CORPORATE GOVERNANCE STATEMENT

OZGROWTH LIMITED ACN 126 450 271 (COMPANY)

CORPORATE GOVERNANCE STATEMENT

This Corporate Governance Statement is current as at 14 October 2019 and has been approved by the Board of the Company on that date.

This Corporate Governance Statement discloses the extent to which the Company as at the date follows the recommendations set by the ASX Corporate Governance Council in its publication Corporate Governance Principles and Recommendations (3rd Edition) (Recommendations). The Recommendations are not mandatory, however the Recommendations that will not be followed have been identified and reasons provided for not following them along with what (if any) alternative governance practices the Company intends to adopt in lieu of the recommendation.

The Company has adopted a Corporate Governance Plan which provides the written terms of reference for the Company's corporate governance duties

Due to the current size and nature of the existing Board and the magnitude of the Company's operations as a Listed Investment Company, a number of the recommendations below are difficult to adopt in full. Whilst the company does have an Audit & Risk Committee, the Board considers the Company will not gain any benefit from other individual Board committees and that its resources would be better utilised in other areas. The Board is of the strong view that the experience and skill set of the current Board is sufficient to perform these roles. Under the Company's Board Charter, the duties that would ordinarily be assigned to individual committees are currently carried out by the full Board under the written terms of reference for those committees. The Company's Corporate Governance Plan is available on the Company's website at www.ozgrowth.com

RECOMMENDATIONS (3RD EDITION) COMPLY EXPLANATION Principle 1: Lay solid foundations for management and oversight **Recommendation 1.1** The Company has adopted a Board Charter that sets out the specific roles and responsibilities of the Board. RECOMMENDATIONS (3RD EDITION)	COMPLY	EXPLANATION
Recommendation 1.4 The company secretary of a listed entity should be accountable directly to the Board, through the Chair, on all matters to do with the proper functioning of the Board	YES	The Board Charter outlines the roles, responsibility and accountability of the Company Secretary. In accordance with this, the Company Secretary is accountable directly to the Board, through the Chair, on all matters to do with the proper functioning of the Board.
Recommendation 1.5 A listed entity should: (a) have a diversity policy which includes requirements for the Board or a relevant committee of the Board to set measurable objectives for achieving gender diversity and to assess annually both the objectives and the entity's progress in achieving them; (b) disclose that policy or a summary or it; and (c) disclose as at the end of each reporting period: (i) the measurable objectives for achieving gender diversity set by the Board in accordance with the entity's diversity policy and its progress towards achieving them; and (ii) either: (A) the respective proportions of men and women on the Board, in senior executive positions and across the whole organisation (including how the entity has defined "senior executive" for these purposes); or (B) if the entity is a "relevant employer" under the Workplace Gender Equality Act, the entity's most recent "Gender Equality Indicators", as defined in the Workplace Gender Equality Act.		 (a) The Company has adopted a Diversity Policy which provides a framework for the Company to establish and achieve measurable diversity objectives. (b) The Diversity Policy is available, as part of the Corporate Governance Plan, on the Company's website. The Board does not presently intend to set measureable gender diversity objectives because the Board considers the application of a measurable gender diversity objective requiring a specified proportion of women on the Board and in senior executive roles will, given the small size of the Company and the Board, unduly limit the Company from applying the Diversity Policy as a whole and the Company's policy of appointing based on skills and merit.
Recommendation 1.6	YES	(a) The Company's Nomination Committee (or, in its absence, the Board) is responsible for evaluating
 A listed entity should: (a) have and disclose a process for periodically evaluating the performance of the Board, its committees and individual Directors; and (b) disclose, in relation to each reporting period, whether a performance evaluation was undertaken in the reporting period in accordance with that process. 		the performance of the Board, its committees and individual Directors on at least an annual basis. It may do so with the aid of an independent advisor. The process for this is set out in the Company's Corporate Governance Plan, which is available on the Company's website. The Company intends to complete performance evaluations in respect of the Board, its committees (if any) and individual Directors for each financial year in accordance with the above process.

the performance of its senior executives; and (b) disclose, in relation to each reporting period, whether a performance evaluation was undertaken in the reporting period in accordance with that process.		Should the company have senior executives in the future, the Company's Nomination Committee (or, in its absence, the Board) will be responsible for evaluating the performance of the Company's senior executives on an annual basis.

RECOMMENDATIONS (3RD EDITION)	COMPLY	EXPLANATION
Principle 2: Structure the Board to add value

Matters normally considered by this committee are addressed by the full Board. (b) In accordance with the Company's Board Charter, the Board carries out the duties that would ordinarily be carried out by the Nomination Committee under the Nomination Committee Charter, including the following processes to address succession issues and to ensure the Board has the appropriate balance of skills, experience, independence and knowledge of the entity to enable it to discharge its duties and responsibilities effectively: (i) devoting time at least annually to discuss Board succession issues and updating the Company's Board skills matrix; and (ii) all Board members being involved in the Company's nomination process, to the maximum extent permitted under the Corporations Act and ASX Listing Rules.
Recommendation 2.2 A listed entity should have and disclose a Board skill matris setting out the mix of skills and diversity that the Board currently has or is looking to achieve in its membership.	YES	Under the Nomination Committee Charter (in the Company's Corporate Governance Plan), the Board prepares a Board skill matrix setting out the mix of skills and diversity that the Board currently has and reviews the matrix on an annual basis. The Board Charter requires the disclosure of each Board member's qualifications and expertise. Full details as to each Director's relevant skills and experience are available in the annual report and at the conclusion of this document.
