diluted basis);
- All applicable approvals being obtained and no materially adverse regulatory action restraining, prohibiting or impeding the Offer;
- No material acquisitions or disposals in relation to Echo;
- No adverse exercise of third party rights in relation to Echo;
- No breach of warranties or representations by Echo contained in the BIA; and
- No prescribed occurrence in relation to Echo.

The BIA contains customary deal protection mechanisms including “no shop”, “no talk” and “no due diligence” restrictions, as well as notification and matching rights in the event of a competing proposal. A break fee of A\$1 million may also be payable by Echo to Northern Star in certain circumstances set out in the BIA.

The Offer will extend to all Echo Shares including those issued as a result of the exercise of options or vested performance rights during the Offer period. Separate offers are being made for certain options, on equivalent terms to the Offer.

Timetable and next steps

Detailed information relating to the Offer will be set out in the Bidder’s Statement and Target’s Statement, which are expected to be dispatched to Echo Shareholders in mid-September 2019.

2.3 Public announcement

Immediately after the execution of this agreement, Northern Star and Echo must jointly issue the Agreed Public Announcement.

3 Facilitating the Bid

3.1 Access to information

- (b) Echo agrees to provide to Northern Star on the Business Day after the date of this agreement and otherwise as requested, such information about Echo Shareholders and Echo Optionholders as reasonably requested by Northern Star to make the Offers and solicit acceptances, including the Register and any updates to it.

3.2 Dispatch of Bidder's Statement

Echo represents and warrants to Northern Star that each of the Recommending Directors has confirmed his or her agreement to the Share Offer and accompanying documents being sent by Northern Star under item 6 of section 633(1) of the Corporations Act at any date after the Bidder's Statement has been lodged with ASIC under item 2 of section 633(1) of the Corporations Act.

- (a) Echo must prepare the Target's Statement in compliance with the Corporations Act.
- (b) Echo must ensure that the Target's Statement:

3.4 Bid Conditions

- (a) Each of Echo and Northern Star must, to the extent within its power, use its reasonable endeavours to ensure that:
 - (i) the Bid Conditions are satisfied as soon as practicable after the date of this agreement; and
 - (ii) none of the Bid Conditions are breached or not satisfied.
- (b) Echo and Northern Star agree not to do, or omit to do, anything which will, or is likely to, result in any of the Bid Conditions being breached or not being satisfied.
- (c) If any event occurs or becomes apparent which would cause any of the Bid Conditions to be breached or become (either immediately or at some future point in time) incapable of satisfaction, or which would cause satisfaction of a Bid Condition to be unreasonably delayed, Echo and Northern Star must, to the extent that they are aware of such information, immediately notify the other party of that event.

3.5 Options Offer

Echo must provide all reasonable assistance in connection with making the Options Offer including, but not limited to:

- (a) consulting with Northern Star in good faith in relation to the need for any waivers from the ASX Listing Rules and applying to ASX for all waivers which Northern Star or Echo consider necessary (after giving Northern Star a reasonable opportunity to review an advanced draft of any such application and after incorporating any reasonable comments received from Northern Star on the advanced draft); and
- (b) seeking any necessary modifications of provisions of the Corporations Act as required,

to enable all Echo Options to be cancelled for consideration, for the purposes of the Options Offer.

3.6 Promotion and facilitation of Bid

- (a) Unless the Recommending Directors have withdrawn their recommendations of the Share Offer in accordance with clause 2.2(b), Echo must ensure that each Recommending Director and such other senior executives of Echo as reasonably requested by Northern Star, participate in efforts to promote the merits of the Bid, including:

 - (ii) not to make any public statement or take any other public action which would suggest that the Bid are not unanimously recommended by the Recommending Directors unless a Superior Proposal emerges; and
 - (iii) to consult in good faith with Northern Star before making any external communication about the Bid to Echo clients or suppliers.

4 Conduct of business

4.1 Conduct of business

On and from the date of this agreement until the expiry of the Exclusivity Period, Echo must ensure that Echo Group conducts its business and operations and maintains its assets only in, and not take any action except in, the ordinary course and consistent with the manner in which the business and operations have been conducted and in which those assets have been maintained in the last 12 months and (except to the extent announced to the ASX Market Announcements Platform prior to the date of this Agreement or fairly disclosed in the Disclosure Materials) must use reasonable endeavours to:

- (a) operate the Echo Group's businesses materially in accordance with the budget and expenditures disclosed in the documents "*EAR Budget 2019/20*" and "*EAR Budget 2019-20 Additional Costs*" in the Disclosure Materials (for the avoidance of doubt the parties also agree that costs and expenses associated with the Transaction and the Offers (to a maximum amount of \$4 million) and payments relating to termination of Departing Employees do not breach this agreement);
- (b) preserve the value of the Echo Group's businesses and assets (including the Tenements) and Echo's relationships with joint venturers, suppliers, licensors and

others with whom the Echo Group has business dealings. For the avoidance of doubt this includes:

- (i) paying any annual rental fees and mining rehabilitation levies payable in relation to each Tenement, as and when they become due;
 - (ii) preparing and lodging any applications for extension of term (and renewals) for Tenements that are due to expire before the end of the Exclusivity Period;
 - (iii) complying with all of the conditions of the Tenements and ensuring (to the extent it is within the reasonable control of the Echo Group) that the Tenements are not adversely amended, adversely varied, terminated or withdrawn, cancelled or surrendered in whole or in part;
 - (iv) ensuring that Echo and its Subsidiaries (as applicable) remain at all times the legal and beneficial holder of their assets; and
 - (v) promptly providing Northern Star with a copy of all material notices received by Echo from any Government Agency or Third Party in relation to the Tenements;
- (c) perform its material obligations under all Material Contracts and materially comply with all laws, regulations, rules, requirements, authorisations, licenses, permits, consents and approvals applicable to the Echo Group;
- (d) not modify any existing Material Contract in any material respect and not enter into any new Material Contract;
- (e) not offer or agree to terminate or novate any Material Contract or to amend any such contract in a material respect; or
- (f) not do, cause to be done or fail to do or cause not to be done, anything that would or may result in the Transaction not being implemented or being implemented otherwise than in accordance with the Timetable and the terms of this agreement.

4.2 Access, information and co-ordination

- (a) During the Exclusivity Period, Echo will, and will cause the members and senior management of the Echo Group to, provide Northern Star and its Representatives with reasonable access to such officers, employees, documents, records, premises, sites, locations and other information which Northern Star reasonably requires for the purposes of:
- (i) implementing the Transaction; or
 - (ii) preparing for controlling the conduct of the business of the Echo Group following implementation of the Transaction,

provided that such access does not place an unreasonable burden on the ability of Echo or any member of the Echo Group to operate their business or would be a breach of law (including the ASX Listing Rules).

- (b) During the Exclusivity Period, but subject to applicable laws, Echo will consult with Northern Star in relation to the conduct of the Echo Group's business and

operations (including promptly responding to any reasonable questions asked by Northern Star in relation to such matters).

- (c) As soon as practicable after the date of this agreement, Northern Star and Echo must seek to identify any change of control or similar provisions in Material Contracts to which Echo or a member of the Echo Group is a party which may be triggered by the implementation of the Transaction. In respect of those contracts, Echo and Northern Star will agree a proposed course of action to initiate contact with the relevant counterparties to such Material Contracts to request that they provide any consents or waivers required. The parties must cooperate with each other to obtain such consents as expeditiously as possible.
- (d) Nothing in this clause 4.2 requires a party to act at the direction of another party or constitutes the relationship of a partnership or a joint venture between them.

4.3 Treatment of Performance Rights

- (a) The parties acknowledge that the Performance Rights automatically vest and will be exercisable into Echo Shares when:
 - (i) the Bid is declared unconditional and
 - (ii) Northern Star acquires a Relevant Interest in at least 50.1% of the issued Echo Shares.
- (b) Echo agrees to provide Northern Star with all reasonably requested information in relation to the Performance Rights or holders of the Performance Rights.

4.4 Appointment of Directors to Echo Board

- (a) Echo represents and warrants to Northern Star that each Recommending Director has confirmed to it that he or she will, and Echo must procure that the Echo Board will take all actions necessary to ensure that, subject to applicable laws:
 - (i) the nominees of Northern Star are lawfully appointed as directors of Echo; and
 - (ii) all non-Northern Star nominees on the Echo Board resign from the Echo Board,

on the Business Day following the Control Date, provided that a board of at least 3 directors is constituted at all times and that Northern Star procures that its appointees to the Echo Board do not participate in decisions of Echo in relation to the Share Offer or any Competing Transaction.

- (b) Echo represents and warrants to Northern Star that (other than Victor Rajasooriar, who is a Departing Employee) each Recommending Director has confirmed to it that, and Echo must procure that, he or she will on resignation from the Board, resign as a director and an employee of all members of the Echo Group and in doing so confirm in writing that they have no claims against the Echo Group (subject to any contractual and statutory rights and entitlements).

4.5 Termination of Departing Employees

- (a) On or before the Control Date, the Board will resolve to terminate the employment of the Departing Employees, which termination will take effect on or after the Control Date.
- (b) Northern Star agrees and undertakes:
 - (i) to honour; and
 - (ii) to procure each Echo Group Member honours, performs and complies with, the contractual and statutory rights and entitlements of all employees and consultants of each Echo Group Member on and from the Control Date.

5 Public announcements

- (a) Subject to clause 5(b), before making any public announcement in relation to the Transaction (whether to ASX or otherwise), each party must provide the other party with a draft copy of such public announcement as soon as reasonably practicable before it is proposed that such public announcement is made, and each party must give the other party a reasonable opportunity to comment on the form and content of the draft announcement and must take into account all reasonable comments from that other party and its Representatives on the draft.
- (b) Each party will only be required to comply with clause 5(a) if and to the extent that compliance would not be likely to result in it breaching its continuous disclosure obligations or other applicable law.

6 Exclusivity

6.1 No existing discussion

Echo represents and warrants to Northern Star that as at the date of this agreement it is not involved in any discussions or negotiations with any person about a Competing Transaction and has ceased any such discussions or negotiations to the extent that they were on foot prior to the date of this agreement.

6.2 No shop

During the Exclusivity Period, Echo must not, and must ensure that each of its Representatives does not, directly or indirectly:

- (a) solicit, invite, encourage or initiate any enquiries, negotiations or discussions in relation to a Competing Transaction or which could reasonably be expected to lead to a Competing Transaction; or
- (b) communicate any intention to do any of the things referred to in clause 6.2(a).

6.3 No talk

Subject to clause 6.6, during the Exclusivity Period, Echo must not, and must ensure that each of its Representatives does not:

- (a) directly or indirectly enter into, continue or participate in negotiations or discussions with any other person regarding, or that could reasonably be expected to lead to, a Competing Transaction, even if:
 - (i) those negotiations or discussions were not directly or indirectly encouraged, solicited, invited or initiated by Echo or any of its Representatives; or
 - (ii) that person has publicly announced their Competing Transaction; or
- (b) enter into any Competing Agreement (whether or not a Competing Transaction has actually been announced or made).

6.4 No due diligence

- (a) Subject to clause 6.6, during the Exclusivity Period, Echo must not, and must ensure that each of its Representatives does not, make available to any Third Party or permit any Third Party to receive any non-public information relating to the Echo Group or any of its businesses, assets or operations, in connection with such Third Party formulating, developing or finalising, or assisting in the formulation, development or finalisation of, a Competing Transaction (**Diligence Information**).
- (b) If by reason of the operation of clause 6.6, Echo proposes to provide a Third Party with Diligence Information during the Exclusivity Period, it must first enter into a binding confidentiality agreement with that party and otherwise on customary terms and which, in any event and taken as a whole, is no less favourable to Echo than the Confidentiality Agreement.
- (c) If Echo provides a Third Party with Diligence Information during the Exclusivity Period, it must provide a copy of any Diligence Information not already made available to Northern Star at the same time as it is provided to the Third Party.

6.5 Notification of approaches

- (a) During the Exclusivity Period, Echo must immediately (and, in any event, within one day) notify Northern Star in writing if:
 - (i) it is asked to do, proposes to take, or is approached by any person to take, any action of a kind that is set out in clauses 6.3 or 6.4; or
 - (ii) it or any of its Representatives directly or indirectly receives any approach, inquiry or proposal (whether written or verbal) from any person regarding, or that could reasonably be expected to lead to, a Competing Transaction.
- (b) A notice given under this clause 6.5 must be accompanied by all material details of the relevant event, which details will, for the avoidance of doubt, include the following (to the extent applicable):
 - (i) all material terms of the relevant Competing Transaction (including the consideration proposed to be offered under that transaction and any conditions to which that transaction would be subject); and

- (ii) the identity of all persons involved in the relevant event, including the person(s) who made the Competing Transaction (or on whose behalf the Competing Transaction was made, as the case may be) and the person(s) who would be involved in the relevant Competing Transaction.

6.6 Exceptions to no talk and no due diligence

The restrictions in clauses 6.3 and 6.4 do not apply to the extent that they restrict Echo or a Recommending Director from taking or refusing to take any action with respect to a bona fide Competing Transaction (which was not encouraged, solicited, invited or initiated in contravention of clause 6.2) provided that in the opinion of each of the Recommending Directors, formed in good faith and after receipt of written advice from Echo's financial and legal advisers:

- (a) the Competing Transaction is made in writing by or on behalf of a person that the Recommending Directors consider is of reputable commercial standing;
- (b) the Competing Transaction would be, or could reasonably be expected to lead to a transaction which is, more favourable to Echo Shareholders than the Bid, after taking into account all aspects of the Competing Transaction including price, form of consideration and conditions; and
- (c) taking or failing to take the action with respect to the Competing Transaction would, or would be likely to, involve a breach of the fiduciary or statutory obligations of each Recommending Director.

Without limitation to any other part of this clause 6.6, before it can be relied upon, the Recommending Directors must obtain a written opinion a legal adviser confirming that, if the Recommending Directors form the views in paragraphs (a) and (b) in accordance with this clause, then taking or failing to take the action which is proposed to be taken with respect to the relevant Competing Transaction would, or would be likely to, involve a breach of the fiduciary or statutory obligations of each Recommending Director.

6.7 Matching Right

- (a) Without limiting Echo's obligations under clauses 6.4(b) and 6.5, if any Recommending Director proposes to (whether or not subject to conditions) change his or her recommendation of the Share Offer so that he or she can recommend a Competing Transaction (**Rival Transaction**), Echo must give Northern Star written notice (**Relevant Notice**) of such proposed change of recommendation.
- (b) A Relevant Notice must include:
 - (i) all the material terms and conditions (including price) of the Rival Transaction;
 - (ii) a copy of any material confidential information concerning the Echo Group provided to any person associated with the Rival Transaction which has not previously been provided to Northern Star; and
 - (iii) details of the basis upon which the Recommending Director intends to change his or her recommendation.
- (c) Northern Star will have the right, but not the obligation, at any time during the period of three Business Days following receipt of a Relevant Notice (**Matching Right Period**), to amend the terms of the Offers (including, but not limited to,

increasing the amount of consideration offered under the Offers or proposing any other form of transaction (each a **Counter Proposal**)), and if it does so then the Recommending Directors must review the Counter Proposal in good faith. If a majority of the Recommending Directors determine that the Counter Proposal would be at least as favourable to Echo Shareholders as the Rival Transaction:

- (i) Echo and Northern Star must use their best endeavours to, as soon as practicable, enter into the necessary documentation to give effect to the Counter Proposal; and
- (ii) Echo must:
 - (A) ensure that each of the Recommending Directors recommends the Counter Proposal to Echo Shareholders and does not recommend the Rival Transaction;
 - (B) not enter into a Competing Agreement in respect of that particular Rival Transaction; and
 - (C) continue to comply with its obligations under this agreement.
- (d) Without limitation to any other part of this agreement, during the Matching Right Period:
 - (i) no Recommending Director is permitted to change his or her recommendation of the Share Offer or to make any public statement to the effect that he or she may do so at some future point in time; and
 - (ii) Echo must not enter into any agreement, arrangement or understanding in respect of that particular Rival Transaction.
- (e) For the purposes of this clause 6.7, each successive material modification to a Rival Transaction will constitute a new Rival Transaction in respect of which Echo must comply with its obligations under this clause 6.7.

7 Break Fee

7.1 Acknowledgment

- (a) Echo acknowledges that, if Northern Star enters into this agreement and the Bid do not succeed, Northern Star will have incurred significant costs and losses, including significant opportunity costs.
- (b) Echo acknowledges and agrees that the costs and losses that have been and will be incurred by Northern Star under this clause 7.1 will be of such nature that they cannot accurately be ascertained, but that the Break Fee is a genuine and reasonable estimate of those costs and losses and has been calculated to reimburse Northern Star for those costs and losses.
- (c) Echo represents and warrants to Northern Star that:
 - (i) it has received legal advice on this agreement and the operation of this clause 7; and

- (ii) it considers this clause 7 to be fair and reasonable and that it is appropriate to agree to the terms in this clause 7 in order to secure the significant benefits to it (and Echo Shareholders) if the Bid is successful.

7.2 Break Fee

Echo must pay Northern Star the Break Fee (plus any GST, only once and without set-off or withholding), within two Business Days after receiving a written demand from Northern Star, if any of the following occur during the Offer Period:

- (a) any Recommending Director fails to make, or makes and then withdraws, revises, revokes or qualifies, a recommendation to Echo Shareholders (which recommendation may, without triggering any obligation to pay the Break Fee, be made subject to no Superior Proposal emerging) to accept the Share Offer (whether or not that failure, withdrawal, revocation, qualification or revision is otherwise in breach of this agreement);
- (b) any Recommending Director publicly endorses, invites, welcomes or otherwise publicly supports a Competing Transaction or any other Third Party proposal to acquire the whole, a substantial part or a material part of the Echo Group's assets, business or property;
- (c) a person other than Northern Star or a Related Body Corporate of it acquires the whole, a substantial part, or a material part of the Echo Group's assets, business or property;
- (d) at any time before the End Date, Echo enters into a Competing Agreement with a Third Party;
- (e) Echo breaches clause 6 in any material manner and Northern Star terminates this agreement under clause 9.1(a)(i);
- (f) Northern Star validly terminates this agreement under clause 9.1(a)(i); or
- (g) Echo or any of the Recommending Directors does (or omits to do) anything (whether or not permitted by this agreement) that results in any of the Conditions being breached or becoming incapable of being satisfied, and Northern Star does not waive that Condition.

7.3 Timing of payment of Break Fee

- (a) A demand by Northern Star for payment of the Break Fee under clause 7.2 must:
 - (i) be in writing;
