EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Constitution, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2019 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.digitalx.com.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the Remuneration Report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the Company's remuneration arrangements for the Directors and senior management of the Company. The remuneration report is part of the Directors' report contained in the annual financial report of the Company for a financial year.

The Chair of the meeting must allow a reasonable opportunity for shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

3. RESOLUTION 2 – ELECTION OF DIRECTOR – MR TOBY HICKS

3.1 General

The Constitution allows the Directors to appoint at any time a person to be a Director either to fill a casual vacancy or as an addition to the existing Directors,

but only where the total number of Directors does not at any time exceed the maximum number specified by the Constitution.

Mr Toby Hicks was appointed as an additional Director of the Company on 10 July 2019. Pursuant to the Constitution and ASX Listing Rule 14.4, any Director so appointed holds office only until the next following annual general meeting and is then eligible for election by Shareholders.

Mr Hicks, having been appointed by other Directors in accordance with the Constitution, will retire in accordance with the Constitution and ASX Listing Rule 14.4 and being eligible, seeks election from Shareholders.

3.2 Qualifications and other material directorships

Mr Hicks holds a Bachelor of Laws and a Bachelor of Business (Management) from the University of Notre Dame Australia and also studied at the prestigious University of Notre Dame in the United States. He has also completed a Graduate Diploma in Company Secretarial Practice from Chartered Secretaries Australia (now the Governance Institute) and is a Chartered Secretary.

Mr Hicks has a broad range of experience acting as a trusted adviser to a number of companies, both public and private, on all matters relating to Australian corporate compliance including capital raisings, backdoor listings, corporate governance, mergers and acquisition, shareholder meetings and general commercial matters. He is the contact (along with Roger Steinepreis) for the firm's relationship with the Singapore Chamber of Commerce (Western Australia).

Mr Hicks is a partner at Steinepreis Paganin, one of several law firms providing legal services to the Company, and is a former Governor of the University of Notre Dame Australia and a former member of the University's Finance and Audit Committee and School of Law (Fremantle) Advisory Board. In 2018, the University named the Toby Hicks Service to Student Community Award in honour of his contribution to the University over 23 years.

3.3 Board recommendation

The Board (other than Mr Hicks) supports the election of Mr Toby Hicks and recommends that Shareholders vote in favour of Resolution 2.

4. RESOLUTION 3 – RE-ELECTION OF DIRECTOR – MR PETER RUBINSTEIN

4.1 General

The Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

Pursuant to rule 9.1(e) of the Company's Constitution, the Directors who must retire by rotation (excluding Directors appointed to fill a casual vacancy, or appointed as an additional Director since the last annual general meeting or the Managing Director) are:

- (a) each director, other than a managing director, appointed as an addition to the existing directors or to fill a casual vacancy (pursuant to rule 9.1(d) of the Constitution);
- (b) excluding any director referred to in paragraph (a) above, and any managing director (or the first appointed managing director if there is more than one):
 - (i) one-third of the managing directors (rounded down, if necessary, to the nearest whole number); and
 - (ii) any other director who, if he does not retire, will at the conclusion of the meeting have been in office for 3 or more years and for 3 or more AGMs since he or she was last elected to office.

The Director or Directors who must retire at an annual general meeting are those who have been longest in office since their last election but, as between persons who were last elected as Directors on the same day, those to retire must be determined by agreement among themselves or, in the absence of agreement, by lot.

Mr Peter Rubinstein, who has served as a director since 15 September 2017, retires by rotation and seeks re-election.

4.2 Qualifications and other material directorships

Mr Rubinstein has over 20 years' experience in early stage technology commercialisation through to public listings on the ASX. Moving from corporate law at Mallesons to in-house counsel and new projects manager at Montech the commercial arm of Monash University, he has had significant exposure to the creation, launch and management of a diverse range of technology companies including biotech, digital payments and renewable energy.

Mr Rubinstein is the Chairman of EasyPark ANZ an early adopter in the "Smart City" opportunities for digital parking and a director of ASX and Nasdaq listed biotech company Genetic Technologies Limited.

4.3 Independence

If elected, the Board does not consider Mr Peter Rubinstein will be an independent director as he is a nominee of one of the Company's shareholders.

9.2 ASX Listing Rule 7.1

9.3 ASX Listing Rule 7.4

9.5 Board recommendation

The Board (other than Mr Hicks) recommends that Shareholders vote in favour of Resolution 8.

10. RESOLUTIONS 9 AND 10 – APPROVAL OF DIRECTOR PERFORMANCE RIGHTS TO DIRECTORS

10.1 General

The Company has agreed, subject to obtaining Shareholder approval, to issue 9,000,000 Performance Rights to Executive Director, Mr Leigh Travers (or his nominee) and 3,000,000 Performance Rights to Mr Peter Rubinstein (or his nominee), a Non-Executive Director of the Company pursuant to the Company's Performance Rights and Options Plan (**Performance Rights Plan**) and on the terms and conditions set out below. The Performance Rights are to be issued under the Performance Rights Plan, which was approved by Shareholders at the Company's annual general meeting held on 23 November 2017.

10.2 Resolution 9

Resolution 9 seeks Shareholder approval for the grant of the Performance Rights to Mr Travers (or his nominee).

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The grant of the Performance Rights constitutes giving a financial benefit and Mr Travers is a related party of the Company by virtue of being a Director.

Directors, Toby Hicks and Peter Rubinstein have considered the performance of Mr Travers as the Company's only Executive Director responsible for the management of the Company's business units and consider that the issue of the Performance Rights and the vesting hurdles established for those Performance Rights represent a reasonable form of potential remuneration for Mr Travers in a way that links his executive performance with the overall performance of the Company to be reflected in the Company's Share price, which aligns his remuneration to the interests of Shareholders. Accordingly, Messrs Hicks and Rubinstein consider this to reflect reasonable remuneration for Mr Travers.

In addition, ASX Listing Rule 10.14 also requires shareholder approval to be obtained where an entity issues, or agrees to issue, securities under an employee incentive scheme to a director of the entity, an associate of the director, or a person whose relationship with the entity, director or associate of the director is, in ASX's opinion, such that approval should be obtained.

As the issue of the Performance Rights involves the issue of securities under an employee incentive scheme to a Director of the Company, Shareholder approval pursuant to ASX Listing Rule 10.14 is required unless an exception applies.

10.3 Resolution 10

A summary of the requirements of the Corporations Act and the ASX Listing Rules is set out in Section 10.2 above.

Directors, Toby Hicks and Leigh Travers have considered the role of the Non-Executive Directors of the Company moving forward, and consider that the offering of these Performance Rights to Mr Rubinstein represent the best method of preserving cash where the cash fees payable to Non-Executive Directors have recently been reduced, while also aligning the interests of Mr Rubinstein as a Non-Executive Director with the interests of Shareholders. Accordingly, Messrs Hicks and Travers consider this to reflect reasonable remuneration for Mr Rubinstein.

10.4 Technical Information for Resolutions 9 and 10

Pursuant to and in accordance with the requirements of ASX Listing Rule 10.15, the following information is provided in relation to the proposed issue of the Performance Rights under Resolutions 9 and 10:

- (a) the related parties are Mr Travers (Resolution 9) and Mr Rubinstein (Resolution 10) and they are related parties by virtue of being Directors;
- (b) the maximum number of Performance Rights (being the nature of the financial benefit being provided) to be granted are as follows:
 - (i) Resolution 9 – 9,000,000 Performance Rights; and
 - (ii) Resolution 10 – 3,000,000 Performance Rights;
- (c) the Performance Rights under Resolutions 9 and 10 will be issued no later than 12 months after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the ASX Listing Rules) and it is anticipated the Performance Rights will be issued on one date;
- (d) the Performance Rights will be granted for nil cash consideration, accordingly no funds will be raised;
- (e) since it was adopted by Shareholders at the Company's annual general meeting on 23 November 2017, only Mr Travers has received Performance Rights under the Plan. He received 9,000,000 Performance Rights under the Performance Rights Plan after the 2018 Annual General Meeting;
- (f) no loan will be provided for the issue of the Performance Rights
- (g) all Directors, being Mr Hicks, Mr Travers and Mr Rubinstein are entitled to participate in the Plan;
- (h) a summary of the terms and conditions of the Performance Rights and the pricing methodology is set out in Schedule 4; and

Approval pursuant to ASX Listing Rule 7.1 is not required for the grant of the Performance Rights under Resolutions 9 and 10 as approval is being obtained under ASX Listing Rule 10.14. Accordingly, the grant of the Performance Rights under Resolutions 9 and 10 will not be included in the use of the Company's 15% annual placement capacity pursuant to ASX Listing Rule 7.1.

11. RESOLUTION 11 - APPOINTMENT OF AUDITOR

11.1 General

Under section 327B of the Corporations Act, the Company in a general meeting may appoint an auditor at a company's annual general meeting to fill a vacancy.

Grant Thornton has given the Company an indication that it intends to apply to ASIC to resign as the Company's auditor with effect from the close of the Meeting, and therefore the Company is required to appoint a new auditor.

Resolution 11 seeks approval for the appointment of BDO Audit (WA) Pty Ltd (**BDO**) as the new auditor of the Company. As required by the Corporations Act, a nomination for BDO to be appointed as the auditor of the Company has been received from a member. A copy of the nomination of BDO as auditors is set out at Schedule 7.

BDO has given its written consent to act as the Company's auditor in accordance with section 328A(1) of the Corporations Act, subject to ASIC consent for Grant Thornton to resign as auditor and shareholder approval of this resolution.

If Resolutions 11 is passed, the appointment of BDO as the Company's auditor will take effect at the close of this Meeting, or such later date as ASIC provides its consent.

11.2 Board recommendation

The Board recommends that Shareholders vote in favour of Resolution 11.

12. RESOLUTION 12 – ADOPTION OF EMPLOYEE SHARE PLAN

12.1 General

Resolution 12 seeks Shareholders approval for the adoption of the DigitalX Employee Share Plan (**Employee Share Plan**) in accordance with ASX Listing Rule 7.2 (Exception 9(b)). The Company considers that the adoption of the Employee Share Plan provides the opportunity for the Company to remunerate and incentivise eligible employees (as defined under the Employee Share Plan) by offering them equity in the Company as part of their remuneration from the Company.

However, any issues of Shares under the Plan to a related party or a person whose relationship with the company or the related party is, in ASX's opinion, such that approval should be obtained will require additional Shareholder approval under ASX Listing Rule 10.14 at the relevant time before any Shares can be issued.

12.2 ASX Listing Rule 7.1

A summary of ASX Listing Rule 7.1 is set out in section 5.2 above.

ASX Listing Rule 7.2 (Exception 9(b)) sets out an exception to ASX Listing Rule 7.1 which provides that issues under an employee incentive scheme are exempt for a period of 3 years from the date on which shareholders approve the issue of securities under the scheme as an exception to ASX Listing Rule 7.1.

If Resolution 12 is passed, the Company will be able to issue Shares under the Plan to eligible participants over a period of 3 years without impacting on the Company's ability to issue up to 15% of its total ordinary securities without Shareholder approval in any 12 month period.

Shareholders should note that no Shares have previously been issued under the Plan.

The objective of the Plan is to attract, motivate and retain key employees and it is considered by the Company that the adoption of the Plan and the future issue of Shares under the Plan will provide selected employees with the opportunity to participate in the future growth of the Company.

A material feature of the Plan is the issue of Shares pursuant to the Plan may be undertaken by way of provision of a non-recourse, interest free loan to be used for the purposes of subscribing for the Shares based on a price that will be not less than the volume weighted average price at which Shares were traded on the ASX over the 10 trading days up to and including the date of acceptance of the offer.

A summary of the key terms and conditions of the Plan is set out in Schedule 5. In addition, a copy of the Plan is available for review by Shareholders at the registered office of the Company until the date of the Meeting. A copy of the Plan can also be sent to Shareholders upon request to the Company Secretary. Shareholders are invited to contact the Company if they have any queries or concerns.

12.3 Board recommendation

The Board recommends that Shareholders vote in favour of Resolution 12.

13. RESOLUTION 13 – REPLACEMENT OF CONSTITUTION

13.1 General

A company may modify or repeal its constitution or a provision of its constitution by special resolution of Shareholders.

Resolution 13 is a special resolution which will enable the Company to repeal its existing Constitution and adopt a new constitution (**Proposed Constitution**) which is of the type required for a listed public company limited by shares updated to ensure it reflects the current provisions of the Corporations Act and ASX Listing Rules.

This will incorporate amendments to the Corporations Act and ASX Listing Rules since the current Constitution was adopted in 2001.

The Directors believe that it is preferable in the circumstances to replace the existing Constitution with the Proposed Constitution rather than to amend a multitude of specific provisions.

The Proposed Constitution is broadly consistent with the provisions of the existing Constitution. Many of the proposed changes are administrative or minor in nature including but not limited to:

- updating the name of the Constitution to that adopted in 2014;

- updating references to bodies or legislation which have been renamed (e.g. references to the Australian Settlement and Transfer Corporation Pty Ltd, ASTC Settlement Rules and ASTC Transfer); and
- expressly providing for statutory rights by mirroring these rights in provisions of the Proposed Constitution.

The Directors believe these amendments are not material nor will they have any significant impact on Shareholders. It is not practicable to list all of the changes to the Constitution in detail in this Explanatory Statement, however, a summary of the proposed material changes is set out below.

A copy of the Proposed Constitution can also be sent to Shareholders upon request to the Company Secretary (+61 8 9322 1587). Shareholders are invited to contact the Company if they have any queries or concerns.

13.2 Summary of material proposed changes

Restricted Securities (clause 2.12)

The Proposed Constitution complies with the proposed changes to ASX Listing Rule 15.12 which is due to be finalised and released in December 2019. Under this change, ASX will require certain more significant holders of restricted securities and their controllers (such as related parties, promoters, substantial holders, service providers and their associates) to execute a formal escrow agreement in the form Appendix 9A, as is currently the case. However, for less significant holdings (such as non-related parties and non-promoters), ASX will instead permit the Company to issue restriction notices to holders of restricted securities in the form of a new Appendix 9C advising them of the restriction rather than requiring signed restriction agreements.

Minimum Shareholding (clause 3)

Clause 3 of the Constitution outlines how the Company can manage shareholdings which represent an “unmarketable parcel” of shares, being a shareholding that is less than \$500 based on the closing price of the Company's Shares on ASX as at the relevant time.

The Proposed Constitution is in line with the requirements for dealing with “unmarketable parcels” outlined in the Corporations Act such that where the Company elects to undertake a sale of unmarketable parcels, the Company is only required to give one notice to holders of an unmarketable parcel to elect to retain their shareholding before the unmarketable parcel can be dealt with by the Company, saving time and administrative costs incurred by otherwise having to send out additional notices.

Clause 3 of the Proposed Constitution continues to outline in detail the process that the Company must follow for dealing with unmarketable parcels.

Fee for registration of off market transfers (clause 8.4(c))

On 24 January 2011, ASX amended ASX Listing Rule 8.14 with the effect that the Company may now charge a “reasonable fee” for registering paper-based transfers, sometimes referred to “off-market transfers”.

Clause 8.4 of the Proposed Constitution is being made to enable the Company to charge a reasonable fee when it is required to register off-market transfers from Shareholders. The fee is intended to represent the cost incurred by the

Company in upgrading its fraud detection practices specific to off-market transfers.

Before charging any fee, the Company is required to notify ASX of the fee to be charged and provide sufficient information to enable ASX to assess the reasonableness of the proposed amount.

Direct Voting (clause 13, specifically clauses 13.35 – 13.40)

The Proposed Constitution includes a new provision which allows Shareholders to exercise their voting rights through direct voting (in addition to exercising their existing rights to appoint a proxy). Direct voting is a mechanism by which Shareholders can vote directly on resolutions which are to be determined by poll. Votes cast by direct vote by a Shareholder are taken to have been cast on the poll as if the Shareholder had cast the votes on the poll at the meeting. In order for direct voting to be available, Directors must elect that votes can be cast via direct vote for all or any resolutions and determine the manner appropriate for the casting of direct votes. If such a determination is made by the Directors, the notice of meeting will include information on the application of direct voting.

Rotation of Directors (clause 14.2)

The Proposed Constitution amends the provision relating to the rotation of Directors at the Company's Annual General Meeting each year to align with the Company's obligations under the Listing Rules and to prevent certain Directors needing to be re-elected within the three year period permitted by the Listing Rules just to comply with the Company's Constitution.

Dividends (clause 22)

Section 254T of the Corporations Act was amended effective 28 June 2010.

There is now a three-tiered test that a company will need to satisfy before paying a dividend replacing the previous test that dividends may only be paid out of profits.

The amended requirements provide that a company must not pay a dividend unless:

- (a) the company's assets exceed its liabilities immediately before the dividend is declared and the excess is sufficient for the payment of the dividend;
- (b) the payment of the dividend is fair and reasonable to the company's shareholders as a whole; and
- (c) the payment of the dividend does not materially prejudice the company's ability to pay its creditors.

The existing Constitution reflects the former profits test and restricts the dividends to be paid only out of the profits of the Company. The Proposed Constitution is updated to reflect the new requirements of the Corporations Act. The Directors consider it appropriate to update the Constitution for this amendment to allow more flexibility in the payment of dividends in the future should the Company be in a position to pay dividends.

Partial (proportional) takeover provisions (new clause 36)

A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares.

Pursuant to section 648G of the Corporations Act, the Company has included in the Proposed Constitution a provision whereby a proportional takeover bid for Shares may only proceed after the bid has been approved by a meeting of Shareholders held in accordance with the terms set out in the Corporations Act.

This clause of the Proposed Constitution will cease to have effect on the third anniversary of the date of the adoption of last renewal of the clause.

Information required by section 648G of the Corporations Act

Effect of proposed proportional takeover provisions

Where offers have been made under a proportional off-market bid in respect of a class of securities in a company, the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under such a proportional off-market bid is prohibited unless and until a resolution to approve the proportional off-market bid is passed.

Reasons for proportional takeover provisions

A proportional takeover bid may result in control of the Company changing without Shareholders having the opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders are exposed to the risk of being left as a minority in the Company and the risk of the bidder being able to acquire control of the Company without payment of an adequate control premium. These amended provisions allow Shareholders to decide whether a proportional takeover bid is acceptable in principle, and assist in ensuring that any partial bid is appropriately priced.

Knowledge of any acquisition proposals

As at the date of this Notice of Meeting, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

Potential advantages and disadvantages of proportional takeover provisions

The Directors consider that the proportional takeover provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.

The potential advantages of the proportional takeover provisions for Shareholders include:

- (a) the right to decide by majority vote whether an offer under a proportional takeover bid should proceed;
- (b) assisting in preventing Shareholders from being locked in as a minority;
- (c) increasing the bargaining power of Shareholders which may assist in ensuring that any proportional takeover bid is adequately priced; and

- (d) each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders which may assist in deciding whether to accept or reject an offer under the takeover bid.

The potential disadvantages of the proportional takeover provisions for Shareholders include:

- (a) proportional takeover bids may be discouraged;
- (b) lost opportunity to sell a portion of their Shares at a premium; and
- (c) the likelihood of a proportional takeover bid succeeding may be reduced.

Recommendation of the Board

The Directors do not believe the potential disadvantages outweigh the potential advantages of adopting the proportional takeover provisions and as a result consider that the proportional takeover provision in the Proposed Constitution is in the interest of Shareholders and unanimously recommend that Shareholders vote in favour of Resolution 13.

14. RESOLUTION 14 – APPROVAL OF 10% PLACEMENT CAPACITY

14.1 General

ASX Listing Rule 7.1A provides that an Eligible Entity (as defined below) may seek shareholder approval by special resolution passed at an annual general meeting to have the capacity to issue up to that number of Equity Securities (as defined below) equal to 10% of its issued capital (**10% Placement Capacity**) without using that company's existing 15% annual placement capacity granted under ASX Listing Rule 7.1.

An Eligible Entity is one that, as at the date of the relevant annual general meeting:

- (a) is not included in the S&P/ASX 300 Index; and
- (b) has a maximum market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) of A\$300,000,000.

As at the date of this Notice, the Company is an Eligible Entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of A\$15,347,286 (based on the number of Shares on issue and the closing price of Shares on the ASX on 3 October 2019).

An Equity Security is a share, a unit in a trust, a right to a share or unit in a trust or option, an option over an issued or unissued security, a convertible security, or, any security that ASX decides to classify as an equity security.

Any Equity Securities issued under the 10% Placement Capacity must be in the same class as an existing class of quoted Equity Securities.

As at the date of this Notice, the Company currently has one class of quoted Equity Securities on issue, being the Shares (ASX Code: DCC).

If Shareholders approve Resolution 14, the number of Equity Securities the Company may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2.

Resolution 14 is a special resolution. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of Resolution 14 for it to be passed.

14.2 Technical information required by ASX Listing Rule 7.1A

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to this Resolution 14:

(a) Minimum Price

The minimum price at which the Equity Securities may be issued is 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 5 ASX trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(b) Date of Issue

The Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the Meeting and expiring on the first to occur of the following:

- (i) 12 months after the date of this Meeting; and
- (ii) the date of approval by Shareholders of any transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking) (after which date, an approval under Listing Rule 7.1A ceases to be valid),

(10% Placement Capacity Period).

(c) Risk of voting dilution

Any issue of Equity Securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 14 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 10% Placement Capacity, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.1A(2), on the basis of the market price of Shares and the number of Equity Securities on issue as at 3 October 2019.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

Number of Shares on Issue (Variable 'A' in ASX Listing Rule 7.1A2)	Dilution			
	Issue Price (per Share)	A\$0.0145 50% decrease in Issue Price	A\$0.029 Issue Price	A\$0.044 50% increase in Issue Price
529,216,785 (Current Variable A)	Shares issued - 10% voting dilution	52,921,679	52,921,679	52,921,679
	Funds raised	\$767,364	\$1,534,729	\$2,302,093
793,825,178 (50% increase in Variable A)	Shares issued - 10% voting dilution	79,382,518	79,382,518	79,382,518
	Funds raised	\$1,151,047	\$ 2,302,093	\$3,453,140
1,058,433,570 (100% increase in Variable A)	Shares issued - 10% voting dilution	105,843,357	,843,357	105,843,357
	Funds raised	\$1,534,729	\$ 3,069,457	\$4,604,186

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. There are currently 529,216,785 Shares on issue.
2. The issue price set out above is the closing price of the Shares on the ASX on 3 October 2019.
3. The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1.
5. The issue of Equity Securities under the 10% Placement Capacity consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities.
6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1.

8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(d) **Purpose of Issue under 10% Placement Capacity**

The Company may issue Equity Securities under the 10% Placement Capacity as cash consideration with funds used for ongoing working capital or costs associated with any new acquisitions, investments within its funds management business or new undertakings that the Company identifies that are consistent with its existing business.

The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.

(e) **Allocation policy under the 10% Placement Capacity**

The recipients of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

Further, if the Company is successful in acquiring new resources, assets or investments, it is likely that the recipients under the 10% Placement Capacity will be vendors of the new resources, assets or investments.

(f) **Previous approval under ASX Listing Rule 7.1A**

The Company previously obtained approval from its Shareholders pursuant to ASX Listing Rule 7.1A at its annual general meeting held on 22 November 2018 (**Previous Approval**).

The Company has not issued any Equity Securities pursuant to the Previous Approval.

During the 12 month period preceding the date of the Meeting, the Company otherwise issued a total of 116,195,824 Equity Securities which represents approximately 20.8% of the total diluted number of Equity Securities on issue in the Company on issue 12 months prior to the date of the Meeting.

Further details of the issues of Equity Securities by the Company during the 12 month period preceding the date of the Meeting are set out in Schedule 6.

(g) **Compliance with ASX Listing Rules 7.1A.4 and 3.10.5A**

When the Company issues Equity Securities pursuant to the 10% Placement Capacity, it must give to ASX:

- (i) a list of the recipients of the Equity Securities and the number of Equity Securities issued to each (not for release to the market), in accordance with Listing Rule 7.1A.4; and
- (ii) the information required by Listing Rule 3.10.5A for release to the market.

14.3 Voting Exclusion

A voting exclusion statement is included in this Notice. As at the date of this Notice, the Company has not invited any existing Shareholder to participate in an issue of Equity Securities under ASX Listing Rule 7.1A. Therefore, no existing Shareholders will be excluded from voting on Resolution 14.

14.4 Board recommendation

The Board recommends that Shareholders vote in favour of Resolution 14.

Proxy Form

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

APPOINTMENT OF PROXY

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.
