# WestStar business SIMPEC Wins \$5M Contract for Tianqi Lithium Kwinana Plant

### Highlights

- WestStar business SIMPEC Pty Ltd has been awarded a ~\$5M contract at the Tianqi Lithium processing plant at Kwinana in Western Australia
- ~\$23M in contracts awarded to WestStar in the first 4 months of FY2020
- The award by Tianqi Lithium Kwinana ("TLK") follows on from SIMPEC's current work at the Tianqi Lithium Processing plant in Kwinana
- Under the new contract, SIMPEC will supply SMP and E&I completions and commissioning support services for the stage 1 processing plant.

**WestStar Industrial Limited (Company or WestStar)** (ASX: WSI), an Australian industrial services company providing engineering, construction and mining services to the resources, energy and infrastructure sectors, is pleased to advise its engineering contractor business **SIMPEC** has been awarded a new contract totalling ~\$5 million from **Tianqi Lithium Kwinana** at the Tianqi Lithium LHPP1 process plant in Kwinana, Western Australia.

### Completions and Commissioning Support Scope:

The works carry on from SIMPEC's current work scope at the LHPP1 Processing Plant. The SIMPEC team will now be engaged in Structural, Mechanical, Piping (SMP) and Electrical and Instrumentation (E&I) work to assist TLK with the handover of the Plant to operations.

To be involved in this prestigious project is a great achievement for SIMPEC. This is SIMPEC's second contract on the TLK LHPP1 Project at Kwinana.

SIMPEC Managing Director Mark Dimasi noted:

*"This award is a true reflection of our team's performance to date on the LHPP1 project. An outstanding effort by everyone involved. I personally would like to thank all the MSPE personnel for supporting our team over the past 10 months and TLK for backing the incumbent SIMPEC site team."*

### Outlook

This new contract builds on previously announced extensions during FY2020 and brings contract awards received during the first half of FY2020 to ~\$23M. This strong start bodes well for SIMPEC and the WestStar group.

SIMPEC continues to tender strongly for new work and expects outcomes from these tendering activities in due course.
