Company Announcements
ASX Limited

ISSUE OF SHARE APPRECIATION RIGHTS

Kingwest Resources Limited ("**Kingwest**" or the "**Company**") (**ASX: KWR**) announces that it has issued 1,970,000 Performance Rights to employees and consultants under the Performance Rights Plan which was approved by shareholders at the Company's General Meeting held on 10 September 2019.

The newly issued Performance Rights take the form of Share Appreciation Rights ("**SARs**"), which were proposed to certain employees, consultants and directors of the Company via an Offer (as defined by the Performance Rights Plan) on 7 October 2019 ("**Offer Date**"). Each SAR has a Strike Price calculated on the 10 trading day volume weighted average share price prior to the Offer Date (in this case, is \$0.28/share). The SAR's operate such that, on exercise the recipient may elect to pay the Strike Price to convert the SARs into fully paid ordinary shares or receive a payment from the Company equal to the difference between the volume weighted average share price at the time of exercising and the Strike Price, subject to the Board's discretion.

The newly issued SARs vest in tranches (50% 12-months from the Offer Date and 50% 24-months from the Offer Date) subject to the relevant employee, consultant or director remaining employed by the Company at the vesting date for each tranche.

In addition to the SARs being issued today, a further 1,000,000 SARs were accepted by directors under the same Offer. These additional SARs will be issued under the Performance Rights Plan with the same terms as the SARs issued today, subject to shareholder approval to be sought at the Company's upcoming AGM.

This is a part of staff retention and aligns gains made by key staff and management with shareholder gains above the strike price.

Enclosed with this announcement is an Appendix 3B for today's issue.
