## Share Placement Raises \$530,000

---

Alloy Resources Limited (“Alloy” or “the Company”) is pleased to announce that firm placement commitments have been received from professional and sophisticated investors to raise approximately A\$530,000 before costs.

The placement of 266.14 million ordinary fully paid shares at A\$0.002 (0.2 cents) will be issued within Alloy’s current placement capacity under ASX Listing Rules 7.1 (109,387,359 shares) and 7.1A (156,753,476 shares) pricing requirements.

Firm bids for the Placement have been received and an Appendix 3B and section 708A notice will be issued in due course on finalisation of applications and receipt of cleared funds.

JP Equity Partners acted as Lead Manager for the placement.

### Entitlement Offer

Alloy confirms that it plans to undertake a non-renounceable entitlement offer to raise up to approximately \$780,000 before costs (“the Entitlement Offer”).

The Entitlement Offer will be for up to approximately 392,000,000 fully paid ordinary shares (“Shares”) at an issue price of \$0.002 per Share on the basis of 1 Share for every 5 Shares held on the record date to raise up to approximately \$780,000 before expenses. Further details including the timetable, the key risks and how to accept the Entitlement Offer, will be set out in a Prospectus to be lodged with the ASIC as soon as practicable (“Prospectus”).

The Entitlement Offer will enable existing shareholders to participate on the same terms as the placees and deliver sufficient funds to ensure continued exploration and evaluation of the Horse Well Gold joint venture project with Silver Lake Resources Ltd (Alloy 51% - earning 60%). Recipients in the Placement will be entitled to participate in the Entitlement Offer. JP Equity Partners will act as lead managers to place any shortfall shares under the Entitlement Offer.

### Use of Funds

The Company will use the proceeds from the Offers to continue with planned exploration and evaluation on the Horse Well Gold Project for resource growth and project development, general working capital, and expenses associated with the Offers.
