31 Alfred Street
Sydney NSW 2000

YOUR VOTE IS IMPORTANT

The business of the Annual General Meeting affects your shareholding and your vote is important.

VOTING ELIGIBILITY

The Directors have determined pursuant to Regulation 7.11.37 of the *Corporations Regulations 2001* (Cth) that the persons eligible to vote at the Annual General Meeting are those who are registered Shareholders at 9:30am (EDST) on 20 November 2019.

VOTING IN PERSON

To vote in person, attend the Annual General Meeting at the time, date and place set out above.

VOTING BY PROXY

To vote by proxy, please complete and sign the enclosed Proxy Form and return by the time and in accordance with the instructions set out on the Proxy Form.

In accordance with section 249L of the Corporations Act, members are advised that:

- each member has a right to appoint a proxy;
 - the proxy need not be a member of the Company; and
-

- a member who is entitled to cast 2 or more votes may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If the member appoints 2 proxies and the appointment does not specify the proportion or number of the member's votes, then in accordance with section 249X(3) of the Corporations Act, each proxy may exercise one-half of the votes.

Shareholders and their proxies should be aware that changes to the Corporations Act made in 2011 mean that:

- if proxy holders vote, they must cast all directed proxies as directed; and
- any directed proxies which are not voted will automatically default to the Chair, who must vote the proxies as directed.

Further details on these changes is set out below.

Proxy vote if appointment specifies way to vote

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, **if it does:**

- the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed); and
- if the proxy has 2 or more appointments that specify different ways to vote on the resolution – the proxy must not vote on a show of hands; and
- if the proxy is the chair of the meeting at which the resolution is voted on – the proxy must vote on a poll, and must vote that way (i.e. as directed); and
- if the proxy is not the chair – the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

Transfer of non-chair proxy to chair in certain circumstances

Section 250BC of the Corporations Act provides that, if:

- an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members; and
- the appointed proxy is not the chair of the meeting; and
- at the meeting, a poll is duly demanded on the resolution; and
- either of the following applies:
 - the proxy is not recorded as attending the meeting;
 - the proxy does not vote on the resolution,

the chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

Voting Prohibition

In accordance with section 250BD of the Corporations Act, a person appointed as a proxy must not vote on the basis of that appointment on Resolution 1 if the person is either:

- a member of the Key Management Personnel of the Company; or
- a Closely Related Party of such a member, and

the appointment does not specify the way the proxy is to vote on Resolution 1.

However, the prohibition does not apply if the proxy is the Chair and the appointment expressly authorises the Chair to exercise the proxy even if Resolution 1 is connected directly or indirectly with remuneration of a member of the Key Management Personnel of the Company.

DATED: 22 OCTOBER 2019

BY ORDER OF THE BOARD

**MR MATTHEW FOY
COMPANY SECRETARY**

EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions which are the subject of the business of the Meeting.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Constitution, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2019 together with the declaration of the directors, the Directors' Report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at **www.xtd.tv** or by contacting the Company on (08) 9486 4036.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The Remuneration Report sets out the Company's remuneration arrangements for the directors and senior management of the Company. The Remuneration Report is part of the Directors' Report contained in the annual financial report of the Company for the financial year ended 30 June 2019.

The Chair of the meeting will allow a reasonable opportunity for Shareholders to ask questions about or make comments on the Remuneration Report at the Meeting.

2.2 Voting consequences

Under changes to the Corporations Act which came into effect on 1 July 2011, a company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (other than the managing director) who were in office at the date of approval of the applicable directors' report (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the Remuneration Report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

2.4 Chair voting undirected proxies

The Chair intends to exercise all undirected proxies in favour of Resolution 1. If the Chair of the Meeting is appointed as your proxy and you have not specified the way the Chair is to vote on Resolution 1, by signing and returning the Proxy Form, you are considered to have provided the Chair with an express authorisation for the Chair to vote the proxy in accordance with the Chair's intention.

3. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – MR WILDE

Clause 12.3 of the Constitution provides that:

- (a) A Director must not hold office without re-election:
 - (i) past the third annual general meeting following the Director's appointment or last election; or
 - (ii) for more than three years,whichever is the longer.
- (b) There must be an election of Directors at each annual general meeting of the Company. This can be satisfied by one or more of the following so long as the maximum number of Directors set by the Company in general meeting (if applicable) is not exceeded:
 - (a) a person standing for election as a new Director having nominated in accordance with article 12.6;
 - (b) any Director who was appointed under article 12.7 standing for election as a Director;
 - (c) any Director who is retiring at the end of the annual general meeting due to the tenure limitation in article 12.3(a), standing for re-election; or
 - (d) if no person or Director is standing for election or re-election in accordance with paragraphs (a), (b) or (c), then the Director who has been a Director the longest without re-election must retire and stand for re-election. If two or more Directors have been a Director the longest and an equal time without re-election, then in default of agreement, the Director to retire will be determined by ballot.
- (c) This article does not apply to one Managing Director who is exempt from retirement and re-election in accordance with article 13.10.

This article 12.3 only applies while the Company is on the official list of ASX

The Company has four Directors. Messrs Byrne, Niutta and Justus were appointed as Directors at the Company's 2018 annual general meeting. Messrs Byrne, Niutta and Wilde have held office the longest without re-election and by agreement Mr Wilde has agreed to retire by rotation and, being eligible, seeks re-election.

The Board (other than Mr Wilde) unanimously supports the re-election of Mr Wilde.

4. RESOLUTION 3 - APPROVAL OF 10% PLACEMENT CAPACITY– SHARES

4.1 General

ASX Listing Rule 7.1A provides that an Eligible Entity may seek Shareholder approval at its annual general meeting to allow it to issue Equity Securities up to 10% of its issued capital over a period of up to 12 months after the annual general meeting (**10% Placement Capacity**).

The Company is an Eligible Entity.

If Shareholders approve Resolution 3, the number of Equity Securities the Eligible Entity may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (as set out in Section 4.2 below).

The effect of passing Resolution 3 will be to allow the Company to issue Equity Securities up to 10% of the Company's fully paid ordinary securities on issue under the 10% Placement Capacity during the period up to 12 months after the Meeting, without subsequent Shareholder approval and without using the Company's 15% annual placement capacity granted under Listing Rule 7.1.

Resolution 3 is a special resolution. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of Resolution 3 for it to be passed.

4.2 ASX Listing Rule 7.1A

ASX Listing Rule 7.1A came into effect on 1 August 2012 and enables an Eligible Entity to seek shareholder approval at its annual general meeting to issue Equity Securities in addition to those under the Eligible Entity's 15% annual placement capacity.

An Eligible Entity is one that, as at the date of the relevant annual general meeting:

- (a) is not included in the S&P/ASX 300 Index; and
- (b) has a maximum market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) of \$300,000,000.

The Company is an Eligible Entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of less than \$300,000,000.

Any Equity Securities issued must be in the same class as an existing class of quoted Equity Securities. The Company currently has one class of quoted Equity Securities on issue, being the Shares (ASX Code: XTD).

The exact number of Equity Securities that the Company may issue under an approval under Listing Rule 7.1A will be calculated as at the date of issue of the Equity Securities according to the following formula:

$(A \times D) - E$

Where:

- A** is the number of Shares on issue 12 months before the date of issue or agreement:

- (i) plus the number of Shares issued in the previous 12 months under an exception in ASX Listing Rule 7.2;
- (ii) plus the number of partly paid shares that became fully paid in the previous 12 months;
- (iii) plus the number of Shares issued in the previous 12 months with approval of holders of Shares under Listing Rule 7.1 and 7.4. This does not include an issue of fully paid shares under the entity's 15% placement capacity without shareholder approval; and
- (iv) less the number of Shares cancelled in the previous 12 months.

Note that "A" has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%.

E is the number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the date of issue or agreement to issue that are not issued with the approval of holders of Ordinary Securities under ASX Listing Rule 7.1 or 7.4.

4.3 Technical information required by ASX Listing Rule 7.1A

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to this Resolution 3:

(a) Minimum Price

The minimum price at which the Equity Securities may be issued is 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 5 ASX trading days of the date in Section 7.3(a)(i), the date on which the Equity Securities are issued.

(b) Date of Issue

The Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the Meeting and expiring on the first to occur of the following:

- (i) 12 months after the date of this Meeting; and
- (ii) the date of approval by Shareholders of any transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking) (after which date, an approval under Listing Rule 7.1A cease to be valid),

(10% Placement Capacity Period).

(c) **Risk of voting dilution**

Any issue of Equity Securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 3 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 10% Placement Capacity, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.1A(2), on the basis of the current market price of Shares and the current number of Equity Securities on issue as at the date of this Notice.

The table also shows the voting dilution impact where the number of Shares on issue (variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

Number of Shares on Issue	Dilution			
	Issue Price (per Share)	\$0.011 50% decrease in Issue Price	\$0.021 Current Issue Price	\$0.032 50% increase in Issue Price
132,986,077 (Current)	10% voting dilution	13,298,607 Shares	13,298,607 Shares	13,298,607 Shares
	Funds raised	\$139,635	\$279,271	\$418,906
199,479,115 (50% increase)	10% voting dilution	19,947,911 Shares	19,947,911 Shares	19,947,911 Shares
	Funds raised	\$209,453	\$418,906	\$628,359
265,972,154 (100% increase)	10% voting dilution	26,597,215 Shares	26,597,215 Shares	26,597,215 Shares
	Funds raised	\$279,271	\$558,542	\$837,812

*The number of Shares on issue (variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. The current shares on issue are the Shares on issue as at 14 October 2019.
2. The issue price set out above is the closing price of the Shares on the ASX on 14 October 2019.
3. The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1 or 7.4.
5. The issue of Equity Securities under the 10% Placement Capacity consists only of Shares.

6. This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1.
7. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
8. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(d) **Purpose of Issue under 10% Placement Capacity**

The Company may issue Equity Securities under the 10% Placement Capacity for the following purposes:

- (i) as cash consideration in which case the Company intends to use funds raised towards the ongoing costs associated with either the existing business of Cross-Track Digital Advertising and or potential new ventures; or
- (ii) as non-cash consideration for the acquisition of new projects or otherwise as consideration for services rendered by non-related third parties to the Company, where it is considered appropriate by the board to do so. In such circumstances the Company will provide a valuation of the non-cash consideration as required by listing Rule 7.1A.3.

The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.

(e) **Allocation under the 10% Placement Capacity**

The Company's allocation policy for the issue of Equity Securities under the 10% Placement Capacity will be dependent on the prevailing market conditions at the time of the proposed placement(s).

The recipients of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- (i) the purpose of the issue;

- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

Further, if the Company is successful in acquiring new resources, assets or investments, it is likely that the recipients under the 10% Placement Capacity will be vendors of the new resources, assets or investments.

(f) Previous Approval under ASX Listing Rule 7.1A

The Company previously obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its 2018 Annual General Meeting. The Company has not issued any Equity Securities pursuant to that Listing Rule 7.1A approval.

During the 12-month period preceding 26 November 2019, being the date of this Meeting, the Company otherwise has issued nil securities.

The Company's cash balance on 30 November 2018 was approximately \$1,600,000. Cash raised from issues in the previous 12 months totals \$nil. The Company's cash balance at the date of this Notice is approximately \$2,300,000.

(g) Compliance with ASX Listing Rules 7.1A.4 and 3.10.5A

When the Company issues Equity Securities pursuant to the 10% Placement Capacity, it will give ASX:

- (i) A list of the recipients of the Equity Securities and the number of Equity Securities issued to each (not for release to the market), in accordance with Listing Rule 7.1A.4; and
- (ii) The information required by Listing Rule 3.10.5A for release to the market.

4.4 Voting Exclusion

A voting exclusion statement is included in this Notice. As at the date of this Notice, the Company has not invited any existing Shareholder to participate in an issue of Equity Securities under ASX Listing Rule 7.1A. Therefore, no existing Shareholders will be excluded from voting on Resolution 3.

5. RESOLUTION 4 – ADOPTION OF EMPLOYEE SECURITIES INCENTIVE PLAN

5.1 General

The Company considers that it is desirable to maintain a securities incentive plan pursuant to which the Company can issue Securities to eligible Directors, employees and consultants in order to attract, motivate and retain such persons and to provide them with an incentive to deliver growth and value to all Shareholders.

Accordingly, Resolution 4 seeks Shareholder approval for the adoption of the employee securities incentive plan titled "XTD Limited Employee Securities Incentive Plan" (**Plan**) in accordance with Listing Rule 7.2 Exception 9(b).

Under the Plan, the Board may offer to eligible persons the opportunity to subscribe for such number of Securities in the Company as the Board may decide and on the terms set out in the rules of the Plan, a summary of which is set out in Schedule 1.

In addition, a copy of the Plan is available for review by Shareholders at the registered office of the Company until the date of the Meeting. A copy of the Plan can also be sent to Shareholders upon request to the Company Secretary. Shareholders are invited to contact the Company if they have any queries or concerns.

Listing Rule 7.1 provides that a company must not (subject to specified exceptions), without the approval of shareholders, issue or agree to issue during any 12 month period any equity securities, or other securities with rights to conversion to equity (such as an option), if the number of those securities exceeds 15% of the number of ordinary securities on issue at the commencement of that 12 month period. Listing Rule 7.2, Exception 9(b) provides an exception to Listing Rule 7.1 by which equity securities issued under an employee incentive scheme are exempt for a period of 3 years from the date on which shareholders approve the issue of equity securities under the scheme as an exception to Listing Rule 7.1.

If Resolution 4 is passed, the Company will be able to issue Securities under the Plan to eligible participants over a period of 3 years without impacting on the Company's ability to issue up to 15% of its total ordinary securities without Shareholder approval in any 12 month period.

No Securities have been issued under the current Plan as it is a new employee incentive plan and has not previously been approved by Shareholders.

Prior Shareholder approval will be required under Listing Rule 10.14 before any Director or related party of the Company can participate in the Plan.

Pursuant to the Listing Rules, Shareholders must re-approve the Plan and all unissued Securities issuable pursuant thereto every 3 years.

Resolution 4 is an ordinary resolution.

6. RESOLUTIONS 5 TO 8 – APPROVAL OF INCENTIVE SECURITIES TO DIRECTORS

6.1 General

The Company intends to grant a total of 13,281,250 incentive securities to the Directors comprising a total of 4,166,667 Performance Rights and 9,114,583 options (**Restricted Options**) to the Directors as follows:

- (a) 4,166,667 Performance Rights to Adam Cadwallader comprising:
 - (i) 2,500,000 Performance Rights that vest and become exercisable into ordinary shares upon the 60-day Volume Weighted Average Price (**VWAP**) of the Company's shares being at least 8¢; and
 - (ii) 1,666,667 Performance Rights Performance Rights that vest and become exercisable into ordinary shares upon the 60-day VWAP of the Company's shares being at least 12¢.

- (b) 3,645,833 Restricted Options exercisable at 4¢ each on or before the date that is 3 years from the date of issue to Justus Wilde comprising:
 - (i) 2,187,500 Options that vest and become exercisable upon the 60-day VWAP of the Company's shares being at least 8¢; and
 - (ii) 1,458,333 Options that vest and become exercisable upon the 60-day VWAP of the Company's shares being at least 12¢.
- (c) 3,645,833 Restricted Options exercisable at 4¢ each on or before the date that is 3 years from the date of issue to Jason Byrne comprising:
 - (i) 2,187,500 Options that vest and become exercisable upon the 60-day VWAP of the Company's shares being at least 8¢; and
 - (ii) 1,458,333 Options that vest and become exercisable upon the 60-day VWAP of the Company's shares being at least 12¢.
- (d) 1,822,917 Restricted Options exercisable at 4¢ each on or before the date that is 3 years from the date of issue to Mark Niutta comprising:
 - (i) 1,093,750 Options that vest and become exercisable upon the 60-day VWAP of the Company's shares being at least 8¢; and
 - (ii) 729,167 Options that vest and become exercisable upon the 60-day VWAP of the Company's shares being at least 12¢.

(together the **Director Incentive Securities**).

The Directors Incentive Securities are being granted as part of the incentive component of the Directors' remuneration.

Resolutions 5 to 8 seek Shareholder approval pursuant to Listing Rule 10.14 for the issue of the Directors Incentive Securities to the Directors or their nominees.

ASX Listing Rule 10.14 also requires Shareholder approval to be obtained where an entity issues, or agrees to issue, securities under an employee incentive scheme to a related party, or a person whose relationship with the entity or a related party is, in ASX's opinion, such that approval should be obtained unless an exception in ASX Listing Rule 10.12 applies. Messrs Justus Wilde, Adam Cadwallader, Jason Byrne and Mark Niutta are each a related party of the Company by virtue of being Directors.

The proposed issue of Director Incentive Securities to the Related Parties requires the Company to obtain Shareholder approval pursuant to ASX Listing Rule 10.14 because it will result in the Company issuing securities to a related party of the Company under an employee incentive scheme. Accordingly, Shareholder approval is sought pursuant ASX Listing Rule 10.14 (in accordance with the provisions of Listing Rule 10.15).

If approval is given under Listing Rule 10.14, Shareholder approval is not required under Listing Rule 7.1. Shareholder approval of the issue of the Directors Incentive Securities means that this issue will not reduce the Company's 15% placement capacity under Listing Rule 7.1.

Resolutions 5 to 8 are ordinary resolutions. Resolutions 5 to 8 are each subject to the passing of Resolution 4.

1.2 Specific information required by Listing Rule 10.14

Pursuant to and in accordance with the requirements of sections 219 of the Corporations Act and ASX Listing Rule 10.15, the following information is provided in relation to the proposed issue of Restricted Shares and the grant of the associated loans to the Eligible Participants:

- (a) The maximum number of Directors Incentive Securities to be issued to:
 - (i) Adam Cadwallader (or his nominees) is 4,166,667 Performance Rights.
 - (ii) Justus Wilde (or his nominees) is 3,645,833 Restricted Options; and
 - (iii) Jason Byrne (or his nominees) is 3,645,833 Restricted Options.
 - (iv) Mark Niutta (or his nominees) is 1,822,917 New Options.
- (b) The Company will issue the Directors Incentive Securities no later than one month after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules), and it is intended that all of the Directors Incentive Securities will be issued on the same date.
- (c) Each of Messrs Justus Wilde, Adam Cadwallader, Jason Byrne and Mark Niutta are a related party of the Company by virtue of being a Director of the Company.
- (d) The Directors Incentive Securities will be granted for nil cash consideration, accordingly no funds will be raised.
- (e) The Performance Rights terms and conditions are set out in Schedule 2 and the vesting conditions are set out in section 6.1 above.
- (f) The Restricted Options are each exercisable at \$0.04 on or before the date that is three years from the date of grant. The vesting conditions of the Restricted Options are set out section 6.1 above. Shares issued on exercise of the Restricted Options will be fully paid ordinary shares in the capital of the Company ranking equally in all respects with the Company's existing Shares on issue. Full terms and conditions of the Director Options are set out in Schedule 3
- (g) No loan has been or will be given to Messrs Justus Wilde, Adam Cadwallader, Jason Byrne and Mark Niutta in relation to the grant of the Director Incentive Securities. The value of the Restricted Options and pricing methodology is set out in Schedule 4;
- (h) The relevant interests of the Related Parties in securities of the Company as at the date of this Notice are set out below:

Related Party	Shares	Class D Performance Shares
Mr Justus Wilde	-	-
Mr Adam Cadwallader	-	-
Mr Jason Byrne	4,070,819	-
Mr Mark Niutta	6,168,861	3,550,009

- (i) The remuneration and emoluments from the Company for the previous financial year and the proposed remuneration and emoluments for the current financial year are set out below:

Related Party	Current Financial Year (Proposed)	Previous Financial Year
Mr Justus Wilde	\$50,000	\$33,333
Mr Adam Cadwallader	\$321,125	N/A
Mr Jason Byrne	\$36,000	\$157,333
Mr Mark Niutta	\$36,000	\$24,000

- (j) If the Directors Incentive Securities granted to the Related Parties vest and are subsequently exercised, a total of 13,281,250 Shares would be issued. This will increase the number of Shares on issue from 132,986,077 to 146,267,327 (assuming that no other Options are exercised and no other Shares are issued) with the effect that the shareholding of existing Shareholders would be diluted by an aggregate of 9.98%. The issue of Shares upon exercise of the Director Options issued to each of the Related Parties will dilute the shareholding of existing Shareholders by the following percentages 3.13% to Mr Cadwallader, 2.74% to Mr Wilde, 2.74% to Mr Byrne and 1.37% to Mr Niutta.

The market price for Shares during the term of the Restricted Options would normally determine whether or not the Director Options are exercised. If, at any time any of the Restricted Options are exercised and the Shares are trading on ASX at a price that is higher than the exercise price of the Restricted Options, there may be a perceived cost to the Company.

- (k) The trading history of the Shares on ASX in the 12 months before the date of this Notice is set out below:

	Price	Date
Highest	\$0.04	13 February 2019
Lowest	\$0.017	8 February 2019
Last	\$0.020	21 October 2019

- (l) The Board acknowledges that the grant of Restricted Options to Mr Justus Wilde, Mr Jason Byrne and Mr Mark Niutta (Non-Executive Directors) is contrary to Recommendation 8.2 of The Corporate Governance Principles and Recommendations (3rd Edition) as published by The ASX Corporate Governance Council. However the Board considers the grant of Restricted Options to each of the Non-Executive Directors reasonable in the circumstances for the reason set out in paragraph (m);
- (m) The primary purposes of the grant of Restricted Options to the Related Parties is to provide a performance linked incentive component in the remuneration package for the Related Parties to mitigate and reward the performance of the Related Parties in their respective roles as Directors as well as a cost effective form of remuneration for their ongoing commitment and contribution to the Company and to align their interests with those of the Shareholders;
- (n) Mr Adam Cadwallader declines to make a recommendation to Shareholders in relation to Resolution 5 due to his material personal interest in the outcome of the Resolution on the basis that Mr Cadwallader is to be granted Director

Performance Rights should Resolution 5 be passed. However, in respect to Resolutions 6 to 8, Mr Cadwallader recommends that Shareholders vote in favour of those Resolutions for the following reasons:

- (i) The grant of the Director Incentive Securities to the Related Parties will align the interests of the Related Parties with those of Shareholders;
 - (ii) The grant of the Director Incentive Securities is a reasonable and appropriate method to provide cost effective remuneration as the non-cash form of this benefit will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to the Related Parties; and
 - (iii) It is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in granting the Director Incentive Securities upon the terms proposed;
- (o) Mr Justus Wilde declines to make a recommendation to Shareholders in relation to Resolution 6 due to his material personal interest in the outcome of the Resolution on the basis that Mr Wilde is to be granted Director Incentive Securities should Resolution 6 be passed. However, in respect to Resolutions 5, 7 and 8, Mr Wilde recommends that Shareholders vote in favour of those Resolutions for the reasons set out in paragraph (m);
- (p) Mr Jason Byrne declines to make a recommendation to Shareholders in relation to Resolution 7 due to his material personal interest in the outcome of the Resolution on the basis that Mr Byrne is to be granted Director Incentive Securities should Resolution 7 be passed. However, in respect to Resolutions 5, 6 and 8, Mr Byrne recommends that Shareholders vote in favour of those Resolutions for the reasons set out in paragraph (m);
- (q) Mr Mark Niutta declines to make a recommendation to Shareholders in relation to Resolution 8 due to his material personal interest in the outcome of the Resolution on the basis that Mr Niutta is to be granted Director Incentive Securities should Resolution 8 be passed. However, in respect to Resolutions 5 to 7, Mr Niutta recommends that Shareholders vote in favour of those Resolutions for the reasons set out in paragraph (m);
- (r) In forming their recommendations, each Director considered the experience of each other Related Party, the current market price of the Shares, the current market practices when determining the number of Director Incentive Securities to be granted as the exercise price and expiry date of those Director Incentive Securities;
- (s) The Board is not aware of any other information that would be reasonably required by Shareholders to allow them to make a decision whether it is in the best interests of the Company to pass Resolutions 5 to 8.
- (t) A voting exclusion statement is included in the Notice.

7. RESOLUTION 9 – AMENDMENT TO CONSTITUTION

7.1 Background

A company may modify or repeal its constitution or a provision of its constitution by a special resolution of the Shareholders.

Resolution 9 seeks to amend the Company's existing Constitution which is of the type required for a listed public company limited by shares (**Proposed Constitution**). The Proposed Constitution is to ensure the Company's constitution reflects the current provisions of the Corporations Act and ASX Listing Rules. Resolution 9 is a special resolution, accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of Resolution 9 for it to be passed.

The Proposed Constitution will incorporate proposed amendments to the ASX Listing Rules since the current Constitution was adopted on 30 August 2017. ASX is proposing a number of rule changes to make aspects of the listing process and ongoing compliance with the listing rules more efficient for issuers and for ASX.

ASX is proposing to introduce a two-tier escrow regime where ASX can (and will) require certain more significant holders of restricted securities and their controllers to execute a formal escrow agreement in the form of Appendix 9A, as is currently the case. However, for less significant holdings, ASX will instead permit entities to rely on a provision in their constitution imposing appropriate escrow restrictions on the holder of restricted securities and to simply give a notice to the holder of restricted securities in the form of a new Appendix 9C advising them of those restrictions.

Once the new listing rules come into effect, which is expected on 1 December 2019, a company cannot issue restricted securities unless the constitution is amended to include the wording below. Given the Company is already admitted to the official list of ASX, the circumstances in which the Company may issue restricted securities is limited, and would most likely relate to transactions requiring approval under ASX Listing Rule 10.1 or if the Company was required to re-comply with Chapters 1 and 2 of the ASX Listing Rules because of the application of ASX Listing Rule 11.1.3 (i.e. a significant change to the Company's nature or scale of activities).

The Directors believe these amendments are neither material nor will they have any significant impact on Shareholders. It is not practicable to list all the changes to the Constitution in detail in this Explanatory Memorandum, however, a summary of the proposed material changes is set out below.

A copy of the Proposed Constitution is available for review by Shareholders at the Company's website or at the registered office of the Company. A copy of the Proposed Constitution can also be sent to Shareholders upon request to the Company Secretary at +61 8 9486 4036. Shareholders are invited to contact the Company if they have any queries or concerns.

Restricted Securities (clause 24.1)

The Company shall comply in all respects with the requirements of the Listing Rules with respect to Restricted Securities. Without limiting the generality of the above:

- (i) a holder of Restricted Securities must not dispose of, or agree or offer to dispose of, the securities during the escrow period applicable to those securities except as permitted by the Listing Rules or ASX;
- (ii) if the Restricted Securities are in the same class as quoted securities, the holder will be taken to have agreed in writing that the Restricted Securities are to be kept on the Company's issuer sponsored subregister and are to have a holding lock applied for the duration of the escrow period applicable to those securities.
- (iii) the Company will refuse to acknowledge any disposal (including, without limitation, to registering any transfer), assignment or transfer of Restricted Securities

during the escrow period applicable to those securities except as permitted by the Listing Rules or the ASX;

- (iv) a holder of Restricted Securities will not be entitled to participate in any return of capital on those securities during the escrow period applicable to those securities except as permitted by the Listing Rules or ASX; and
- (v) if a holder of Restricted Securities breaches a restriction deed or a provision of this Constitution restricting a disposal of those securities, the holder will not be entitled to any dividend or distribution, or to exercise any voting rights, in respect of those securities for so long as the breach continues.

7.2 Director's Recommendation

The Directors unanimously recommend that shareholders approve Resolution 9 to approve the Constitution Amendment.

The Chairman of the Meeting will be casting undirected proxies in favour of this Resolution.

8. ENQUIRIES

Shareholders are required to contact the Company Secretary, Mr Matthew Foy, on (+61 8) 9486 4036 if they have any queries in respect of the matters set out in these documents.

SCHEDULE 1 – SUMMARY OF EMPLOYEE SECURITIES INCENTIVE PLAN

A summary of the terms of the XTD Limited Employee Securities Incentive Plan (**Plan**) is set out below:

1. Eligible Participant

Eligible Participant means a person who is a full-time or part-time employee, officer, or contractor of the Company, or an Associated Body Corporate (as defined in ASIC Class Order 14/1000), or such other person who has been determined by the Board to be eligible to participate in the Plan from time to time.

The Company will seek Shareholder approval for Director and related party participation in accordance with Listing Rule 10.14.

2. Purpose

The purpose of the Plan is to:

- (a) assist in the reward, retention and motivation of Eligible Participants;
- (b) link the reward of Eligible Participants to Shareholder value creation; and
- (c) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of Securities.

3. Plan administration

The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion. The Board may delegate its powers and discretion.

4. Eligibility, invitation and application

The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an invitation to that Eligible Participant to apply for Securities on such terms and conditions as the Board decides.

On receipt of an Invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part.

If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.

5. Grant of Securities

The Company will, to the extent that it has accepted a duly completed application, grant the Participant the relevant number of Securities, subject to the terms and conditions set out in the invitation, the Plan rules and any ancillary documentation required.

6. Terms of Convertible Securities

Each 'Convertible Security' represents a right to acquire one or more Shares (for example, under an option or performance right), subject to the terms and conditions of the Plan.

Prior to a Convertible Security being exercised a Participant does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security by virtue of holding the Convertible Security. A Participant may not sell, assign, transfer, grant a security interest over or otherwise deal with a Convertible Security that has been granted to them unless otherwise determined by the Board. A Participant must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.

7. Vesting of Convertible Securities

Any vesting conditions applicable to the grant of Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that Convertible Security will lapse.

8. Exercise of Convertible Securities and cashless exercise

To exercise a Convertible Security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise of Convertible Securities (see below), pay the exercise price (if any) to or as directed by the Company, at any time following vesting of the Convertible Security (if subject to vesting conditions) and prior to the expiry date as set out in the invitation or vesting notice.

An invitation may specify that at the time of exercise of the Convertible Securities, the Participant may elect not to be required to provide payment of the exercise price for the number of Convertible Securities specified in a notice of exercise, but that on exercise of those Convertible Securities the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities.

Market Value means, at any given date, the volume weighted average price per Share traded on the ASX over the 5 trading days immediately preceding that given date, unless otherwise specified in an invitation.

A Convertible Security may not be exercised unless and until that Convertible Security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.

9. Delivery of Shares on exercise of Convertible Securities

As soon as practicable after the valid exercise of a Convertible Security by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the Plan rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Participant.

10. Forfeiture of Convertible Securities

Where a Participant who holds Convertible Securities ceases to be an Eligible Participant or becomes insolvent, all unvested Convertible Securities will automatically be forfeited by the Participant, unless the Board otherwise determines in its discretion to permit some or all of the Convertible Securities to vest.

Where the Board determines that a Participant has acted fraudulently or dishonestly; committed an act which has brought the Company, the Group or any entity within the Group into disrepute, or wilfully breached his or her duties to the Group or where a Participant is convicted of an offence in connection with the affairs of the Group; or has a judgment entered against him or her in any civil proceedings in respect of the contravention by the Participant of his or her duties at law, in equity or under statute, in his or her capacity as an employee, consultant or officer of the Group, the Board may in its discretion deem all unvested Convertible Securities held by that Participant to have been forfeited.

Unless the Board otherwise determines, or as otherwise set out in the Plan rules:

- (a) any Convertible Securities which have not yet vested will be forfeited immediately on the date that the Board determines (acting reasonably and in good faith) that any applicable vesting conditions have not been met or cannot be met by the relevant date; and
- (b) any Convertible Securities which have not yet vested will be automatically forfeited on the expiry date specified in the invitation or vesting notice.

11. Change of control

If a change of control event occurs in relation to the Company, or the Board determines that such an event is likely to occur, the Board may in its discretion determine the manner in which any or all of the Participant's Convertible Securities will be dealt with, including, without limitation, in a manner that allows the Participant to participate in and/or benefit from any transaction arising from or in connection with the change of control event provided that, in respect of Convertible Securities, the maximum number of Convertible Securities (that have not yet been exercised) that the Board may determine will vest and be exercisable into Shares under this Rule is that number of Convertible Securities that is equal to 10% of the Shares on issue immediately following vesting under this Rule, which as far as practicable will be allocated between holders on a pro-rata basis on the basis of their holdings of Convertible Securities on the date of determination of vesting.

12. Rights attaching to Plan Shares

All Shares issued or transferred under the Plan, or issued or transferred to a Participant upon the valid exercise of a Convertible Security, (**Plan Shares**) will rank pari passu in all respects with the Shares of the same class. A Participant will be entitled to any dividends declared and distributed by the Company on the Plan Shares and may participate in any dividend reinvestment plan operated by the Company in respect of Plan Shares. A Participant may exercise any voting rights attaching to Plan Shares.

13. Disposal restrictions on Plan Shares

If the invitation provides that any Plan Shares are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction.

For so long as a Plan Share is subject to any disposal restrictions under the Plan, the Participant will not:

- (a) transfer, encumber or otherwise dispose of, or have a security interest granted over that Plan Share; or
- (b) take any action or permit another person to take any action to remove or circumvent the disposal restrictions without the express written consent of the Company.

14. Adjustment of Convertible Securities

If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Convertible Securities will be changed to the extent necessary to comply with the Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.

If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the holder of Convertible Securities is entitled, upon exercise of the Convertible Securities, to receive an issue of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.

Unless otherwise determined by the Board, a holder of Convertible Securities does not have the right to participate in a pro rata issue of Shares made by the Company or sell renounceable rights.

15. Participation in new issues

There are no participation rights or entitlements inherent in the Convertible Securities and holders are not entitled to participate in any new issue of Shares of the Company during the currency of the Convertible Securities without exercising the Convertible Securities.

16. Compliance with applicable law

No Security may be offered, granted, vested or exercised if to do so would contravene any applicable law. In particular, the Company must have reasonable grounds to believe, when making an invitation, that the total number of Plan Shares that may be issued upon exercise of Convertible Securities offer when aggregated with the number of Shares issued or that may be issued as a result of offers made at any time during the previous three year period under:

- (i) an employee incentive scheme of the Company covered by ASIC Class Order 14/1000; or
- (ii) an ASIC exempt arrangement of a similar kind to an employee incentive scheme,

but disregarding any offer made or securities issued in the capital of the Company by way of or as a result of:

- (iii) an offer to a person situated at the time of receipt of the offer outside Australia;
- (iv) an offer that did not need disclosure to investors because of section 708 of the Corporations Act (exempts the requirement for a disclosure document for the issue of securities in certain circumstances to investors who are deemed to

have sufficient investment knowledge to make informed decisions, including professional investors, sophisticated investors and senior managers of the Company); or

(v) an offer made under a disclosure document,

would exceed 5% (or such other maximum permitted under any applicable law) of the total number of Shares on issue at the date of the invitation.

17. Maximum number of Securities

The Company will not make an invitation under the Plan if the number of Plan Shares that may be issued, or acquired upon exercise of Convertible Securities offered under an invitation, when aggregated with the number of Shares issued or that may be issued as a result of all invitations under the Plan, will exceed 15% of the total number of issued Shares at the date of the invitation.

18. Amendment of Plan

Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect.

No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.

19. Plan duration

The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely, and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants.

If a Participant and the Company (acting by the Board) agree in writing that some or all of the Securities granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those Securities may be cancelled in the manner agreed between the Company and the Participant.

20. Income Tax Assessment Act

The Plan is a plan to which Subdivision 83A-C of the Income Tax Assessment Act 1997 (Cth) applies (subject to the conditions in that Act).

SCHEDULE 2 – TERMS AND CONDITIONS OF PERFORMANCE RIGHTS

- (a) Each Performance Right shall carry the right in favour of the holder to be issued one Share on satisfaction of the following conditions (together, the **Vesting Conditions**):

 - (ii) in the case of 1,666,667 Performance Rights upon the 60-day VWAP of the Company's shares being at least 12¢.
- (b) A Performance Right may only be exercised after that Performance Right has vested and before the date that is 3 years after the date the Company is admitted into the Official List of the ASX (**PR Expiry Date**). A Performance Right vests upon satisfaction of the relevant Vesting Condition as determined by the Board.
- (c) An unvested Performance Right will lapse upon the first to occur of:
 - a. the relevant Vesting Condition not being satisfied by PR Expiry Date;
 - b. termination of the holder's employment or engagement with the Company on the basis that the holder acted fraudulently or dishonestly in relation to the Company; or
 - c. on certain conditions associated with a "change of control event" as that term is defined in the Long Term Incentive Plan.
- (d) A Performance Right which has vested but has not been exercised will lapse upon the first to occur of (i) the close of business on the PR Expiry Date, (ii) the transfer or purported transfer without the consent of the Board, (iii) the holder acting fraudulently or dishonestly in relation to the Company, or (iv) on certain conditions associated with a "change of control event" as that term is defined in the Long Term Incentive Plan.
- (e) Shares allotted to holders on exercise of Performance Rights shall rank from the date of allotment, equally with existing Shares in all respects and shall be issued for nil consideration.
- (f) Performance Rights shall not be listed for Official Quotation on ASX. The Company shall, in accordance with the Listing Rules, make application to have the Shares allotted pursuant to an exercise of Performance Rights listed for Official Quotation on ASX.
- (g) Performance Rights may only be transferred with the consent of the Board or by force of law upon the death of a holder. Shares may only be transferred upon the expiration of a period (if any) advised to the holder at the time the Performance Rights relating to those Performance Shares were issued.
- (h) There are no participating rights or entitlements inherent in the Performance Rights and holders will not be entitled to participate in new issues of capital offered to Shareholders unless a Performance Right has vested and been exercised and a Share has been issued in respect of that Performance Right.
- (i) In the event of any reconstruction (including a consolidation, subdivision, reduction or return) of the issued capital of the Company prior to the vesting of any Performance Rights, the number of Shares to which each holder is entitled upon exercise of the Performance Rights or any amount payable on exercise the Performance Rights or both will be adjusted in a manner determined by the Board which complies with the provisions of the Listing Rules to ensure that no advantage or disadvantage accrues to the holder as a result of such corporate actions.

SCHEDULE 3 – TERMS AND CONDITIONS OF DIRECTOR OPTIONS

(a) Exercise Price

Subject to paragraph (h), the amount payable upon exercise of each Option will be \$0.04 (**Exercise Price**).

(b) Expiry Date

Each Option will expire at 5:00 pm (WST) on the date that is three years from the date of issue of the Options (**Expiry Date**). An Option not exercised before the Expiry Date will automatically lapse on the Expiry Date.

(d) Notice of Exercise

The Options will vest as follows (**Vesting Conditions**):

- (i) 60% upon the 60-day Volume Weighted Average Price (**VWAP**) of the Company's shares being at least 8¢; and
- (ii) 40% upon the 60-day VWAP of the Company's shares being at least 12¢.

Subject to the Vesting Conditions, the Options may be exercised during the Exercise Period by notice in writing to the Company in the manner specified on the Option certificate (**Notice of Exercise**) and payment of the Exercise Price for each Option being exercised in Australian currency by electronic funds transfer or other means of payment acceptable to the Company.

(f) Timing of issue of Shares on exercise

Within 5 Business Days after the Exercise Date, the Company will:

- (i) issue the number of Shares required under these terms and conditions in respect of the number of Options specified in the Notice of Exercise and for which cleared funds have been received by the Company;
- (ii) if required, give ASX a notice that complies with section 708A(5)(e) of the Corporations Act, or, if the Company is unable to issue such a notice, lodge with ASIC a prospectus prepared in accordance with the Corporations Act and do all such things necessary to satisfy section 708A(11) of the Corporations Act to ensure that an offer for sale of the Shares does not require disclosure to investors; and
- (iii) if admitted to the official list of ASX at the time, apply for official quotation on ASX of Shares issued pursuant to the exercise of the Options.

If a notice delivered under paragraph (f)(i) or (f)(ii) for any reason is not effective to ensure that an offer for sale of the Shares does not require disclosure to investors, the Company must, no later than 20 Business Days after becoming aware of such notice being ineffective, lodge with ASIC a prospectus prepared in accordance with the Corporations Act and do all such things necessary to satisfy section 708A(11) of the Corporations Act to ensure that an offer for sale of the Shares does not require disclosure to investors.

If at any time the issued capital of the Company is reconstructed, all rights of an Optionholder are to be changed in a manner consistent with the Corporations Act and the ASX Listing Rules at the time of the reconstruction.

(i) Participation in new issues

There are no participation rights or entitlements inherent in the Options and holders will not be entitled to participate in new issues of capital offered to Shareholders during the currency of the Options without exercising the Options.

(j) Change in exercise price

An Option does not confer the right to a change in Exercise Price or a change in the number of underlying securities over which the Option can be exercised.

(l) Transferability

The Options are transferable subject to the Constitution, any restriction or escrow arrangements imposed by ASX or under applicable Australian securities laws.
