Dear Sir/Madam

Troy Resources Limited (Troy) - Request for Voluntary Suspension

In accordance with Listing Rule 17.2, Troy requests that the ASX grant an immediate voluntary suspension from trading on the Company's securities pending further updates on the Company's operations in Guyana.

The Company anticipates that the voluntary suspension will continue until 22 October 2019 or until the Company has received a definitive response from the Guyanan government on the likely date of the completion of its investigations into the recent unfortunate incident at the Karouni mine.

The Company expects to release an announcement later today containing additional information.

Troy is not aware of any reason why the voluntary suspension should not be granted or any additional information necessary to inform the market about the voluntary suspension.

Yours sincerely

G Kaczmarek
Company Secretary
