In respect of any Offer, the Board may determine the Expiry Date for an Option offered under the Offer in its absolute discretion.

7.8 Transfer of rights

Subject to the Listing Rules, Options may not be transferred, assigned or novated by a Participant except:

- (b) by force of law upon death to the Participant's legal personal representative or upon bankruptcy to the Participant's trustee in bankruptcy; and

7.9 Security Interests

Subject to Rule 7.8, Participants will not grant a Security Interest in or over or otherwise dispose of or deal with any Option or any interest in them until the underlying Shares are issued to that Participant, and any such Security Interest or disposal or dealing will not be recognised in any manner by the Company.

7.10 Dividend and voting rights

Options will not confer upon the Participant the right to dividends or to notice of, or to vote and attend at, meetings of Shareholders unless and until any Option has been exercised and Shares have been issued to the Participant.

7.11 Participation generally

- (a) There are no participating rights or entitlements inherent in the Options and holders will not be entitled to participate in new issues of capital which may

be offered to Shareholders from time to time prior to the Expiry Date without exercising the Options.

- (b) The Company will ensure that for the purposes of determining entitlements to any such issue, the record date will be at least 3 Business Days after the issue is announced. This will give Participants the opportunity to exercise their Options prior to the date for determining entitlements to participate in any such issue.

7.12 Pro rata issue of securities

If the Company makes a pro rata issue of securities (except a bonus issue) to the Shareholders (other than an issue in lieu or in satisfaction of dividends or by way of dividend reinvestment) the Exercise Price shall be reduced as determined by the Board in its sole discretion in accordance with the Listing Rules.

7.13 Adjustment for bonus issues

In the event of a bonus issue of Shares being made pro-rata to Shareholders, (other than an issue in lieu of dividends), the number of Shares issued on exercise of each Option will include the number of bonus Shares that would have been issued if the Option had been exercised prior to the record date for the bonus issue. No adjustment will be made to the Exercise Price per Share of the Option.

7.14 Reorganisation

If at any time the capital of the Company is reorganised (including by way of a consolidation, subdivision, reduction or cancellation), the terms of the Options will be changed in a manner consistent with the Corporations Act and the Listing Rules at the time of the reorganisation.

7.16 Cumulative Adjustments

Effect will be given to Rule 7.15 in such manner that the effect of the successive applications of them is cumulative, with the intention being that the adjustments they progressively effect will reflect previous adjustments.

8. Exercise of Options

8.1 Exercise

Options granted to a Participant may only be exercised by delivery to the Company's secretary (at a time when the Options may be exercised) of:

- (a) the certificate for the Options or, if the certificate for the Options has been lost, mutilated or destroyed, a declaration to that effect, accompanied by an indemnity in favour of the Company against any loss, costs or expenses which might be incurred by the Company as a consequence of its relying on the declaration that the certificate has been lost, mutilated or destroyed;

- (b) an Option Exercise Notice addressed to the Company and signed by the Participant stating that the Participant exercises the Options and specifying the number of Options which are exercised; and
- (c) payment to the Company of an amount equal to the Exercise Price multiplied by the number of Options which are being exercised, unless there is no exercise price payable in respect of the Options to be exercised.

8.2 Part exercise

- (a) The giving of an Option Exercise Notice for part only of the number of Options held by any Participant from time to time does not prevent the Participant at any time thereafter subject to Rule 7.10, during the term of those Options from exercising all or part of the balance of such Options in whole or in part.
- (b) If a Participant exercises less than the total number of Options referred to in the Option Certificate then that Participant:
 - (i) must surrender the Option Certificate to the Company; and
 - (ii) the Company will cancel that Option Certificate and re-issue an Option Certificate to the Participant for the unexercised balance of the Options.

- (a) within 10 Business Days of delivery of the documents referred to in Rule 8.1 issue to the Participant the Shares credited as being fully paid in respect of which the Options are exercised together with any additional Shares an entitlement to which has arisen under the Plan in consequence of the exercise of the Options; and
- (b) cancel the certificate delivered pursuant to Rule 6.5(b) and, if any Options which have not lapsed remain unexercised, deliver to the Participant a replacement certificate reflecting the number of those Options which remain unexercised;
- (c) if required, give ASX a notice that complies with section 708A(5)(e) of the Corporations Act, or, if the Company is unable to issue such a notice, lodge with ASIC a prospectus prepared in accordance with the Corporations Act and do all things necessary to satisfy section 708A(11) of the Corporations Act to ensure that an offer for sale of the Shares does not require disclosure to investors; and
- (d) do all such acts, matters and things to obtain the grant of quotation of the Shares by ASX by no later than 5 Business Days after the date of exercise of the Option.

8.4 Beneficial owner of Shares

From and including the date of issue to a Participant of any Shares in accordance with these Rules, the Participant will:

- (a) be the beneficial owner of those Shares; and

- (b) subject to the Corporations Act and the Constitution, be entitled to deal with those Shares as beneficial owner.

8.5 Equal rank

A Share acquired on exercise of an Option will rank equally in all respects with Shares already on issue on the date of exercise of the Option, except for entitlements which had a record date before the date of issue of that Share.

9. Cessation of Employment

9.1 Effect of Cessation of Employment

Any Options issued pursuant to the Plan will be granted on the condition that the whole of the Options issued to an Eligible Person automatically lapse and are forfeited, (except that the Eligible Person may retain any Options which have already vested pursuant to the terms and conditions of the Offer) unless the Board determines otherwise within 30 days, if that Eligible Person:

- (a) voluntarily resigns from employment with the Company otherwise than to take up employment with a Related Body Corporate of the Company;

 - (v) any other reason, based on which the Board believes it is fair and reasonable to warrant the lapsing and forfeiture of the Options.

9.2 Special Circumstances

Options issued to an Eligible Person will not lapse and be forfeited where an Eligible Person ceases employment with the Company in the following circumstances:

- (a) death or total and permanent disability;
- (b) bona fide retirement;
- (c) bona fide redundancy; and
- (d) any other reason, based on which the Board believes it is fair and reasonable to warrant the Eligible Person maintaining his/her right to exercise the Options.

9.3 Transfer of Options

Should an Eligible Person, in the opinion of the Board, satisfy the requirements of Rule 9.2 the Eligible Person will have a period of 1 year to exercise the Option from the date the Company receives notice of the specified event and acknowledges in writing that such event satisfies the requirements of Rule 9.2. For the purposes of this Rule the time constraint imposed by Rule 9.1 is to be ignored.

10. Taxation

- (a) Neither the Company nor its directors, officers, employees, representatives or agents take any responsibility or assume any liability for the taxation liabilities of Eligible Persons.
- (b) To the extent permitted under any applicable law or regulation, subdivision 83A-C of the *Income Tax Assessment Act 1997* (Cth) applies to Options granted under the Plan.

12. Amendments to the Plan

12.1 Amendment by Board

The Board may amend the Rules if in the opinion of the Board such amendment:

- (a) is of a formal, minor or technical nature; or
- (b) is made to correct a manifest error.

12.2 Amendments requiring consent of Participants

Without the consent of the relevant Participant(s), no amendment may be made to the terms and conditions of the Rules and the relevant Offer of any granted Option which reduces the rights of the Participants in respect of that Option, other than an amendment introduced primarily:

- (a) under Rule 12.1;
- (b) for the purpose of complying with or conforming to present or future State or Commonwealth legislation governing or regulating the maintenance or operation of the Plan or like plans; or
- (c) to take into consideration possible adverse tax implications in respect of the Plan arising from, amongst others, adverse rulings from the Commissioner of Taxation, changes to tax legislation (including an official announcement by

the Commonwealth of Australia) and/or changes in the interpretation of tax legislation by a court of competent jurisdiction.

12.3 Amendments requiring Shareholder approval

Any amendment to the Rules that does not satisfy Rule 12.1 requires the prior approval both of the Shareholders in a general meeting and ASX if required.

12.4 Termination and suspension

The Plan may be terminated or suspended at any time by resolution of the Board and notification thereof to ASX, if required. Participants who hold an Option issued pursuant to the Plan, before termination or suspension of the Plan under this Rule, will continue to be entitled to exercise such Option in accordance with the Rules and the Company will be bound to comply with the Rules in respect of such Options.
