The following voting exclusion statement applies to the Resolutions under the Listing Rules or, where applicable, the provisions of the *Corporations Act*, to the following persons. The Company will disregard any votes in favour of the following Resolutions cast by or on behalf of the following (named) persons (or class of persons) or an Associates of that person (or those persons):

Resolution No.	Title	Excluded Persons
1	Adoption of Remuneration Report	A member of the KMP, or a Closely Related Party of the KMP, whose remuneration details are included in the remuneration report for the year ended 30 June 2019.
4	Approval of issue of Equity Securities for the purpose of ASX Listing Rule 7.1A	A person (and any Associates of such person) who is expected to participate or will obtain a material benefit as a result of, the proposed issue under the 10% Placement Capacity (except a benefit solely in the capacity of a holder of ordinary securities in the Company). As at the date of this Notice, the Company does not yet know, nor has it formed an intention in relation to how it will decide, which parties it may approach to participate in any issue that may ultimately be made.

However, the Company need not disregard a vote in relation to Resolution 1 and 4 if it is cast by:

1. a person as proxy for a person who is entitled to vote, in accordance with the directions on the Proxy Form; or
2. the person chairing the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the Proxy Form to vote as the proxy decides.

Voting by Proxy

The *Corporations Act* now places certain restrictions on the ability of KMP and their Closely Related Parties to vote on resolutions connected directly or indirectly with the remuneration of the Company's KMP.

For those reasons, Shareholders who intend to vote by proxy should carefully consider the identity of their proxy and consider appointing someone other than one of the Company's KMP as such proxies may not be able to vote undirected proxies.

If you appoint the Chairman as your proxy by marking the box in **STEP 1** on the Proxy Form then you are providing express authorisation for the Chairman to vote on all Resolutions in accordance with his intentions as set out in this Notice and the Proxy Form (except where you have indicated a different voting intention by marking the voting boxes in **STEP 2** on the Proxy Form).

This express authorisation acknowledges that the Chairman may exercise your proxy in relation to Resolution 1 even though it is connected with remuneration of a member of KMP is a Resolution in respect of which the Chairman of the meeting has an interest.

Votes cast by the Chairman on Resolution 1 other than as authorised proxy holder will be disregarded because of his interest in the outcome of the Resolution.

The Chairman intends to vote available proxies **in favour** of all Resolutions.

Dated this 3rd of October 2019.

By Order of the Board

Kok Keong, Kong
Non-Executive Chairman and Director

EXPLANATORY STATEMENT

This Explanatory Statement has been prepared for the information of the Shareholders of the Company in connection with the business to be conducted at the Annual General Meeting to be held at the KPMG offices, Level 38, Tower Three, International Towers, 300 Barangaroo Avenue, Sydney, NSW 2000 at 11.30 am (Sydney Time) on Friday, 15 November 2019.

The purpose of this Explanatory Statement is to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions in the Notice of Meeting.

Financial Statements and Reports

The *Corporations Act* requires the Company to place its Financial Report, Directors' Report and Auditor's Report for the last financial year before the Annual General Meeting. No resolution is required for this Item, but Shareholders will be given a reasonable opportunity to ask questions and to make comments on the reports and the management and performance of the Company.

The Company's Auditor will also be present at the meeting and Shareholders will be given the opportunity to ask the Auditor questions about the conduct of the audit, the preparation and content of the Auditor's Report, the accounting policies adopted by the Company and the independence of the Auditor.

The Company's 2019 Annual Report is available on the Company's website at www.nuenergygas.com.

Resolution 1 – Adoption of Remuneration Report

In accordance with Section 250R(2) of the *Corporations Act*, the Board is presenting the Company's Remuneration Report to shareholders for consideration and adoption by a non-binding vote.

The Remuneration Report was first published on 23 September 2019 in the Company's 2019 Annual Report and has been available on the Company's website since then. The Remuneration Report includes all of the information required by Section 300A of the *Corporations Act*, including:

- (i) board policy for determining, or in relation to, the nature and amount (or value, as appropriate) of remuneration of Directors, secretaries and senior managers of the Company;
- (ii) discussion of the relationship between such policy and the Company's performance; and
- (iii) the prescribed details in relation to the remuneration of each Director and certain executives.

Under the *Corporations Act*, the vote on this Resolution is advisory only and does not bind the Board or the Company. However, the Board will take into account the outcome of the vote when considering future remuneration for Directors and KMP. Shareholders should note that if 25% or more of the votes cast on this Resolution are against adoption of the Remuneration Report, then the first element in the Board spill provisions introduced in 2011 (known generally as the "two strikes rule") will be triggered. This would require a Resolution on whether to hold a further meeting to spill the Board ("spill resolution") to be put to Shareholders at the 2020 Annual General Meeting if a "second strike" were to occur at the 2019 Annual General Meeting.

The Remuneration Report forms part of the Directors' Report which has unanimously been adopted by resolution of the Board. An opportunity will be provided for discussion of the Remuneration Report at the meeting. In relation to the approval of the Remuneration Report of the Company for 2018, less than 25% of the votes cast on that resolution were against it.

The Chairman intends to vote all available proxies in favour of Resolution 1.

Directors' Recommendation

The Directors recommend that Shareholders vote **in favour** of the adoption of the Remuneration Report.

Resolution 2 – Re-Election of Director – Kong Kok Keong

Pursuant to Article 6.3(c) of the Company's Constitution and the Listing Rule 14.4, one-third of the Directors of the Company (rounded down to the nearest whole number) must retire each year. Pursuant to Article 6.3(f) of the Company's Constitution, a retiring Director may then be eligible for re-election. Kong Kok Keong retires by rotation pursuant to these requirements and is eligible for re-election.

Resolution 2 seeks Shareholder approval for the re-election of Mr Kong as a Director of the Company.

Details of Mr Kong's qualifications and experience are contained in the Company's 2019 Annual Report.

Directors' Recommendation

The Directors (other than Mr Kong who abstains given his personal interest in the Resolution) recommend that Shareholders vote **in favour** of the re-election of Mr Kong.

Resolution 3 – Re-Election of Director – Goh Tian Chuan

Pursuant to Article 6.3(c) of the Company's Constitution and the Listing Rule 14.4, one-third of the Directors of the Company (rounded down to the nearest whole number) must retire each year. Pursuant to Article 6.3(f) of the Company's Constitution, a retiring Director may then be eligible for re-election. Goh Tian Chuan retires by rotation pursuant to these requirements and is eligible for re-election.

Resolution 3 seeks Shareholder approval for the re-election of Mr Goh as a Director of the Company.

Details of Mr Goh's qualifications and experience are contained in the Company's 2019 Annual Report.

Directors' Recommendation

The Directors (other than Mr Goh who abstains given his personal interest in the Resolution) recommend that Shareholders vote **in favour** of the re-election of Mr Goh.

Resolution 4 – Approval of issue of Equity Securities for the purpose of ASX Listing Rule 7.1A

Resolution 4 seeks Shareholder approval by way of special resolution for the Company to have the ability to issue Equity Securities pursuant to the 10% Placement Capacity available under ASX Listing Rule 7.1A.

Overview

Listing Rule 7.1A was introduced on 1 August 2012 and allows mid to small cap listed entities to seek Shareholder approval to issue Equity Securities equivalent to an additional 10% of the number of ordinary securities on issue 12 months before the issue date of date of agreement to issue by way of placements over a 12-month period (**10% Placement Capacity**). This is in addition to the 15% permitted under listing rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less at the time of the AGM. The Company is currently an eligible entity for the purpose of Listing Rule 7.1A. The Company's market capitalisation on 2 October 2019 was \$26.66 million. The Board expects that the Company will be an eligible entity as at the date of the AGM. However, if the Company is not eligible, Resolution 4 will be withdrawn.

Shareholder Approval

The ability to issue Equity Securities under Listing Rule 7.1A is subject to Shareholder approval by way of special resolution at the AGM. Approval cannot be sought at any other Shareholder's meeting and Equity Securities issued under the approval (if obtained) must be issued within 12 months after the date of the AGM.

No Equity Securities can be issued under Listing Rule 7.1A before the special resolution is passed. However, if a Listing Rule 7.1A approval has been obtained, securities issued under that rule may be subsequently ratified by Shareholders in accordance with Listing Rule 7.4 to "refresh" an entity's Listing Rule 7.1A additional 10% placement capacity.

Equity Securities

Any Equity Securities issued by the Company under the 10% Placement Capacity must be in the same class as an existing quoted class of Equity Securities of the Company.

As at the date of the Notice the Company has only one class of Equity Securities on issue being Shares.

Formula for calculating the 10% Placement Capacity

The Company may issue Equity Securities during the 12-month period after the date of approval calculated in accordance with the following formula as contained in ASX Listing Rule 7.1A.2:

$$(A \times D) - E$$

A is the number of fully paid ordinary Securities on issue 12 months before the date of issue or agreement to issue:

- plus the number of fully ordinary Securities issued in the 12 months under an exception in Listing Rule 7.2;
- plus the number of partly paid ordinary Securities that became fully paid in the 12 months;
- plus the number of fully paid ordinary Securities issued in the 12 months with approval of holders of ordinary Securities under Listing Rule 7.1 or 7.4;

- less the number of fully paid ordinary Securities cancelled in the 12 months.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with approval of Shareholders under Listing Rule 7.1 or 7.4.

Additional Disclosure

For the purpose of Listing Rule 7.3A, the following information is provided in relation to the approval of the 10% Placement Capacity:

- **Minimum issue price**

The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- (a) the date on which the price at which the Equity Securities are to be issued; or
- (b) if the Equity Securities are not issued within 5 Trading Days of the date in paragraph (a), then the date on which the Equity Securities are issued.

- **Risk of dilution**

If the Company issues Equity Securities under the 10% Placement Capacity, there is a risk that the economic and voting power of existing Shareholders will be diluted.

There is also a risk that:

- the market price for the Company's Equity Securities in that class may be significantly lower on the issue date than the date of approval under Listing Rule 7.1A at the AGM; and
- the Equity Securities may be issued at a price that is at a discount to the market price for those Equity Securities on the issue date.

The below table shows the risk of dilution to existing Shareholders if the Company issues Equity Securities under the 10% Placement Capacity on the basis of:

- the current market price of Shares and the current number of Shares calculated in accordance with Listing Rule 7.1A.2 variable "A";
- a 50% decrease in the current market price of Shares and a 50% increase in the current number of Shares calculated in accordance with Listing Rule 7.1A.2 variable "A"; and
- a 100% increase in the current market price of Shares and a 100% increase in the current number of Shares calculated in accordance with Listing Rule 7.1A.2 variable "A".

Variable "A" in Listing Rule 7.1A.2		Dilution / Effect		
		\$0.011	\$0.022	\$0.044
		50% decrease in Issue Price	Issue Price	100% increase in Issue Price
Current Issued Capital (Variable A) 1,480,955,497 Shares	Shares Issued under LR 7.1A (10%)	148,095,550	148,095,550	148,095,550
	Funds Raised	\$1,629,051	\$3,258,102	\$6,516,204
50% increase in current Issued Capital (Variable A) 2,221,433,246 Shares	Shares Issued under LR 7.1A (10%)	222,143,325	222,143,325	222,143,325
	Funds Raised	\$2,443,577	\$4,887,153	\$9,774,306
100% increase in current Issued Capital (Variable A) 2,961,910,994 Shares	Shares Issued under LR 7.1A (10%)	296,191,099	296,191,099	296,191,099
	Funds Raised	\$3,258,102	\$6,516,204	\$13,032,408

The table has been prepared on the following assumptions:

- The Company issues the maximum number of Equity Securities available under the 10% Placement Capacity.

- The table does not show any examples of the dilution that may be caused to a specific Shareholder based on that Shareholder's holding at the date of the AGM.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue.
- The table only shows the effect of issues under Listing Rule 7.1A and does not consider the effect of any issues under the 15% placement capacity under Listing Rule 7.1 during the 12-month period or any other issues.
- The Issue Price of the Shares is \$0.022, being the closing price of the Shares on ASX on 2 September 2019.

- **Final issue date**

The final date that the Company can issue Equity Securities under the 10% Placement Capacity is 12 months from the date of the AGM, being 14 November 2020.

The approval under Resolution 3 will cease to be valid in the event that Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or Listing Rule 11.2 (disposal of main undertaking).

- **Purpose of the issue**

The Company may seek to issue the Equity Securities for the following purposes:

- cash consideration to be applied to the expenditure associated with exploration, drilling, development and the production of gas at the Company's existing asset base in Indonesia; or
- non-cash consideration for the acquisition of new resources, assets or investments.

If the Equity Securities are issued for non-cash consideration, the Company will release to the market a valuation of the non-cash consideration which demonstrates that the issue price of the securities complies with Listing Rule 7.1A.3.

- **Allocation policy**

The Company's allocation policy for the issue of Equity Securities pursuant to the 10% Placement Capacity is largely dependent on the prevailing market conditions and the circumstances of the Company at the time of any proposed issue. The time frame over the 12-month period which the Company expects to make placements under the Resolution 3 approval therefore cannot yet be accurately determined.

As at the date of the Notice the Company has not formed an intention to issue securities under a placement pursuant to Listing Rule 7.1A to any particular party. The Company may approach existing Shareholders, a class or group of existing Shareholders, or new investors who have not previously been Shareholders to participate in a placement of Equity Securities, none of whom will be related parties to the Company.

When determining to issue the 10% Placement Capacity securities the Company will have regard to a range of factors including but not limited to:

- the effect of the issue of Equity Securities on the control of the Company;
- the financial circumstances of the Company;
- whether the raising of funds could be carried out by means of a pro-rata entitlements offer or other similar issue to allow existing Shareholders to participate;
- advice from the Company's corporate, financial and professional advisors;
- whether a placement of Equity Securities to a vendor(s) as non-cash consideration for the acquisition of new resources, assets or investments is the best alternative for the Company.

- **Previous approval**

For the purposes of Listing Rule 7.3A.6 the following information is provided.

The Company obtained Shareholder approval for the 10% Placement Capacity at its 2018 Annual General Meeting. During the 12 months prior to the date of this Notice, the Company has not issued any equity securities.

- **Voting exclusion statement**

A voting exclusion statement is set out on page 3 of this Notice.

As at the date of this Notice, the Company does not yet know, nor has it formed an intention in relation to how it will decide, which parties it may approach to participate in any issue that may ultimately be made.

Directors' Recommendation

The Directors recommend that Shareholders vote **in favour** of the 10% Placement Capacity.

Instructions for Completing 'Appointment of Proxy' Form

1. A member entitled to attend and vote at an Annual General Meeting is entitled to appoint not more than two proxies to attend and vote on their behalf. Where more than one proxy is appointed, each proxy must be allocated a proportion of the member's voting rights. If the shareholder appoints two proxies and the appointment does not specify this proportion, each proxy may exercise half the votes.
2. A duly appointed proxy need not be a member of the Company. In the case of joint holders, all must sign.
3. Corporate shareholders should comply with the execution requirements set out on the Proxy Form or otherwise with the provisions of Section 127 of the *Corporations Act*. Section 127 of the *Corporations Act* provides that a company may execute a document without using its common seal if the document is signed by:
 - 3.1. 2 directors of the company;
 - 3.2. a director and a company secretary of the company; or
 - 3.3. for a proprietary company that has a sole director who is also the sole company secretary – that director.

For the Company to rely on the assumptions set out in Section 129(5) and (6) of the *Corporations Act*, a document must appear to have been executed in accordance with Section 127(1) or (2). This effectively means that the status of the persons signing the document or witnessing the affixing of the seal must be set out and conform to the requirements of Section 127(1) or (2) as applicable. In particular, a person who signs the document or witnesses the affixing of a common seal and who is the sole director and sole company secretary of the company must state that next to his or her signature.

4. Completion of a Proxy Form will not prevent individual shareholders from attending the meeting in person if they wish. Where a shareholder completes and lodges a valid Proxy Form and attends the meeting in person, then the proxy's authority to speak and vote for that shareholder is suspended while the shareholder is present at the meeting.
5. Where a Proxy Form or form of appointment of corporate representative is lodged and is executed under power of attorney, the power of attorney must be lodged in like manner as the Proxy Form.
6. You can direct your proxy how to vote on each Resolution by completing **STEP 2** on the Proxy Form.
7. If you appoint the Chairman as your proxy by marking the box in **STEP 1** on the Proxy Form then you are providing express authorisation for the Chairman to vote on all Resolutions in accordance with his intentions as set out in this Notice and the Proxy Form (except where you have indicated a different voting intention by marking the voting boxes in **STEP 2** on the Proxy Form).

This express authorisation acknowledges that the Chairman may exercise your proxy in relation to Resolution 1 even though this Resolution is connected with remuneration of a member of KMP is a Resolution in respect of which the Chairman of the meeting has an interest.

Votes cast by the Chairman on Resolution 1 other than as authorised proxy holder will be disregarded because of his interest in the outcome of the Resolution.

The Chairman intends to vote available proxies in favour of all Resolutions.

8. If you appoint a KMP other than the Chairman at **STEP 1**, and do not complete **STEP 2**, your vote will not be counted in respect of Resolution 1.

If you wish to appoint the Chairman of the Meeting as your proxy, mark the box in Step 1. If you wish to appoint someone other than the Chairman of the Meeting as your proxy, please write the name of that individual or body corporate in Step 1. A proxy need not be a shareholder of the Company.

DEFAULT TO CHAIRMAN OF THE MEETING

Any directed proxies that are not voted on a poll at the Meeting will default to the Chairman of the Meeting, who is required to vote those proxies as directed. Any undirected proxies that default to the Chairman of the Meeting will be voted according to the instructions set out in this Proxy Form, including where the Resolution is connected directly or indirectly with the remuneration of KMP.

VOTES ON ITEMS OF BUSINESS – PROXY APPOINTMENT

You may direct your proxy how to vote by placing a mark in one of the boxes opposite each item of business. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on the items of business, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.

APPOINTMENT OF A SECOND PROXY

You are entitled to appoint up to two persons as proxies to attend the Meeting and vote on a poll. If you wish to appoint a second proxy, an additional Proxy Form may be obtained by telephoning the Company's share registry or you may copy this form and return them both together.

To appoint a second proxy you must:

- (a) on each of the first Proxy Form and the second Proxy Form state the percentage of your voting rights or number of shares applicable to that form. If the appointments do not specify the percentage or number of votes that each proxy may exercise, each proxy may exercise half your votes. Fractions of votes will be disregarded; and
- (b) return both forms together.
