Gasfields Limited (ASX: GFS) – Reinstatement to Official List pending Court Proceedings

Description

On 15 October 2019, ASX Limited ('ASX') announced that it had removed Gasfields Limited ('GFS') from the ASX official list and published its reasons.

GFS has commenced proceedings in the NSW Supreme Court seeking orders setting aside the decision of ASX to delist GFS and that GFS be restored to the ASX official list, among others.

Pursuant to an interim undertaking given by the ASX until the next case management hearing on 5 November 2019 not to further implement its decision to delist GFS, GFS has been restored to the ASX official list. This undertaking will, if appropriate, be extended on that occasion to a hearing date and delivery of judgment.

Notwithstanding the restoration of GFS to the ASX official list, trading in GFS's securities on ASX will remain suspended, as it has been since 7 March 2018.
