

18 November 2019

Dear fellow Shareholder,

Talga Resources Ltd Share Purchase Plan

On behalf of the Board of Talga Resources Ltd (ACN 138 405 419) (**the Company**), I am pleased to offer you the opportunity to subscribe for fully paid ordinary shares in the Company (**Shares**) under a Share Purchase Plan (**Offer**).

The Company is offering eligible shareholders the opportunity under the Share Purchase Plan to acquire from \$1,000 (minimum) to \$30,000 (maximum) worth of Talga Resources Shares at an issue price of \$0.44 per Share (**Issue Price**). The Issue Price represents a 17.8% discount to the volume weighted average market price of Shares over the last five days on which sales of Shares were recorded on the Australian Securities Exchange (**ASX**) immediately prior to the announcement of the Offer.

Shareholders will be eligible to participate in the Offer if they have a registered address in Australia, New Zealand or the United Kingdom, subject to the restrictions described in the attached terms and conditions, as at 5.00pm (AWST) on **14th November 2019**.

The Directors view the Offer as a means of allowing existing shareholders to participate in the current capital raising at a time of strong growth prospects prior to post-DFS project funding. Talga Directors, eligible to participate in the Offer, intend to take up the maximum Share Purchase Plan entitlement of \$30,000 worth of Shares.

Funds raised under the Offer will be used towards scaling up manufacture of Talnode[®]-C for customers, including increasing process capacity at Talga's pilot plant in Germany, progressing the Vittangi Project Stage 1 Definitive Feasibility Study to enable design, engineering and project finance options, advancing Talga's north Sweden projects for battery anode products and graphene additives, and for general working capital.

Application for new Shares under the Offer will be made on the enclosed Application Form. The offer of Shares under the Offer is made in accordance with ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547 and therefore does not require a prospectus for the purposes of Chapter 6D of the Corporations Act.

Important Information

The Offer is governed by the enclosed terms and conditions. The Board urges you to read these terms and conditions carefully and in their entirety before deciding whether to participate in the Offer.

If you are uncertain whether Shares are a suitable investment for you, you should consult your financial or other professional adviser. The Board recommends that you obtain your own financial advice in relation to the Offer and consider price movements of Shares in the Company prior to electing to participate in the Offer.

TALGA RESOURCES LTD (ACN 138 405 419)

SHARE PURCHASE PLAN TERMS AND CONDITIONS

This is the terms and conditions of the Talga Resources Ltd (ACN 138 405 419) (**Company**) 2019 Share Purchase Plan (**Offer**) and are binding on any shareholder providing a completed Share Purchase Plan Application Form to the Company.

1. Offer

The Offer is an invitation to offer to apply for fully paid ordinary shares in the Company (**Shares**) up to a maximum subscription of \$30,000 at an issue price of \$0.44 per Share (**New Shares**) (**Offer**).

The Offer to each eligible shareholder is made on the same terms and conditions.

The Offer is non-renounceable.

2. Eligibility

You are eligible to apply for New Shares (**Eligible Shareholder**) if:

- (a) your registered address in the Company's register of members is in Australia, New Zealand and the United Kingdom (subject to the restrictions described in paragraph 15) ; and
 - (b) you were registered as a holder of Shares as at 5.00pm (AWST) on 14th November 2019 (**Record Date**).
-

3. Issue Price

The issue price for each New Share under the Offer is \$0.44 per Share (**Issue Price**).

In accordance with the requirements of Australian Securities and Investments Commission (ASIC) Corporations (Share and Interest Purchase Plans) Instrument 2019/547, the Company notes that:

- (a) On the last trading day immediately prior to the announcement date of the Offer, the closing price of the Shares traded on the Australian Securities Exchange (ASX) was \$0.55 per Share. The Issue Price is a 20% discount to that closing price.
- (b) The market price of Shares in the Company may rise and fall between the date of the Offer and the date that any New Shares are issued under the Offer.
- (c) By making an application under this Offer, each Eligible Shareholder will be acknowledging that although the Issue Price is at a discount to the closing price specified above, shares are a speculative investment and the price of Shares on ASX may change between the date of the Company announcing its intention to make the Offer and the date of issue of New Shares under that Offer and that the value of the New Shares received under the Offer may rise or fall accordingly.

- (d) The Issue Price is less than the market price of Shares during a 'specified period' in the 30 days before the date of the Offer (such specified period being the 5 days in which trading in Shares occurred before the date of the announcement of the Offer).

In accordance with ASX Listing Rule 7.2 Exception 15, the Issue Price is equal to or greater than 80% of the volume weighted average price for the 5 days in which trading in the Shares occurred before the date of the announcement of the Offer.

The Board recommends that you obtain your own financial and taxation advice in relation to the Offer and consider price movements of Shares in the Company prior to making an application under this Offer.

4. Number of New Shares

4.1 Application amount

If you are an Eligible Shareholder, you can apply for up to a maximum of \$30,000 worth of New Shares. Eligible Shareholders can select one of the following alternatives:

Offer	Value	Number of New Shares
A	\$1,000	2,272
B	\$2,000	4,545
C	\$5,000	11,363
D	\$10,000	22,727
E	\$15,000	34,090
F	\$20,000	45,454
G	\$30,000	68,181

Note: As the issue price for each New Share is \$0.44 the above table is subject to rounding however, the number of New Shares issued under the Offer will be as per the table above.

4.2 \$30,000 maximum

The total costs of New Shares purchased by each Eligible Shareholder (including through joint holding/s, multiple share accounts or any holding in which they have a beneficial interest/s) must not exceed \$30,000.

The Company reserves the right to issue to an Eligible Shareholder fewer New Shares than the number specified in an Application Form for whatever reason, including to avoid the possible subscription of over \$30,000 worth of New Shares by a shareholder through multiple applications or joint holdings.

No fractions of New Shares will be issued.

4.3 Maximum number of New Shares to be issued

- (a) **ASX Listing Rules limitation:** In accordance with ASX Listing Rule 7.2 Exception 15, the total number of New Shares under the Offer must not exceed 30% of the number of Shares currently on issue.
- (b) **Discretionary limitation:** It is presently intended that a maximum of 6,818,181 Shares will be issued pursuant to the Offer, which would raise a maximum of approximately \$3,000,000. Applications will be accepted on a 'first in, first accepted' basis and will not be able to be withdrawn once made. The Board presently intends that Offer will close after the maximum amount of \$3,000,000 has been raised, however it reserves the right to accept oversubscriptions.
- (c) **Board discretion:** The Board reserves its right to reject or scale back any applications in whole or in part. The Board reserves absolute discretion regarding the final amount raised under the Offer (subject to the requirements of ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547 and the ASX Listing Rules). If there is a rejection or scale back, your application monies may be greater than the value of New Shares issued to you under the Offer, in which case the excess application monies will be refunded to you, without interest.

5. Participation costs

You must pay the Issue Price per New Share and any fees or charges incurred by you in completing the Application Form, for example, bank fees or fees of professional advisors. No commission is payable by the Company on the issue of the New Shares and no brokerage applies.

6. Rights attaching

The rights and obligations of the New Shares are contained in the Constitution of the Company (which is available for inspection at the registered office of the Company during the period of the Offer). The New Shares will be issued on the same terms as all other ordinary Shares in the Company.

7. Allotment of New Shares

Subject to these terms and conditions, the New Shares will be allotted as soon as possible after the Offer closing date. The Company will send or cause to be sent to you a holding statement in due course.

8. Payment for New Shares

All amounts in this Offer are expressed in Australian dollars. You must pay for the New Shares by BPay® following the instructions on the Application Form, or by cheque in Australian dollars made payable to "Talga Resources Ltd".

Please provide a cheque for the exact amount. If you do not provide the exact amount, the Company reserves the right to return your Application Form and cheque (in which case you will receive no New Shares) or issue you a lesser number of New Shares and (if necessary) return a portion of your funds. No interest will be paid on money returned.

9. Risk

Shares are a speculative investment and the market price may change between the dates you apply for New Shares and the issue of New Shares to you. Accordingly, the value of New Shares applied for may rise or fall.

This Offer is not a prospectus and does not require the types of disclosures required under the Corporations Act for a disclosure document. You must rely on your own knowledge of the Company, previous disclosures made by the Company to ASX, and, if necessary, consult your professional advisor when deciding whether or not to participate in the Offer.

10. Privacy

By receiving completed Application Forms, the Company collects personal information about shareholders. The Company will use this information for the purposes of processing the Application Form and updating the records of the Company. Unless required by the law, the Company will not disclose the personal information for another purpose without the consent of the shareholder.

Except as stated by the law, shareholders are able to access, upon request, their personal information held by the Company. For further information about how we manage your personal information or if you wish to obtain a copy of the Company's Privacy policy, please contact us.

11. Use of funds

The Board presently intends that the funds raised from the Offer will be applied towards:

- (a) Scaling up manufacture of Talnode[®]-C customer samples including increased process capacity at Talga's pilot plant in Germany;
- (b) Progressing Vittangi Project Stage 1 Definitive Feasibility Study to enable design, engineering and project finance options;
- (c) Advancing Talga's north Sweden projects for battery anode products and graphene additives; and
- (d) General working capital.

As with any intended budget or use of funds, this is a statement of current intentions as at the date of this Offer. Intervening events and new circumstances have the potential to affect the manner in which the funds are ultimately applied. The Board reserves the right to alter the way the funds are applied on this basis.

13. Joint holders

If you are a joint holder of existing Shares, you are taken to be a single registered holder of existing Shares for the purposes of determining whether you are an Eligible Shareholder and joint holders are entitled to participate in the Offer in respect of that single holding only.

14. Custodians, trustees and nominees

If you are an Eligible Shareholder and hold Shares as a custodian (as defined in ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547 (refer below) (**Custodian**) or in any more specific ASIC relief granted to the Company in relation to the Offer), you may apply for up to \$30,000 worth of New Shares for each beneficiary for whom you act as custodian provided you complete and submit, together with an Application Form, a certificate (**Custodian Certificate**) with the following information:

- (a) that you held Shares on behalf of:
 - (i) one or more other persons that are not custodians; and/or
 - (ii) another custodian (**Downstream Custodian**) that holds beneficial interests in Shares on behalf of one or more other persons to which those beneficial interests relate,

- (b) the number of Participating Beneficiaries and their names and addresses;
- (c) the number of Shares that you hold on behalf of each Participating Beneficiary;

- (d) the number or dollar amount of New Shares that each Participating Beneficiary has instructed you, either directly or indirectly through a Downstream Custodian, to apply for on their behalf;
- (e) that the Issue Price for New Shares applied under the Offer for each Participating Beneficiary for whom you act in addition to the application price for any other Shares issued to you as custodian (as a result of instruction given to you as Custodian or a Downstream Custodian) for that Participating Beneficiary under any arrangement similar to the Offer in the prior 12 months does not exceed \$30,000;
- (f) that a copy of the written offer document was given to each Participating Beneficiary; and
- (g) where you hold Shares on behalf of a Participating Beneficiary indirectly, through one or more Downstream Custodians, the name and address of each Downstream Custodian.

For the purposes of ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547 you are a 'Custodian' if you provide a custodial or depository service in relation to shares of a body or interests in a registered scheme and who:

- (a) holds an Australian financial services licence covering the provision of a custodial or depository service;
- (b) is exempt from the requirement to hold an Australian financial services licence covering the provision of a custodial or depository service;
- (c) holds an Australian financial services licence covering the operation an IDPS or is a responsible entity of an IDPS-like scheme;
- (d) is a trustee of a self-managed superannuation fund or a superannuation master trust; or
- (e) is a registered holder of shares or interests in the class and is noted on the register of members of the body or scheme as holding the shares or interests on account of another person.

If you hold Shares as a trustee or nominee for another person or persons but are not a Custodian as defined above, you cannot participate for beneficiaries in the manner described above. In this case, the rules for multiple single holdings (see paragraph 0 above) apply.

Custodians should request a Custodian Certificate when making an application on behalf of Participating Beneficiaries. To request a Custodian Certificate and if you would like further information on how to apply, you should contact the Company's Share Registry at any time from 8.30am to 5.00pm (AWST time) Monday to Friday during the Offer period.

The Company reserves the right to reject any application for New Shares to the extent it considers that the application (whether alone or in conjunction with other applications) does not comply with these requirements. The Company reserves the right to reject applications in accordance with these Terms and Conditions.
