WestStar business SIMPEC Wins \$5M Power Station contract at Fortescue's Eliwana Mine and Rail Project

Highlights

- WestStar business SIMPEC Pty Ltd has been awarded a ~\$5M contract by Energy Power Systems Australia
- This is SIMPEC's First full vertical installation package – comprising of Civil, Structural, Mechanical, Piping, Electrical and Instrumentation works - (SIMPEC as the true acronym)
- Under the contract, SIMPEC will supply (partially), install, test and commission the 25 Mega Watt Diesel Power Generation facilities for the Fortescue Eliwana Mine and Rail Project. The delivery will be executed over 3 separable portions.

WestStar Industrial Limited (Company or WestStar) (ASX: WSI), an Australian industrial services company providing engineering, construction and mining services to the resources, energy and infrastructure sectors, is pleased to advise its engineering contractor business SIMPEC Pty Ltd (SIMPEC) has been awarded a contract by Energy Power Systems Australia (EPSA) for the construction of the 25 Mega Watt Diesel Power Generation facilities at Fortescue's Eliwana Mine and Rail Project in the Pilbara region of Western Australia.

The ~\$5M contract award commences September 2019 and finishes in July 2020.

Diesel Power Generation facilities

The Works include the design, supply (partial), construction, fabrication, transportation, erection, installation, construction verification, pre-commissioning, testing, commissioning and handover of all civil, structural, mechanical, piping, electrical, control systems and instrumentation works for the Power station facilities. The Power Generation facilities will be delivered in three (3) Separable Portions.

To be involved in this prestigious project is a great achievement for SIMPEC. This is SIMPEC's second contract on the Eliwana Mine and Rail project.

The award builds on the current contract at the Eliwana camp and provides a solid grounding for the project team.

SIMPEC Managing Director Mark Dimasi noted:

"To be part of Fortescue's Eliwana Mine and Rail Project is extremely rewarding and is another commendable accomplishment for the team. A special thank you to EPSA for supporting us during this tender phase. Well done team SIMPEC."

Outlook

This new contract builds on previously announced extensions during FY2020 and brings contract awards received during the first quarter of FY2020 to ~\$15M. This strong start bodes well for SIMPEC and the WestStar group.

SIMPEC continues to tender strongly for new work and expects outcomes from these tendering activities in due course.

-Ends-
