## **Venus Update on Court Proceedings**

---

Further to its announcement of 10 October 2019 concerning the proceedings against Spectrum Metals Limited (**Spectrum**), DJ Carmichael Pty Limited, Mr Paul Adams, Mr Davide Bosio and Zebra Minerals Pty Ltd (**Zebra Minerals**), Venus Metals Corporation Limited (ASX:VMC) (**Venus Metals** or **Company**) confirms that on Thursday, 10 October 2019 it served the writ of summons issued by the Supreme Court of Western Australia on each of the defendants. Spectrum and its subsidiary, Zebra Minerals, were served at the registered office of those companies at 1.41pm on Thursday, 10 October 2019.

All of the defendants have now “appeared” to the Court proceedings, which means that they have submitted to the jurisdiction of the Supreme Court of Western Australia. The next stage is for the parties to prepare, file at the Court and provide to each other their statements of claim and defence (which documents are not public).

Venus Metals has written to the Court yesterday and requested that the matter be entered in the Court’s “Commercial and Managed Cases” list to ensure that it progresses efficiently and without delay.
