

22 November 2019

ASX RELEASE

Completion of Less Than Marketable Parcel Share Sale

Vysarn Limited (ASX: VYS) (**Vysarn**) (**Company**) advises that it has completed the sale of shares for holders of Less Than Marketable Parcels (LTMP) in the Company.

A total of 114 shareholders with an aggregate of 394,331 shares participated in the program. The shares were sold at a price of \$0.054 per share. The proceeds will be distributed to participants on 25 November 2019.

Following completion of the LTMP share sale the Company had 989 shareholders.

The LTMP program will reduce ongoing administrative costs and has provided an opportunity for shareholders of small holdings to sell their shares with no commission payable.
