SRG Global secures \$44m facade contract for Parramatta Square Project

Highlights:

- SRG Global has secured a \$44 million contract for the design, supply and installation of an engineered curtain wall facade for the \$3.2 billion Parramatta Square Project
- This is the largest ever contract for SRG Global's Facades division which underscores its reputation as a leading facade contractor in Australia

SRG Global ('SRG' or 'the Company') (ASX: SRG) is pleased to announce a \$44 million contract for the Parramatta Square Project in New South Wales. The \$3.2 billion Parramatta Square redevelopment is one of the largest urban renewal projects in Australia and will include 290,000 square metres of premium office and retail space.

SRG's Facades division has been contracted by the Built Obayashi Joint Venture ('Built') to design, supply and install an engineered curtain wall facade on two towers located at 6 and 8 Parramatta Square. Works are expected to commence in mid-2020 and run for approximately 18 months.

SRG Global Managing Director, David Macgeorge, said: *"This is the largest contract our Facades division has secured to date and clearly demonstrates our position as a leader in the Australian facades market. It is also a significant milestone for SRG Global as a business. We have a long working history with Built and we look forward to continuing our successful partnership with Built in delivering this project."*
