EXPLANATORY MEMORANDUM

This Explanatory Memorandum, which is included in and forms part of this Notice of Meeting, is to provide Shareholders with information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions in the Notice of Meeting.

On 31 July 2019, the Company announced a placement of up to 25,454,547 ordinary fully paid shares to raise approximately \$1,400,000 (**Placement**). The Placement is to be completed in two tranches, the first tranche of 14,545,456 Shares (**Tranche One Shares**) was completed on 8 August 2019, with the Tranche One Shares issued to a small group of sophisticated and institutional investors (**Tranche One**). The Company seeks ratification of the issue of the Tranche One Shares in Resolution 1.

The second tranche, being 10,909,091 Shares (**Tranche Two Shares**) to be issued to Participating Directors on equal terms as those investors who subscribed for Shares under Tranche One of the Placement, is subject to Shareholder approval which is sought under Resolutions 2, 3 and 4 (**Tranche Two**).

Resolution 1 – Ratification of Issue of Shares under Tranche One of the Placement – ASX Listing Rule 7.1A

ASX Listing Rule 7.1A provides that, in addition to issues permitted without Shareholder approval under ASX Listing Rule 7.1, an entity that is eligible and obtains shareholder approval under ASX Listing Rule 7.1A may issue or agree to issue during the period the approval is valid a number of quoted equity securities constituting 10% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period as adjusted in accordance with the formula in ASX Listing Rule 7.1

Where an eligible entity obtains shareholder approval to increase its placement capacity under ASX Listing Rule 7.1A then the ordinary securities issued under that additional placement capacity:

- a) will not be counted in variable 'A' in the formula in ASX Listing Rule 7.1A; and
- b) are counted in variable 'E'

until their issue has been ratified under ASX Listing Rule 7.1 (and provided that the previous issue did not breach ASX Listing Rule 7.1A) or 12 months has passed since their issue.

ASX Listing Rule 7.4 allows an issue of securities made without the approval of shareholders to be ratified by shareholders, in order to refresh the Placement Capacity, provided that, at the time the issue was made, the issue was made within the Company's existing Placement Capacity.

By ratifying the issue of the Shares the subject of Resolutions 1, the Company will retain the flexibility to issue equity securities in the future up to the 15% annual placement capacity set out in ASX Listing Rule 7.1, and the 10% placement capacity under ASX Listing Rule 7.1A, without the requirement to obtain prior Shareholder approval.

ASX Listing Rule 7.5 requires that the following information be provided to Shareholders for the purpose of obtaining Shareholder approval pursuant to ASX Listing Rule 7.4:

- (a) 14,545,456 Shares were issued under Tranche One of the Placement;
- (b) the issue price was \$0.055 per Share;
- (c) the Tranche One Shares issued were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (d) the Tranche One Shares were issued to sophisticated and institutional investors some of whom are existing shareholders, none of whom were related parties of the Company; and

- (e) the funds raised from this issue of the Tranche One Shares will be used towards the development of the Company's high value development assets (Selva and Teoderico) and for general working capital.

Directors' Recommendation

The directors consider that Resolution 1 is in the best interests of the Company as it will provide the Company with greater flexibility when considering future capital raising opportunities. Accordingly, all directors recommend that Shareholders vote in favour of Resolution 1.

Resolutions 2, 3 and 4: Participation in the Placement by Directors

Resolutions 2, 3 and 4 relate to the proposed participation of the Participating Directors, being Michael Masterman, Kevin Bailey and Byron Pirola (or their respective nominee(s)), in Tranche Two of the Placement.

Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company (such as a director of the company), the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

It is the view of the Company that the issue of the Tranche Two Shares to Participating Directors under Resolutions 2, 3 and 4 falls under the arm's length exception in section 210 of the Corporations Act because the Tranche Two Shares will be issued to the Participating Directors on the same terms as the Tranche One Shares issued to non-related party participants in the Placement and as such the giving of the financial benefit is on arm's length terms. Accordingly, the Company considers that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue of the Tranche Two Shares.

Section 195 of the Corporations Act

Shareholder approval is being sought under section 195 of the Corporations Act, which provides that a director of a public company may not vote or be present during meetings of directors when matters in which that director holds a "material personal interest" are being considered, except in certain circumstances or unless non-interested directors pass a resolution approving the interested director's participation.

Section 195(4) provides that if there are not enough directors to form a quorum for a directors meeting because of this restriction, one or more of the directors may call a general meeting to pass a resolution to deal with the matter. The Participating Directors have a material personal interest in the outcome of Resolutions 2 to 4, and accordingly a quorum could not be formed for the Board to consider the matters contemplated by Resolutions 2 to 4. For the avoidance of any doubt, the Directors have elected in accordance with section 195(4) of the Corporations Act to seek Shareholder approval of this matter as outlined in Resolutions 2 to 4.

ASX Listing Rule 10.11

ASX Listing Rule 10.11 requires a listed company to obtain shareholder approval by ordinary resolution where an entity issues, or agrees to issue, securities to a related party, or a person whose relationship with

the entity or a related party is, in ASX's opinion, such that approval should be obtained, unless an exception in ASX Listing Rule 10.12 applies.

If Resolutions 2, 3 and 4 are passed, the Participating Directors may be issued Shares under Tranche Two of the Placement, which would constitute the issuing of securities to related parties of the Company. Accordingly, approval for the issue of the Tranche Two Shares to the Participating Directors is sought under ASX Listing Rule 10.11. It is the view of the Directors that the exceptions set out in ASX Listing Rule 10.12 do not apply in the current circumstances.

Separate approval under ASX Listing Rule 7.1 is not required in relation to the issue of the Tranche Two Shares to the Participating Directors as approval is being obtained under ASX Listing Rule 10.11.

The following information is provided in relation to the approval sought as required under ASX Listing Rule 10.13:

- a) the number of Tranche Two Shares to be issued to the Participating Directors is as follows:
 - i. Michael Masterman (or his nominee) 4,545,455 Shares;
 - ii. Byron Pirola (or his nominee) 909,091 Shares; and
 - iii. Kevin Bailey (or his nominee) 5,454,545 Shares
- b) the Tranche Two Shares will be issued no later than one month after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the ASX Listing Rules) and it is anticipated that allotment will occur on the same date;
- c) the issue price is \$0.055 per Share, being the same as all other Shares issued under the Placement;
- d) the Tranche Two Shares will be fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- e) the funds raised from this issue will be used towards the same purposes as all other funds raised under the Placement, being the development of the Company's high value development assets (Selva and Teoderico), and for general working capital; and
- f) a voting exclusion statement is included in this Notice of Meeting.

Directors' Recommendation

The Directors consider that Resolutions 2-4 are in the best interests of the Company as passing these Resolutions will ensure that the Company receives the full amount of funds under the Tranche Two of the Placement.

All the directors, other than Mr Masterman, recommend that Shareholders vote in favour of Resolution 2. Mr Masterman has abstained from making a recommendation to Shareholders in respect of Resolution 2 due to his material personal interest in the issue of the Placement Shares the subject of Resolution 2.

All the directors, other than Dr Pirola, recommend that Shareholders vote in favour of Resolution 3. Dr Pirola has abstained from making a recommendation to Shareholders in respect of Resolution 3 due to his material personal interest in the issue of the Placement Shares the subject of Resolution 3.

All the directors, other than Mr Bailey, recommend that Shareholders vote in favour of Resolution 4. Mr Bailey has abstained from making a recommendation to Shareholders in respect of Resolution 4 due to his material personal interest in the issue of the Placement Shares the subject of Resolution 4.
